

### Suffered Terrible Pains From His Kidneys.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body, and most people are troubled with some kind of kidney complaint, but do not suspect it.

There is no way of getting the kidney poisons out of the system except through the kidneys, and no medicine so effective in taking them out as Doan's Kidney Pills.

They help the kidneys to flush off the acid and poisonous impurities which have collected, thus clearing out the kidneys, bladder and urinary passages.

Doan's Kidney Pills are entirely vegetable, and may be safely taken by old and young.

Mr. Douglas A. Melrose, Broad Cove Banks, N.S., writes: "I was troubled with my kidneys for nine months, and suffered with such terrible pains across the small of my back all the time that I could hardly get around. After taking two boxes of Doan's Kidney Pills I began to feel better, and by the time I had taken three I was completely cured."

Price 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

In ordering specify "Doan's."

**HEALTH, WEALTH, AND WORK.**

So long as Nature's laws require that mankind shall work, the necessity of keeping one's self in health and strength is of first importance. Many people believe that men of great wealth do nothing. That is a mistaken idea. They may not work with hammers or shovels, but they work with their nerves, brains and minds. Scores of millionaires have worked themselves into nervous prostration in their efforts to control, to avoid losing their millions. But it is the humble workers who suffer most.

Mr. Arvez Berton, of Robertville, Gloucester Co., N.B., is a sturdy man of 65, who works in the lumbering districts in winter, and who, therefore, must have good health. Some years ago, he suffered much from Dyspepsia, with headaches, dizziness and rheumatism. In a statement, dated June 24th, '09, he says he used only Mother Seigel's Syrup and four bottles cured him completely.

Life buoy soap is delightfully refreshing for bath and toilet. For washing underclothing is unequalled. Cleanses.

**Do You Suffer From Headaches?**

There are few people who have never experienced a headache from one cause or another. It affects all ages and both sexes alike, but the female sex is naturally more affected through the higher nervous development and more delicate organization of the system. Those also of a nervous temperament and studious or sedentary occupation are subject to it.

The presence of headache nearly always tells us that there is another disease which, although we may not be aware of it, is still exerting its baneful influence, and perhaps awaiting an opportunity to assert itself plainly.

Burdock Blood Bitters has, for years, been curing all kinds of headaches, and if you will only give it a trial we are sure it will do for you what it has done for thousands of others.

Mrs. John Connors, Burlington, N.S., writes: "I have been troubled with headache and constipation for a long time. After trying different doctors' medicine a friend asked me to try Burdock Blood Bitters. I find I am completely cured after having taken three bottles. I can safely recommend it to all."

For sale by all dealers. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

**MYSTERIOUS DEATH**  
OF ALPHONSE CYR.

BOSTON, Nov. 30.—Shot through the breast, the body of Alphonse Cyr of Grand Falls, N.B., was found in Cataquais County, Maine. Coroner Martin has ordered an inquest. It is not yet known whether he accidentally shot himself or was mistaken for deer, or met with foul play. The fact that his rifle was missing added mystery to the case.

**LORD MORLEY'S POWERFUL SPEECH.**

LONDON, November 30.—Lord Morley's powerful speech was absorbing event yesterday of the Budget Debate in the House of Lords. The Secretary for India dilated on the importance of the struggle both at home and abroad, and called attention to the fact that foreign nations are watching anxiously the outcome of the conflict as to whether or not there would be a change in England's fiscal policy. He quoted Burke to show that the House of Lords had no right to the disposition of the Public Purse and contended that if there was one thing that could not wisely be submitted to a referendum, it was the Budget.

Referendum would weaken what it was most important to maintain, namely the sense of responsibility in the House of Commons.

**IN THE HOUSE OF COMMONS.**

OTTAWA, November 30.—The parliamentary representation of the Maritime Provinces was the theme of much discussion in the Commons yesterday. Mr Warburton brought up the matter, referring especially to P. E. Island. He desired that the representation of the three Maritime Provinces be not allowed to become less than it is at present. The Fathers of Confederation, had never intended that the older provinces should lose their representation on account of the filling up of the West.

Hon. Mr Fielding favored restoring lost representatives; but thought that the other Provinces have to be consulted before action is taken.
