QUEEN HOTEL.—Jas Dickieson and wife, New Glasgow; Major Grant, St John; P G Stanley, Toronto; N A Taylor, Halifax; T F Herringan, Antigonish; Rev A L Giggie, Truro.

A SUCCESSFUL LADIES AID SOCIETY.—The Ladies Aid Society of the West River Presbyterian church has shown a commendable activity during the first year of its existence. Since its inauguration about a year ago over \$200 have been raised for congregational and other purposes. Mrs F Sewart is president of the society and Mrs Mackinnon secretary.

ON Saturday at 12 o'clock the new Masonic Hall at Craud was dedicated with the usual impressive services of the Order by the most worshipful Grand Lodge. A number of the brethren went up from Charlottetown, to assist in the ceremony. The Hall is handsomely finished and furnished, and is a credit to the Masons of that section of the country. The tea held in the rink was well patronised and it is thought would realise a sufficient sum to free the hall from debt. The trip on the Jacques Cartier both up and down was most enjoyable.

SCHOOL EXAMINATION.—The annual examination of the Peter's Road school No 10, took place on Thursday, June 30th, in the presence of a large number of visitors including the school officers, Messrs Thomas Weatherbie, A E McFayden and John Munn. The pupils in the several classes were subjected to a searching examination by the visitors and teacher who found that the small children had made wonderful progress. The third, fourth, and fifth classes were examined in their several branches and acquitted themselves to the satisfaction of all. Lastly came the spelling match which was also good, bringing forth laughter and applause from the visitors. Addresses were given by Thomas Weatherbie, A Bruce, Lauchlin McFayden, and others, all of whom declared the school had never made such progress as it has under the services of Mr R McNeill. They also spoke highly of the prosperous condition of the school. Mr McNeill, (teacher) addressed the school on a subject suited to the occasion.—(Signed) THOMAS WEATHERBIE, A E MCFADYDEN, JOHN MUNN, Trustees.

Summer School of Science.

The Summer School of Science, which opened in Moncton last Thursday, was established for the purpose of affording teachers and others the opportunity of combining the study of some specialty with the rest and recreation of a delightful and inexpensive two weeks' outing.
