—BONEMEAL, charcoal meal, fishmeal, in stock at Brace's. 4149-7-4-21.

—SEE the wonderful values in Ladies Dresses at Sinclair's Ready to Wear Department. 4145-7-4-21.

—EVERY ONE visits Sinclair's Basement. Meet your friends there and get a share of the many values on display. 4145-7-4-21.

—OMITTED FROM REPORT — In the report of the Cotton Cuties Minstrels, the presentation of a lovely bouquet of roses on behalf of the cast by little Miss McPhee, to Mrs. Roy Silliphant, who organized the show, was unfortunately omitted.—S.

—FALLS DOWN STAIRS — Mrs. Paynter, of Freetown, who is nursing Mrs. Coles at Summerside, had the misfortune to fall down the cellar stairs on Friday. She was taken to the hospital, where it was found her hip was badly strained. She is now resting comfortably.—S.

—ADDED IMPROVEMENTS.—Garnet Warren, and staff, Freetown have been in Kensington for some days, putting in new electric poles, repairing defective plant stock, and replacing old with new, where necessary. The new posts are taller than the old ones, and all are straight. Their determination is to fit the whole system so that not even the shadow of excuse can be offered for complain.—Y.

—GIVEN SEND OFF—The Rifle Club of Summerside held a shoot on Wednesday in honor of Rev. W. E. Aitken of Lot 16, who has been transferred to St. Peter's district. Rev. Mr. Aitken made a very high score, in fact the highest of any contestant. He made the outstanding mark of 97 out of a possible of 105. It is rumored that Mr. Aitken is practicing for the Provincial shoot to take place next month. Rev. Mr. and Mrs. Aitken left for their new home on Thursday.—S.

—CONTRACT AWARDED — At a meeting of the Summerside School Board, Thursday night, the contract for building the extension to the High School was awarded to Mr. T. D. Morrison, son of the late D. R. Morrison, a well known contractor. His tender was \$25,000 and will include the east end extension and the enlarging of the Assembly Hall. The contract for plumbing and heating has not been awarded yet. The decision of the Board should be popular with Summerside citizens, as Mr. Morrison is a native of the town. Several thousand dollars have been saved by the choice.—S.

—SPORTS AT MILL RIVER—The opening day at Riverside Inn, Mill River, on Wednesday was a great success. Large crowds from all parts of the Province attended. Mr. McLellan is to be commended on initiative in opening up this charming sport to the public. The bathing facilities leave nothing to be desired. A program of sports, followed by supper and dancing, made a well balanced program. The winners in the sports were as follows: 300 yd. swim, Sr.—1st, Raymond Archer; 2. Harold White; 3. John Gordon; 4. Fred Oliver. 100 yd. swim, Jr.—1, Joe Gallant; 2. Harvey Murphy; 3. Eric Murphy; 4. Irma Bowness. Standing Kick—1, John Gordon; 2. L. Dalton; 3. Fred Oliver; Hip Kick—1, Ed Shaw; 2. Geo. Carruthers; 3. L. Dalton. Running Broad Jump—1, Geo. Carruthers; 2. Jack Sheen; 3. Chas. Raynor. 100 yd. dash—1, L. Getson; 2. Jack Sheen; 3. Geo. Carruthers. Running High Jump—1, Jno. Gordon; 2. Larkin, of Alberton; 3. Jack Sheen.—S.

—SINCLAIR'S Basement Store offers you very interesting values on staple dry goods and other useful articles. A visit will convince you. 4145-7-4-21.

—DEATH OF SUMMERSIDE CITIZEN—Summerside has lost another good citizen in the death on Thursday evening of Mr. Jeremiah Michael Noonan at his residence on Fitzroy Street. Mr. Noonan has been ill for some months and his death was not unexpected. His family were all present, at his bedside, his daughters having arrived home some time ago to be with him. The late Mr. Noonan was born in Bedeque and was 69 years of age. He came to Summerside as a child with his father, who was the late Daniel Noonan. He received his education at the Summerside High School and afterwards attended the Charlottetown Business College. He later went into business on Water Street, Summerside, carrying on very successfully until his last illness. He was one of Summerside's most outstanding citizens and was very highly esteemed by every class of citizen. He took a great interest in St. Paul's Church of which he was a trustee for many years. He was also a member of the Knights of Columbus. Early in life, he married Miss Margaret Murphy, of Summerside. They had eight children; a boy and a girl died in infancy. Another daughter, Edna, wife of Mr. R. H. Morrison, of Quebec, died last year. Mr. Noonan will be sadly missed from the family circle, as he was a devoted husband and father. He was very fond of children and his chief delights were his grand children, several of whom were at home when he died. There are left to mourn, besides his widow, his only son, Dr. Ralph Noonan, of Summerside, and four daughters, Mrs. Tallmire and Mrs. L. E. McLellan, of Ottawa, Mrs. E. P. Foley, of Summerside and Miss Pauline, R.N., who tenderly nursed her father in his last illness; also two brothers, John, of Boston, and Daniel of Bedeque and one sister, Mrs. John Sherry, of Fernwood, to all of whom much sympathy is extended.—S.

—DISTRICT RALLY—On Tuesday of this week the W. M. S. of the United Churches of Prince County held their District Rally at Alberton. There were two sessions, which were largely attended. The afternoon was opened with a devotional period by the Alberton branch. The President of the Island Societies, Mrs. Hammond Toombs, of Kensington, then took charge of the meeting. Mrs. John Sterling, of Springfield, was convener. Reports from the secretaries of the literature, temperance, supply and correspondence departments were received and were very encouraging. A solo by Mrs. A. S. Weir was very much appreciated. The children of the Mission Band then gave a chorus. The Cascumpe ladies conducted a quiet half hour from which much help was derived. Mrs. George Sheen, of Summerside, read a report of the recent meeting held in New Glasgow, N. S. This was followed by an open forum, conducted by Mrs. A. J. Mathieson, on the work of the Society. A very delicious supper was served by the ladies of Alberton in the Church hall. The

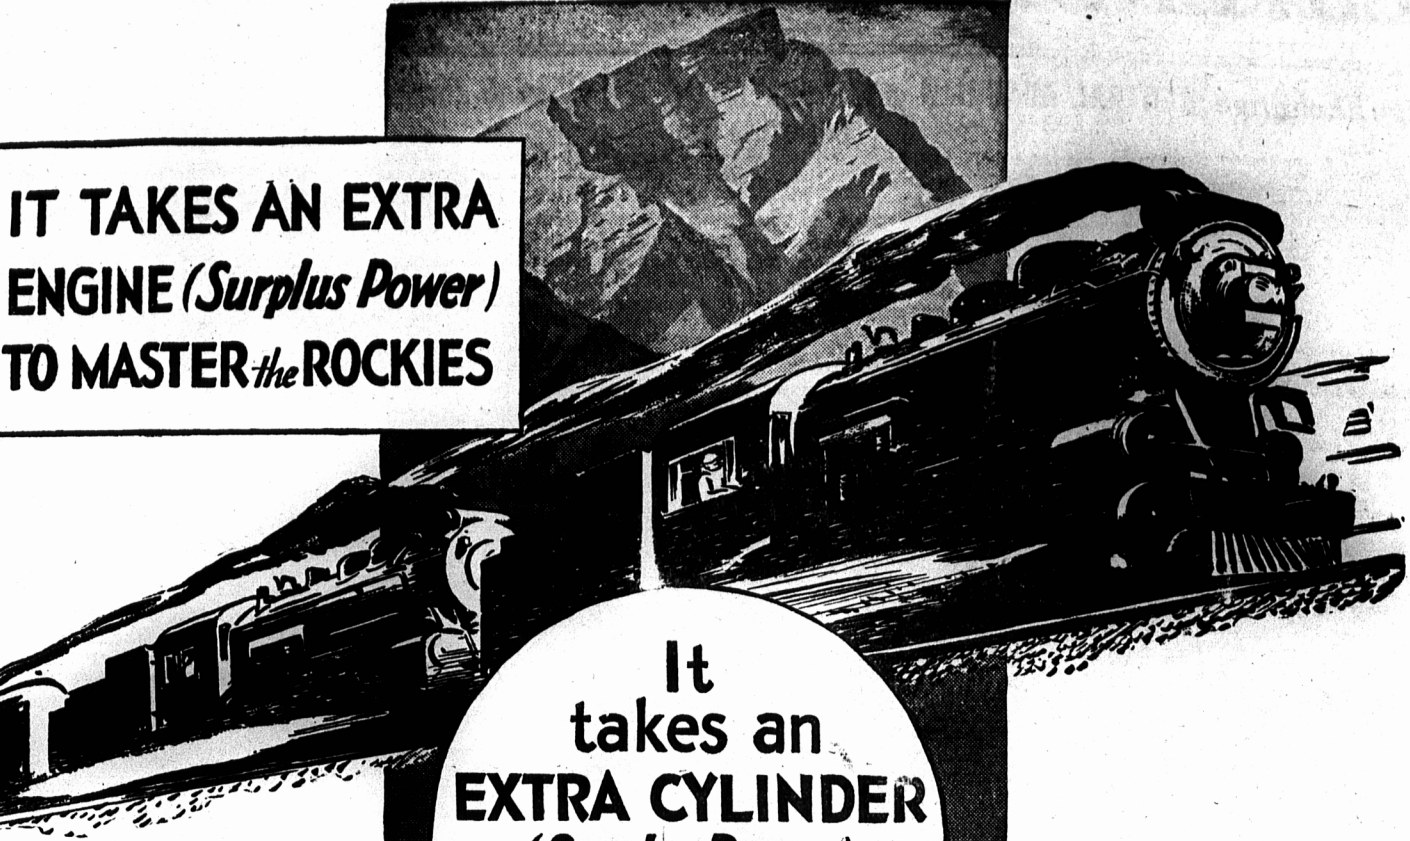

EASTERN GUARDIAN

...ROLLO BAY EAST—The members of Rollo Bay East Women's Institute held their June meeting in the schoolhouse. Meeting opened by repeating "A Club Woman's Creed," and the Roll Call answer was "My Favorite Name." The minutes of last meeting were read and approved. A paper, "My Financial Career," by Mrs. Jerome B. Chaisson, and a paper, co-operation between parent, teacher and child by Mrs. Edward Mahar were enjoyed by all. A delicious lunch was served and a social hour spent. The singing of the National Anthem brought this meeting to a close. Next meeting to be held at the home of Mrs. E. Mahar, when response to roll call will be a verse.

...Miss Beth Douglas, Assistant Superintendent of the Obstetrical Department of Faulkner Hospital, Jamaica Plains, Mass., has arrived on the Island to spend a month's vacation with her parents, Mr. and Mrs. L. H. Douglas, Georgetown. Miss Douglas motored from St. John with her parents and her brother, Ralph, and her sister, Marion.

...evening meeting was opened by the pastor, Rev. A. S. Weir and Mrs. Mr. Stirling of West Cape. Mrs. Toombs then introduced the speaker of the evening, Mrs. Spencer who is a missionary to the Indians on the coast of British Columbia. Her talk was most interesting and showed a steady increase of Indians who embrace the Christian faith, although they are not very stable and often slip back. Mrs. Spencer, who was formerly Miss Harris, first undertook missionary work at Crossley House, and later went to different stations in British Columbia. Mrs. Thomas Moyle, of Bedeque, is a sister of Mrs. Spencer and her address was of particular interest to the ladies in that district. The evening closed with another solo by Mrs. Weir, and an anthem by the choir. The meeting was considered a very successful one.—S.

...FAREWELL SUPPER — The congregations of Lot 14 and Lot 16 gave a farewell supper for their pastor, Rev. W. E. Aitken, and his wife on June 24th in the Lot 16 hall. Upwards of two hundred people were present, a number being residents of the district, but not belonging to Rev. Mr. Aitken's congregation. Mr. Angus McLellan was chairman, besides the guests of honour, seated on the platform were Mrs. Crawford Aitken and Miss Lena Aitken, mother and sister of the pastor. Mr. William McLean and Mr. Artemas McArthur, elders representing the two churches, and Mr. A. E. McLean, M. P., and Mrs. McLean were also there. After a few opening remarks by the chairman, Mr. Edward Lockhart was called up to read the farewell address, in which were expressed the deep regret, after five years of pleasant associations, of both congregations at the departure of Rev. Mr. Aitken and his wife and family. Continued success in his new parish of St. Peter's was the sincere wish of all. Mr. Clarence Phillips then presented the guests with a well filled purse as a tangible expression of goodwill. Rev. Mr. Aitken replied in a few words, saying that his work among the people of Lot 16 and Lot 14 had been very pleasant and he and his family would always have happy recollections of their sojourn among them. The Mission Band presented Miss Phyllis, little daughter of Mr. and Mrs. Aitken, with two charming pictures, as a remembrance of many happy hours in the Mission Band. The guests were then served to a bounteous supper, which was spread on tables, prettily arranged with spring flowers. The ladies of the congregation waited upon the tables which were filled many times to accommodate the large gathering. The remainder of the evening was spent in social chat. Before the guests departed, they shook hands with the pastor and his wife and wished them success in their future home. Rev. Mr. Aitken with his family, left on Thursday for his new charge at St. Peter's Bay, and was inducted into that parish last night.—S.

IT TAKES AN EXTRA ENGINE (Surplus Power) TO MASTER the ROCKIES

It takes an EXTRA CYLINDER (Surplus Power) TO ASSURE LOW TEMPERATURES IN HOT WEATHER

That's why every

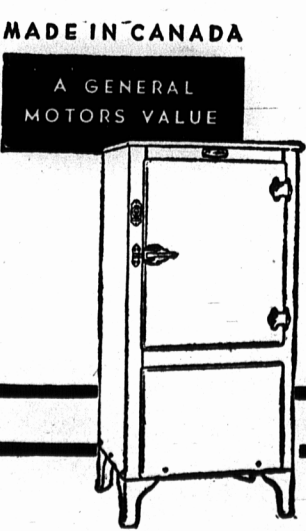

FRIGIDAIRE is equipped with 2 CYLINDERS INSTEAD OF 1

WHEN you choose an electric refrigerator, choose a "double header". There are no downhill grades for your refrigerator when hot weather comes—that's when you will test its capacity to the utmost. You need Surplus Power to ensure safe refrigeration on scorching summer days. You need Surplus Power to freeze ice and desserts quickly.

Most electric refrigerators have one cylinder power plants. Frigidaire alone has TWO CYLINDER Surplus Power plants in every model.

Because of its Surplus Power, Frigidaire maintains safe food preservation temperatures easily . . . and two cylinders instead of one mean lower operating cost and longer life because the mechanism runs more slowly and only a small part of the time.

Frigidaire has every worthwhile feature you can find in any refrigerator . . . plus many exclusive ones. And at the new low made-in-Canada prices you don't have to be satisfied with less.
