

TUESDAY.

The death occurred at Bradalbane on July 10th, of Donald Morrison after a protracted illness of twenty years.

The deceased was 80 years of age and was a most estimable citizen and bore his illness with true Christian patience. He leaves to mourn one sister, Mrs. Angus Gunn, with whom he resided. His funeral on July 11th, was largely attended. The service was conducted by the Rev. John Murray of Clifton.

At Little Pond after an illness of three weeks, Mary Ann, beloved wife of Mr. Alexander McKenzie, in the fifty-eighth year of her age, leaving a husband and eight of a family to mourn their loss, viz: Mrs. Daniel McCormac and Mrs. Ronnie McDonald of Boston; Mrs. J. D. Campbell of Little Pond and Eliza at home; also Angus of Boston, John of California and Allan and Joseph at home. The deceased was a kind and loving mother and a good and practical Catholic. Her death brought a cloud of sorrow to the neighborhood of her native home. Her funeral on the ninth was largely attended. The funeral services, owing to the absence of her pastor, were performed by Rev. Stephen McDonald.

The Ladies of Charlotte will May Now Have Beautiful Hair—All First-class Druggists Sell SALVIA and Guarantee it to Grow Hair, or Refund Your Money.

Your druggist is backed up by the manufacturers of SALVIA, the Great Hair Grower. It is guaranteed to grow hair.

SALVIA destroys dandruff in ten days.

The roots of the hair are so nourished and fed that a new crop of hair springs up, to the amazement and delight of the user. The hair is made soft and fluffy. Like all American preparations SALVIA is faintly perfumed. It is hard to find an actress who does not use SALVIA continually.

Ladies of society and influence use no other.

SALVIA is a non-sticky preparation, and is the ladies' favorite. A large generous bottle 50c. Sold at Hughes Drugstore.

It is a sad duty to record the death of Daniel Cyrus Deighan, dearly beloved son of Mr. and Mrs. Wm. H. Deighan. Cyrus as he was best known, contracted a cold about a week ago and although attended by the best medical skill and kind attention of his devoted parents he passed to his early reward on Tues. July 15th at the early age of ten years. He was of a very bright and cheerful disposition and will be greatly missed especially by his school-mates with whom he was a general favorite. Very Rev. Mgr. Gillis visited him twice during his short illness and administered the Sacrament of the Holy Catholic Church. The funeral, which took place on Wednesday to St. James Church, Freetown, was followed by a large concourse of people. The pall-bearers were—Messrs. Stephen B. Murtagh, Cecil Murphy John White, Bernard Murphy. To the sorrowing father and mother, brothers and sisters is extended heartfelt sympathy in this their hour of deep sorrow.

The many friends of Mr. Joseph Raynor were greatly pained to learn of his sudden demise, which occurred at his home in O'Leary on July 19th. Deceased was a man in the prime of life, being only in his 66th year, and was greatly esteemed by all who knew him, for his integrity and many excellent qualities and by his death the community has lost an ever helpful friend and neighbor. The widow, who survives, is bereft of a devoted husband and constant helpmate, and the sons and daughters of a kind and affectionate father. The daughters are: Mrs. George Woodside, Mrs. Thomas Harris, Mrs. William Turner, all of O'Leary, and Miss Bessie at home. The sons are: John M. and Robert H. of Medford, Mass., David C. of Bangor, Maine, and one adopted son Allison at home. He also leaves to mourn their loss one sister, Mrs. Edward Gorrill of the Willow Hotel, O'Leary and one brother, Mr. J. J. Raynor of Casumpeque village. A large concourse of sympathizing friends followed the remains to their last resting place in the Presbyterian Cemetery at Bloomfield.

The second in the series of weekly events arranged by the Charlotte-town Aquatic Club took place yesterday evening and, like the first, was witnessed by several thousand people who lined all the points of vantage along Victoria Park.

The harbor presented an unusually attractive appearance during the

regatta, the whole course being lined with craft of all sizes and builds from the Northumberland down to the finest canoe for two.

That the people of Charlottetown and the many visitors here thoroughly enjoy these aquatic events was well evidenced by the crowds who thronged the shore and the wharves to witness the different events and also by the favorable comments heard on every hand during and after the races. It is to be regretted that owing to some delay in starting the races on this occasion, night came on before the whole program could be completed. A notable omission was that of the "stick-at-it" race for which preparation had been made and of which much had been expected. The omission was at least partially supplied however by an unscheduled event, the upsetting of one of the racing canoes, by which the occupants were thrown into the water. They did the "stick-at-it" feature manfully until picked up by one of a number of boats which rushed to their rescue.

The races were started from the "Imperial III," which was stationed off Fort Edward and were run over the same course as that of last week. The first race called was the speed boat class. In this race there were three starters, Ruth, owned by Mr. Frank Stewart, starting scratch; Vixen, owned by Mr. James Flood, handicap 9 seconds; Fox, owned by Mr. F. Hobbs, handicap 18 seconds; Dixie Girl, owned by the Messrs. Hennessey Brothers, handicap 23 seconds. In the first heat Dixie Girl came in first; Ruth 2nd; Vixen 3rd; Fox 4th. In the second heat came in 1st, Dixie Girl 2nd, Vixen 3rd, Fox 4th. The third was a repetition of the second. The race was won by Ruth 1st, Dixie Girl 2nd, Vixen 3rd, Fox 4th.

In the semi-speed boats there were three starters, Imperial, owned by McMillan Brothers, scratch; Imperial II, owned by Mr. J. A. Webster, handicap 1 min. 15 sec; Flirt, owned by Mr. Harold Burke, handicap 2 min. 17 sec. The race was won by Imperial, she coming in first in the second and third heats and second in the first heat and second in the second and third heats; Imperial II third.

In the canoe race there were four starters, manned as follows: Messrs. J. Stentford and P. McNevin; 2nd, Messrs. Praught and Buttler; 3rd, Messrs. P. Murnaghan and J. Praught; 4th, Messrs. L. Worthy and J. Gordon. The race was finished in the above order.

In the four-oared race there were two starters, Roderick Dhu, manned by Messrs. Worthy, Gordon, Cameron and Cheverie; Dresser, manned by Messrs. J. Praught, Buttler, Murnaghan and R. Praught. Roderick Dhu won 1st.

The officials of the races were as follows: Starter, Dr. Cyrus McMillan; Judges, Captain Senechal, Captain McDonald, and Mr. S. A. McLeod. Timers, Mr. G. F. Hutcheson and Dr. Johnson.

The opinion has been freely expressed that, as the evenings are now shortening, these aquatic events should be pulled off during the afternoon. Many people would gladly spend a couple of hours on a favorable afternoon in enjoying the sports, who are not able to do so in the evening. In any case the evenings are now too short to permit of a full program being carried out.

Another suggestion is that the course of the races be laid nearer the shore in order to give the spectators a better view. This is especially applicable to the canoe, rowing and "stick-at-it" events as much greater interest would be aroused if the contestants could be recognized by the spectators. It requires the cheering of the crowd to arouse enthusiasm and cheers can be evoked only when the crowd knows definitely what it is cheering for.

Everything that will increase the popularity of these already exceedingly popular weekly events will no doubt be done by the energetic club to whom the city is indebted for such pleasant outings, and the above suggestions are handed in as the opinions of many who are not only interested but who have thoroughly enjoyed the events already given. The city is looking for a full program next Monday.

WEDNESDAY.

WEDDING BELLS.—The marriage took place Wednesday, July 16th, at Calgary, Alta., of Mr. Frank Everett Clark, son of the Rev. Nelson Clark, D. D., Berkeley, California, and Miss Mary Isabel MacMillan, daughter of Mr. and Mrs. Donald MacMillan of St. Avars, Charlottetown. The ceremony was performed by the Rev. J. A. Clark, pastor of the Knox Presbyterian Church. The bride was given away by her brother Mr. R. Longworth MacMillan of High River, Alta. Mr. and Mrs. Clark left for a honeymoon trip through the Canadian Rockies, stopping at Banff and Lake Louise. They will be at home after September 1st at Berkeley, California. Mr. Clark is a mining Engineer and a graduate of the University of California.

DICKIESON-ROBERTSON.—The marriage took place at Outlook, Saskatchewan, on Wednesday, March 19th, 1913, at high noon, of Mr. George N. Dickieson and Miss Ella Jane Robertson, youngest daughter of Mr. and Mrs. John Robertson, Tremont, Lower Montague, P. E. I. Rev. A. Young officiated. The bride wore cream marquiset. The groom is a son of Mr. Andrew Dickieson, formerly of New Dominion, but now of Vancouver, B. C. The bride received many handsome and costly presents, which go to show the esteem in which the young couple are held by their many friends. The groom's present to the bride was a handsome gold bracelet. After lunch, the young couple left on the two o'clock train, amid showers of rice and best wishes of a host of friends, for their future home near Rosetown, Saskatchewan, the bride travelling in navy blue corded velvet, with which she wore a large black hat, trimmed with ostrich plumes. (Patriot please copy.)

POLICE COURT CASE.—Only one case was heard at the City Magistrate's Court yesterday, a man named Angus McLeod being prosecuted by Sgt. Taylor on a charge of drunkenness and, pleading guilty, was fined \$2, with the option of ten days imprisonment.

LADY SYBILL ASHORE.—Word was brought to the city last night by the S. S. Northumberland, that the Lady Sybill, of the Magdaine Island Steamship service, was ashore on the west point of that Island. A telegram was received by Capt. Batt of the tug Amherst, to intercept the aid of the grounded steamship and he left Charlottetown at 10.30 in the evening for the scene of the accident.

The death occurred at Leoville on the 26th inst. of Mr. John Hughes, aged 65 years. The funeral took place to the Church of the Immaculate Conception, Palmer Road, on the 28th and was very largely attended. High Mass and Requiem were celebrated by the pastor Rev. Dr. Gauthier, interment taking place in the adjoining cemetery, after Gauthier officiating—"May His Soul Rest in Peace."

SERIOUS ACCIDENT.—A man by the name of Davy, whose home is in Lot 40, met with a very serious accident while at work at the cathedral yesterday. He was on the scaffolding 35 feet up when in some accountable way he fell to the ground. He was taken at once to the City Hospital. The extent of his injuries could not be ascertained at a late hour last night, except that his condition was regarded as very serious.

NARROW ESCAPE.—Yesterday afternoon a young lad of about 11 years named Hughes, who was sailing a toy boat at the Navigation wharf, near the aid of the grounded steamship, had escaped over to the pier, his boat ashore and the motor on which he was leaning gave way tumbling him into the water, which was far beyond his depth. One of the clerks of the Harland office was on the tug Islander at the time and hearing the splash of the fall rushed on deck. He had to cross two boats before reaching the stretch where the youngster fell in, but not even waiting to strip, with coat, boots and all, he leaped overboard and managed to grasp the clothing of the lad as he was sinking, and brought him to the wharf where both were helped ashore. The lad's clothing was rung out and he appeared none the worse of his dipping other than a bad scare.

ENGAGEMENT ANNOUNCED.—The Tocomo Ledger July 23 contains the following item:—One of the weeks most interesting announcements was made Tuesday afternoon, July 22nd, by Mrs. R. A. Simmons of National, Wash, when she formally disclosed the engagement of her sister, Miss Lucia Duggan to Mr. Gerald Edridge Skinner of Centralia, Wash. The pleasant news was given out at a bridge, at which Mrs. Simmons entertained for her sister and her girl friends, at the family home on Pacific Ave. "The cat was let out of the log, both literally and figuratively speaking when a large bag was deposited on the floor before the guests and a beautiful Angola leaped out. On its back an embroidered blanket bore the name of the betrothed couple and the wedding date Oct. 19th. The engagement has been rumored among intimate friends but the announcement came as a pleasant surprise to many.—Miss Duggan is a P. E. Islander and her engagement will be of much interest to her friends in the Province.

On its resumption yesterday the actual work of the Summer School of Science for teachers of this province that is now being conducted

Good Blood The Secret Of Health

To be Healthy You Must Keep the Blood Rich, Red and Pure.

Dr. Williams' Pink Pills are useful in any disease caused by thin or impure blood, and the list of such diseases is astonishingly large. Anemia literally means a condition in which the blood is thin and watery. This more rapid than in any other disease. After an attack of the grippe or acute fevers the blood is always thin and impure, and Dr. Williams' Pink Pills are the tonic to use during convalescence. When the blood is poor and thin the stomach suffers. The food ferments, gas and certain acids form and the trouble is pronounced indigestion or dyspepsia. The nerves receive from the blood all of their nourishment to keep up their energy and repair waste or damage. Some forms of paralysis are caused by thin blood. The progress of locomotor ataxia is stopped in many cases when the blood is made pure, rich and red. "This is only a partial list of the troubles having their origin in impure, watery blood, and all can be cured by supplying the blood with its missing constituents."

This is exactly what Dr. Williams' Pink Pills do. Their chief mission is to make rich, red blood, and this good blood reaches every organ and every nerve in the human body, thus driving out disease and bringing renewed health and strength to thousands of weak, despondent people.

Ask your neighbors. There is not an inhabited corner in Canada where Dr. Williams' Pink Pills have not restored some sufferer, and all over this country there are grateful people who do not hesitate to say they owe their health to some cases like itself to this great medicine. If you are ailing begin to cure yourself to-day by using Dr. Williams' Pink Pills.

Sold by all dealers in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

for the first time, was commenced. The regular classes in school management, drawing and nature study were carried on throughout the day. In a lesson on "The Leaf" as one of the organs of vegetation, Mr. W. Davison described the function and construction of leaves, using two or three different plants as types. The leaf was described as "the food factory of the plant and even of the world." Great stress was laid upon the importance of the green leaf to both the animal and plant kingdom, changing as it does, the raw material obtained from the soil and the Carbon dioxide of the air into starch and other plant products, which provide food for all of us. Great interest was shown by the students throughout the lecture, which is encouraging to all those taking part in the course.

A well known and respected resident passed peacefully away in the person of Mr. James Connolly, whose death occurred at his residence, Bangor, Maine, Tuesday, July 22nd, after receiving the last rites of the Catholic Church. The deceased was a native of Bangor, Me., and had been a resident of Charlottetown for the past six years. His remains were accompanied home by his sorrowing wife and son Will. The late Mr. Connolly was a man of kind and pleasing disposition, and ever ready to assist in any worthy or charitable work. He leaves to mourn a sorrowful wife, four daughters, and four sons, namely:—Will and Albert, Bangor, Me.; Peter and Amos, Boston, Mass.; Mrs. Peter Murray, Bangor, Me.; Mrs. Porter, Massachusetts; Katie, of Boston, and Emeline, Bangor, Me. The funeral, which was largely attended, took place from the home of Mr. Peter Murray, Bangor, on Friday morning, to St. Anne's Church, Lot 65, where Requiem Mass was sung for the repose of his soul by Rev. Dr. Curran, parish priest, assisted by Rev. Father Duffy of Kinross, after which all that was mortal of a kind and loving father was laid to rest in the adjoining cemetery. Requiescat in pace. (Examiner please copy.)

Yesterday the bargain was closed which is the first step towards carrying into effect the decision which was come to at a general meeting of the Charles Dalton Silver Black Fox Company a few weeks ago, to remove the present site of the company's ranch, at Alberton, to a situation within easier reach of Charlottetown, in order to bring it under the closer control of the directors, the majority of which reside in the city. The new ranch will be only two miles away from the city, the property on which it is to be situated being by the unoccupied farm on the 48 Road, bordering Southport, which belonged to Mrs. Catherine Cullen, of Summerville, Mass. Of an extent of 51 acres of land, the property was bought for \$1,800. The new ranch will have about double the amount of accommodation as the present ranch at Alberton.

The work of preparing the place for the reception of its furry inmates, and its proper equipment as a fox-ranch, will be begun immediately, and it is expected that it will be finished by about the first of October. As soon as the new place is ready the ranch will be made. The Hon. Charles Dalton, who is expected from Souris at any time in his new launch, is immediately on his arrival at Charlottetown to proceed to the new site of the ranch and lay out the grounds. Mr. McArthur, who has just finished the building of the ranch of the Massachusetts Fox Company, will have charge of the construction of the new ranch of the Dalton Black Silver Fox Company.

The old ranch is to be sold as it stands.

- Following is a list of successful students for P. W. C.:
- M. A. Macqueen prizes, given to the matriculants who, having passed in every subject, stand highest in English.
- | | | |
|---|--|----|
| First Prize | \$50, Bessie Forsythe, Prince St., Charlottetown | 90 |
| Second Prize | \$30, Regina Eagen, Elmwood | 87 |
| Third Prize | \$20, Ruth McPhail, Prince St., Charlottetown | 86 |
| Candidates standing highest in the several subjects of examination: | | |
| English, Bessie Forsythe, Prince St., Charlottetown | 90 | |
| History, Adele Smith, Georgetown | 81 | |
| Arithmetic, Evangeline Vessey, Notre Dame Convent, City | 100 | |
| Botany, etc., Bessie Forsythe, Prince St., Charlottetown | 74 | |

My mare, a very valuable one, was badly bruised and cut by being caught in a wire fence. Some of the wounds would not heal, although I tried many different medicines. Dr. Bell advised me to use MINARD'S LINIMENT, diluted at first, then stronger as the sores began to look better, until after three weeks, the sores have healed, and best of all, the hair is growing well, and is NOT WHITE as is most always the case in horse wounds.

DYING FROM GALL-STONES

Doctors Said Only An Operation Could Save His Life—"Fruit-a-tives" Enabled Him To Pass Nearly 200 Gall-Stones.

J. B. HARDING, Esq.

46 Grove Ave., Toronto, Ont., Jan. 10th, 1913.

"I suffered untold agony from GALL-STONES, for the past three years, and tried many doctors without getting relief. I also paid \$5.00 for one bottle of medicine which was useless. At times the pain from these gall-stones was so great that I lost consciousness, and my condition was desperate. I was quite satisfied that I was dying and the doctors said I must be operated upon.

"During one of these very severe, acute attacks, I was given some 'FRUIT-A-TIVES', and after taking a short treatment of this remedy, I passed gall-stones over an inch in length, and as many as one hundred and fifty or two hundred in number. 'FRUIT-A-TIVES' was the only thing that would relieve my pain. They are the greatest medicine in the world, and if there is anyone in Canada, or anywhere else, that suffers from gall-stones, I say 'Let them take 'Fruit-a-tives' and be cured'."

"If this testimonial will further the good work of 'Fruit-a-tives', publish it with my full authority."

J. B. HARDING.

Are you wondering how 'Fruit-a-tives'—a medicine made from fruit juices, can cure Gall-stones? We will tell you. The Gall bladder is the reservoir for holding the Gall, or bile, secreted by the liver. If there is insufficient bile, then the bile in the Gall bladder is thick and easily forms stones. When the liver is weak, it secretes very little bile and then the Gall bladder is partially filled with a thick jelly-like mass of bile and thus forms into lumps or stones. 'Fruit-a-tives' stimulates the liver to secrete more bile, and this increased bile softens the Gall-stones and by overfilling the Gall bladder, forces the passage of the stones through the Gall duct—and thus cures the disease.

'Fruit-a-tives' is the only medicine in the world made of fruit juices. By a wonderful process, the medicinal properties of certain fruits are greatly intensified—then valuable tonics and antiseptics are added and the whole made into the pleasant tasting tablets known in every section of Canada as 'Fruit-a-tives'.

50c. a box, 6 for \$2.50, trial size, 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

A SURE CURE FOR WOMEN'S DISORDERS

Ten Days' Treatment Free

ORANGE LILY is a certain cure for all disorders of women. It is applied locally and is absorbed into the suffering tissue. The dead waste matter in the congested region is expelled, giving immediate mental and physical relief; the blood vessels and nerves are toned and strengthened, and the circulation is rendered normal. As this treatment is based on strictly scientific principles, and acts on the actual location of the disease it cannot help but effect a cure of all forms of female troubles, including delayed and painful menstruation, leucorrhoea, falling of the womb, etc. Price, 10c. per box, which is sufficient for one month's treatment. A Free Trial Treatment, enough for 10 days, worth 35c., will be sent Free to any suffering woman who will send me her address. Enclose 3 stamps and address, MRS. FRANCES E. CURRAH, Windsor, Ont.

For sale by leading druggists everywhere

10c

A simple food, but a nourishing food. Just the heart of sweet-corn rolled thin and toasted.

Appetizing, easily digested, good for men, women and children.

Carman-gay

the Star Town of Southern Alberta

Why not take the initiative in a good stroke of business by finding out why in only three short years Carman-gay has changed from a stretch of prairie into a live town with no less than 53 places of business, a public school, several banks, municipally owned waterworks and electric light plants, mammoth elevators, etc.

Why is it that Carman-gay heads the list of shipments of wheat in all Alberta. No less than a million bushels were shipped in 1911—and from the 1912 crop the tremendous increase of half a million bushels! And all this with only a fifth part of the surrounding fertile lands under cultivation!

The forests that grew a million years ago around where the prairie town of Carman-gay now thrives to-day, added to Carman-gay's rich resources. How?

It certainly is an interesting souvenir booklet we want to send you. It will show you how to make the stroke that creates real dollars. Why not send a postal to-day.
