

# SUNSHINE FURNACE

**There is no dust** in connection with the Sunshine. Because the Sunshine is fitted with a dust flue (see illustration). When you rock down the ashes (no back-breaking shaking with the Sunshine) what dust arises is drawn from the ash-pan up the dust-flue, then across the fire-pot to the smoke-pipe, as shown in illustration, where it immediately ascends to the outer air. Only two things to remember in connection with this operation—open both the dust and direct draft dampers. Sunshine is just the cleanest, simplest, easiest managed, greatest labor saving furnace that you can buy. If your local dealer does not handle the "Sunshine" write direct to us for **Free Booklet**.

## If the Baby Is a Weakling, Kill it

### Boston Doctor Has Plan to Strengthen the Race—Also Suggests State Control Marriages—The Theory of Survival of the Fittest

Boston, June 15.—The theory of the survival of the fittest has a new champion in Dr. Andrew Christian, a successful Back Bay physician, 43, athletic and thirty years old.

"If mothers would be willing to have their children quietly put to sleep forever when they are very young and show signs of deformity or degeneracy, the world would be better," he said today. "Of course that could not be unless the woman could be educated up to the fact that it would be the kindest way to end a life which will be of no use to herself or anyone else."

**WOULD BE WILLING TO KILL CHILD.**

"If, myself, had a little child born and it was deformed, or showed that it would be mentally weak, then I would be willing that it should be put to death with no suffering, and it would be the prudent thing to do because it would save it from untold suffering later. This may seem harsh but it really isn't."

"A board of overseers of marriages is what we want," he continued. "The race is degenerating and some radical change must be made soon or we will in time have only idiots and imbeciles. Just take for example what Luther Burbank has accomplished with the flowers. Even more can be done with human beings and greater results obtained."

"Only the fit should marry, only those who are mentally and physically normal and sane, those whose ancestors were clean of life and well balanced mentally."

**THE HERITAGE OF EVERY CHILD**

To be in under right conditions with as nearly perfect mother and father, mentally and physically as possible, is the heritage of every child, and the man or woman who cheats a child of that heritage is committing a terrible crime, one against the child and one against society.

"The board of overseers I suggest should understand thoroughly physiology, psychology and social life, I should think doctors, appointed by the state, would be best. These could have lists of people in that state and so far as possible of their ancestry. They could then decide certain periods of time to look the individuals up before deciding whether a couple were fit to marry."

### Stomach Troubles Of Long Standing

WHEN DOCTORS' TREATMENT FAILED THIS SEVERE CASE WAS ENTIRELY CURED BY

## DR. CHASE'S KIDNEY-LIVER PILLS.

Doctors failed to cure Mr. De Courcy because they were satisfied to treat the stomach instead of getting at the cause of trouble in the liver and bowels.

The most complicated and deep seated digestive troubles yield to Dr. Chase's Kidney-Liver Pills, because of their direct and combined action on the liver, kidneys and bowels. We are constantly receiving such letters as the following in regard to the failure of mere stomach treatment:

Mr. Patrick De Courcy, Milligt, lot 40, E. E. L. writes:—"For some time I had stomach trouble, and was scarcely able to do anything at all. I was treated by doctors, but they did not seem to do me any good. A friend advised me to try Dr. Chase's Kidney-Liver Pills, and I did so, to very great advantage, for my old trouble has disappeared, and, though past middle age, I feel young and hearty again. I have great confidence in Dr. Chase's medicine."

Another interesting case of liver derangement and stomach troubles is that described in this letter:

Mrs. James Monteth, Saurin, Simcoe county, Ont., writes:—"I have used Dr. Chase's Kidney-Liver Pills for liver complaint, biliousness and terrible sick headaches, and have found that they are more effective than any treatment I ever tried. They cleanse the system thoroughly, remove the cause of pains and aches, and make you feel fresh and strong again. Dr. Chase's Kidney-Liver pills are also excellent for stomach troubles."

By means of their direct and specific action on the liver—causing a healthful flow of bile—they regulate and invigorate the action of the bowels and ensure good digestion in the intestines. At the same time they stimulate the kidneys in their work of filtering poisons from the blood.

## NOT PREPARING FOR YANKEE WAR

LONDON, June 15.—In view of the lawsuits pending at San Francisco, the Japanese will not make any demand upon the American Government for individual losses," cables the Tokio correspondent of the Daily Telegraph. "A collision between the two countries is entirely improbable," the correspondent continues, "and the stories of preparations for war are utterly unfounded. On the contrary this correspondent has been authoritatively informed that the incidents at San Francisco have not materially affected the relations between Japan and America."

**THIS INTERVIEW WAS "FAKED."**

WASHINGTON, June 14.—Viscount Aoki, the Japanese Ambassador, last night requested the Associated Press to publish the following statement:—"What purports to be an account of an interview with Viscount Aoki, having been published today, the Japanese Ambassador desires to state that he has given no interview to anybody. The Viscount would not have felt called upon to point out the baselessness of the alleged interview, if it were not for the remarks therein contained which are directed against a power (Russia) in friendly relations with Japan."

## A TRULY IDEAL WIFE

### HER HUSBAND'S BEST HELPER

Vigorous Health is the Great Source of Power to Inspire and Encourage—All Women Should Seek It.

One of the most noted, successful and richest men of this century, in a recent article, has said, "Whatever I am and whatever success I have attained in this world I owe all to my wife. From the day I first knew her she has been an inspiration and the greatest helpmate of my life."

**Mrs. Bessie Ansley**

To be such a successful wife, to retain the love and admiration of her husband, to inspire him to make the most of himself, should be a woman's constant study.

If a woman finds that her energies are flagging, that she gets easily tired, dark shadows appear under her eyes, she has backache, headaches, bearing-down pains, nervousness, irregularities or the blues, she should start at once to build up her system by a tonic with specific powers, such as Lydia E. Pinkham's Vegetable Compound.

Following we publish by request a letter from a young wife:

Dear Mrs. Pinkham:

"Ever since my child was born I have suffered, as I hope few women ever have, with inflammation, female weakness, bearing-down pains, backache and wretched headaches. It affected my stomach so I could not enjoy my meals, and half my time was spent in bed."

Lydia E. Pinkham's Vegetable Compound made me a well woman, and I feel so grateful that I am glad to write and tell you of my marvelous recovery. It brought me health, new life and vitality."—Mrs. Bessie Ansley, 811 South 10th Street, Tacoma, Wash.

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Ansley it will do for every sick and ailing woman.

If you have symptoms you don't understand write to Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, at Lynn, Mass. Her advice is free and always helpful.
