

The Children's Medicine.

A Cure for Coughs, Colds, Cramp, Bronchitis and Whooping Cough which Children delight to Take.

It is impossible to be too careful in selecting the children's medicine. Many cough mixtures contain powerful drugs and opiates which should never be allowed to enter a child's stomach. Dr. Chase's Syrup of Linseed and Turpentine was especially prepared for the children by one of the most skillful and conscientious doctors that has ever practiced medicine. Experience taught Dr. Chase that some of the simple products of the vegetable kingdom possessed most extraordinary curative properties, and he succeeded in so combining these in Dr. Chase's Syrup of Linseed and Turpentine as to make a medicine that is at once pleasant to the taste and wonderfully effective. Croup, bronchitis, whooping cough, asthma, severe chest colds and painful coughs yield to this great medicine when ordinary treatments have no effect. You can learn of the splendid results of this treatment in nearly every home. Dr. Chase's Syrup of Linseed and Turpentine, 25 cents a bottle, family size (three times as much) 60 cents, at all dealers, or Edmanson, Bates & Co., Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every bottle.

PROOF BEYOND DOUBT

Mrs. Adams Well Known in Burk's Falls—Dodd's Kidney Pills Cured Her Bright's Disease.
BURK'S FALLS, Ont., Feb. 8.—(Special)—Mrs. Thos. Adams, of Collingwood, whose wonderful cure from Bright's Disease, in its worst stages, has set the medical world talking, is well known here. That Mrs. Adams had Bright's Disease there can be no possible doubt, neither can there be any doubt that her cure was entirely due to Dodd's Kidney Pills. Her friends here will remember the circumstances connected with her sickness and cure. It has taught them two things thoroughly. The first is that if Mrs. Adams had cured her kidneys with Dodd's Kidney Pills when she felt the first pain in her back she would have had no Bright's Disease; the second is that Dodd's Kidney Pills cure Kidney Disease at any stage.

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitations have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the name to be careful about—
