## Two Players Must Sustain Brilliant Series Reputation

### Terry Of Giants And Goslin Of Senators Were Stars Of 1924 Classic—Only One Hurler Has Previous Series Experiences.

(This is another of a series analyzing the contenders for the world baseball championship)  
(By Edward J. Neil, Associated Press Sports Writer)

NEW YORK, Sept. 27.—The payoff on previous World Series experience doesn't figure to be very heavy, with only a half dozen veterans of championship warfare in the ranks of the New York and Washington regulars, but two of the big guns, Bill Terry of the Giants and Leon (Goose) Goslin of the Senators, have brilliant reputations to sustain.

Terry, successor to John McGraw at the Giants helm, did about all you could ask of an ordinary workman in the series of 1924, one of the most dramatic in baseball history, when he got into five games against the Senators, hit safely six times in 14 appearances at the plate, batted out one home run, scored three times, and wound up with a batting average of .429.

Goslin played every minute of that seven-game series and did even more execution, but at a slower pace. In 32 times at bat Goslin gathered 11 hits, three of them homers, scored four times, drove in seven runs and averaged .344. The next year, against the Pirates in another seven-game series, the

Goose went to bat 26 times, batted out eight hits, again getting three home runs, driving in six and scoring six.  
Gus Mancuso, the Giants' dependable backstop, was the No. 2 catcher for the Cardinals in two World Series, and Travis (Stonewall) Jackson tasted the front-line fire in 1924 after being a pinch-hitter the year before.

Doubtful Jackson  
Jackson played well in the field against Washington nine years ago but he was a sorrowful figure at bat, getting only two safe blows in 27 times at the plate for a mark of .074. This year he is expected to do considerable hitting.

Buddy Myer, steady-going second baseman, played with the Senators in the 1925 series and Oesle Bluege was at third base in both 1924 and 1925. Neither did anything startling at the plate.

So the field is wide open for the shaping of World Series destiny not only for hitters such as Heinie Manush, Joe Kuhel, Joe Cronin and Fred Schulte, on the Senator side, and Mel Ott, Joe Moore and Gus Mancuso, in the Giants cast, but for nearly every pitcher on the field. The only hurler with World Series experience is Adolfo Luque, of the Giants, who saw brief service with the Reds in 1919.

## PROTEST IS DROPPED

(Canadian Press)  
YARMOUTH, N. S., Sept. 27.—Yarmouth Gateways today dropped their protest of yesterday's decision game with Halifax Willow Parks in the provincial baseball eliminations. The Middleton game had been protested because of the asserted professionalism of Captain Burt Davis of the Parks. Today, the Gateways management heard from President C. C. Gillespie of the M.P.B.A.A.U. of C. that Davis' amateur status had been established in 1932 and that he was a bona fide amateur.

## NEWCASTLE TEAM LOSE TO SUMMERSIDE

### Western Capital Nine Even Up Intermediate Series With a 7-4 Victory.

NEWCASTLE (Special to The Guardian)  
SUMMERSIDE, Sept. 27.—At the Summerside baseball diamond yesterday afternoon the Summerside A. A. won the second of a series of games for the intermediate championship of New Brunswick and Prince Edward Island, defeating the Newcastle Imperials 7 to 4.

Garnering five runs in the second inning the locals played airtight ball behind the hurling of "Pony" Daley and held the Imperials scoreless until the sixth inning. The losers gained one run in the sixth and came through to a strong finish with three in the ninth.

It would be unfair to try and pick any outstanding performer in this game but credit must be given Harris and Daley who both pitched exceptionally fine ball and also to Dope Daley who in addition to playing a fine game behind the bat knocked out a home run in the fifth. The series is now tied, with each team having one win and the third and deciding game will be played today at one p. m. in Summerside. The Summerside A. A. wish to take this opportunity of expressing their thanks to Mr. Ed Acorn, of Charlottetown and others who attended to the details around the diamond.

The following are the lineups:  
Imperials—Harris, pitcher; Ferguson, catcher; Taylor, 1st base; Craig, 2nd base; Hardley, 3rd base; Geakie, short stop; Kitchen, left field; B. White, centre field; P. White, right field.  
Summerside A. A. — R. Daley, pitcher; F. Daley, catcher; Crossman, 1st base; Schurman, 2nd base; Phillips, 3rd base; Ward, short stop; Millman, left field; Pritchard, centre field; Benard, right field.  
Umpires—At the plate, Wade; on the bases, McMurdo and McLeod.

## MOHAWKS LOSE GAME TO SYDNEY MINE

(Canadian Press)  
SYDNEY, N. S., Sept. 27.—Touching Thorburn Mohawks pitching for 19 hits, Christ Church nine of Sydney today took the first game of the Nova Scotia football finals by a 10-3 score.  
Gordon Gerard, on the mound for the winners, held the visitors scoreless eight innings and struck out 12 men. McKay of Thorburn had four strikeouts.

## Exciting Battle Won By Loughran

### Veteran Philadelphia Boxer Gets Close Decision Over Sharkey In 15-Round Battle—Ex-Champ Suffers Knockdown In Tenth.

(By Edward J. Neil, Associated Press Sports Writer)

BAKER FIELD, Philadelphia, Sept. 27.—The revenge that Tommy Loughran has lived for through four troublesome years came sweetly to him tonight as he jabbed out a 15-round decision over fading Jack Sharkey, and even managed to batter to the floor the man who knocked him out in three rounds in 1929.

Crowd Stunned By Knockdown

Before a home crowd of no more than 10,000 making up what it lacked in numbers by lusty vocal effort, the fleet Philadelphia courageously stood up under a terrific body bombardment, boxed his way out of one trying moment after another, and then stunned the gathering by dropping Sharkey to his knees in the 10th with a right hand smash to the chin.

Punch Gives Loughran Decision

In fact it was this amazing punch, probably the hardest a Loughran fanned for anything but his hitting, ever delivered that gave Tommy the decision. The two judges, Al Voice and Herman Weingert, were divided in their opinions, the first voting for Sharkey, the second for Loughran. Referee "Spud" Murphy scored the rounds evenly, giving Loughran six, Sharkey six, and calling three even, but his deciding vote was for Loughran because of the knockdown.

It was a far more thrilling duel than their first meeting in the Yankee Stadium four years ago, when a chance at the heavyweight championship hung in the balance. A punching fury that night, Sharkey caught Loughran in a corner in the third round and felled him with an overhand right to the temple. Tommy went down, came up at five, and wandered aimlessly about the ring seeking a chair. Lou Magnolia, the referee, halted that one right there.  
But tonight a 31-year-old Loughran had the guile to evade an identical punch in almost the same moment of the same round in the corresponding corner, the endurance to stand up under Sharkey's terrific body battering, and the courage to keep going after the sailor's first real punch, a left hook to the head, opened a gash in his right eyebrow.

## FREDERICTON TEAM NOT TO ENTER M.H.L.

FREDERICTON, Sept. 27.—The Capital Hockey Club in session here tonight decided to enter a league similar to that which embraced Sussex, Saint John and Fredericton last year, if formation of such a circuit is possible this winter. It has been suggested that Saint John, Edmundston, and possibly an entry from Newcastle and Chatham combined would comprise the loop, a Miramichi sextet being eager to enter.

According to the discussion tonight it was thought inadvisable by those present to attempt to compete in the Maritime major hockey this year. A number of prominent men from whom support had been expected and at whose suggestion the meeting was called, failed to attend.

A special committee was appointed, consisting of the vice-president of the club, P. A. Gerow, Alderman C. Hedley Forbes and Harold Limerick to solicit subscriptions. Mr. Forbes and J. Hazen Flemming were named additional members of the club directorate.

The president, F. S. Mundle, conducted the meeting. Bryce M. Love is club secretary-treasurer.

## LEITHAM WINS BOUT

FORUM, Montreal, Sept. 27.—(C.P.)—Bobby Leitham, Verdun, Que., holder of the Canadian bantamweight title, tonight won a decision victory over midjet Wolgast, recognized as world's flyweight titleholder by the New York State Boxing Commission. Leitham weighed 147 1-4 and Wolgast 115. They went ten rounds.

## MUST MEET ABEGWEITS BY OCTOBER 7TH

(Canadian Press)  
MONCTON, N. B., Sept. 27.—In an interview with C. C. Gillespie of this city today, the president of the M. P. B. A. U. of C., speaking in regards to the Maritime baseball playdowns, and particularly those of Nova Scotia, stated that the Nova Scotia champs must be ready to meet Island champions by Saturday Oct. 7. Failure to decide titlist by this date means that Nova Scotia will not be included in the Maritime finals.

## NOVA SCOTIA JUNIORS WIN FROM MICHMAGS

(Canadian Press)  
SPRINGHILL, Sept. 27.—Junior champions of Nova Scotia, Springhill Red Sox, advanced a notch towards the Maritime crown today by handing out a 6-2 defeat to Moncton Micmacs, Junior New Brunswick titlists, in the first game of their series.

Red Sox batsmen found Cormier for 10 hits and connected for two safeties off Bellevue, who replaced Cormier in the eighth. Dinky McLeod held the Moncton nine to four scattered hits, including two singles that netted a run in the sixth frame. The other Micmac score came in the eighth, when second-baseman A. LeBlanc walked, stole second and came home on a wild throw to third.

most of the important towns in the Island.  
The protests were aimed at a recent decree of the President which compelled all practising physicians in Cuba to become members of the National Medical Federation. The decree would have the effect of forcing the Spanish societies to meet certain demands of federated physicians, particularly with regard to the fees to be charged members of the societies for medical service.

Street car and motor traffic was held to a standstill. A heavy guard of infantry went on guard in the Capital.  
Matanzas was a sore spot in the network of labor disturbances, and all mills and subsidiaries of the Hershey Company in Havana and Matanzas Provinces were closed.  
The Hershey Electric Railway between Havana and Matanzas was not running, nor were mills at the towns of San Antonio, Jesus Maria, Carmen, San Juan, Porvenir, Hershey and Rosario.

## RAINVILLE TO TAKE PART IN HALIFAX MEET

### Four Upper Canadian Tennis Stars Meet Nova Scotians in Exhibition Tourney.

HALIFAX, Sept. 27.—(C.P.)—Marcel Rainville, Canada's first ranking tennis star, and three other expert raquet welders from Upper Canada will be seen in action here this week against the pick of Nova Scotian players.

Laird Watt, Bob Murray and Ronald Longton arrived here tonight from Montreal, ready for the opening of the exhibition tournament tomorrow, and Rainville is expected tomorrow night.

The Nova Scotia line-up includes Douglas Grant, Bev Piers, Harry Roper and Milton Musgrave, Halifax, and Hon. Peter Atken, son of Lord Beaverbrook, who now halls from Liverpool, N. S.

Tomorrow's schedule pits Grant against Murray, Atken against Longton and Piers against Watt, in the singles; Roper and Piers against Watt and Murray, in the men's doubles; and Grant and Miss M. Currie against Longton and Mrs. F. V. Woodbury in the mixed doubles. There are no ladies with the visiting party, so Halifax players are teaming with them for the mixed events.

## MARITIME

(Continued from page 3)

by Miss E. B. MacCurdy:  
Though the distribution of literature among our auxiliaries was not by any means all that we wished and the sales were comparatively very small, a fairly large amount of reading matter has been put in circulation.

The "fact sheets" in connection with the fund to remove the deficit, which were sent to all auxiliaries, contained much information about the work of our church and must have proved useful. The special mite-boxes too, sent to every Mission Band, must have been helpful as a reminder, and we hope, brought in a good deal of extra money.

Early in the summer letters were written to all Presbyterians suggesting having literature for sale at their annual meetings and I have heard from five of these that this was done and quite a fair quantity was sold, amounting in all to something over \$25.00 worth. Saint John and Miramichi, Truro and Wallace, Halifax with Sydney leading in the amount sold, sent reports. Through a misunderstanding, Prince Edward Island did not get a supply this year, though they intended to, and Pictou Presbyterian had another plan which we hope to hear more about. Here I wish to thank the ladies who this year and last also undertook this work and wrote me such kind letters showing the greatest optimism and hoping for a deeper realization of the importance of it to us all. It is worth much to have this hearty co-operation. Each letter indicates that helps for Mission Bands are wanted everywhere, also leaflets, the larger books being found rather expensive. In making my list for this meeting, I made selections from those used in the Presbyterials, hoping that many of them may be found to meet the wants of our members.

For this year's work auxiliaries have the second part of Seven Seas of Service, price 35 cents. The supplementary reading suggested should prove helpful.  
For the girls and young women the book suggested is "If I Lived in India," by M. L. Christlieb, for which Mrs. Ballantyne has prepared a small study guide based on the different chapters. The book and guide sell for 35 cents.  
The new book for Mission Bands is called "Flowers in Far Fields," and is prepared for two years' use. It has stories of children in Canada and other lands, tells what they wear and eat and how they live, and also tells about the missionaries who are trying to help them. With this also there are suggestions for the leaders at the end of each chapter besides other helps. The price is 35 cents including a prayer card with each copy. During the year we have supplied the Home Helpers Depart-

ment with membership cards, etc., to some small extent. Altogether, with Miss MacGregor's work in circulating pamphlets, etc., in her goings to and fro, we feel that more literature has been made available.  
Respectfully submitted,  
E. B. MACCURDY.

CO-OPERATIVE MEETING — Messrs. Hills, of the Live Stock Shipping Club, Boulter and Peppin will speak in Searletown this, Thursday, evening. 1437

AUTOPSY PERFORMED — An autopsy performed on the body of Roger Westaway, who died at Low-er Montague on Sept. 5, which was completed at the Pathological Institute at Halifax, disclosed the cause of death to be bilateral lobar pneumonia.

MISCELLANEOUS SHOWER — On Thursday evening, Sept. 21st, a number of friends of Miss Pearl Johnson tendered her a miscellaneous shower at the home of Mrs. W. E. Burke, Upper Hillsboro St. Many pretty gifts of silverware, china, glassware and linen, etc., were received by the bride-to-be with best wishes for her future happiness. Dainty refreshments were served, and a very pleasant evening much enjoyed by all present brought to a close.

ISLANDER DEAD—Mr. David Livingston, of this city, has received a telegram stating that his brother, John, had passed away at Cambridge, Mass., Tuesday. The late Mr. Livingston was in his 82nd year. He was born at Nine Mile Creek, the son of the late Allan Livingston, and has been a resident of the United States for about forty years. He leaves a widow and family to mourn. This is the third member of the family who has been called away within the past fourteen months. The first was Mr. Allan Livingston, who died at Canoe Cove in August 1932, and the next was his brother, Alexander, the well known confectioner, who died in Charlottetown the 27th of August, 1933. Of a family of nine sons and three daughters, there now remains only Mr. David Livingston of this city.

CHAPPELL & CO.—The newly remodelled electric store now occupied by Chappell & Co. at 173 Grafton St., this city, which was formerly part of Palmer Electric Ltd., is worthwhile visiting. Here can be seen all kinds of up-to-date electric fixtures, vacuum cleaners, washing machines, or in fact most any kind of an electrical appliance necessary for the comfort of the home. This enterprising firm also have a staff of licensed electricians and will be glad to give estimates on electrical work at any time. The management extends a cordial invitation to the people of this province to visit their store, and whether you purchase or not, you will be made welcome. Chappell & Co.'s store will compare favorably with any electrical store in the Maritime Provinces.

## 5-GAME SERIES TO DECIDE N.S. TITLISTS

### Springhill-Halifax Series Starts Today in Mining Town.

HALIFAX, Sept. 27.—(C.P.)—It's to be a five-game series between Halifax Willow Parks and Springhill Fencebusters for the Nova Scotia baseball crown. By mutual agreement, the original decision calling for three games has been altered in favor of the longer series.

It will open tomorrow afternoon at Springhill. The second game will be played there also, and then the teams will return to Halifax for the next two games of the series. The fifth match, if necessary, will probably be played on neutral territory. Parks were confident tonight of their ability to take the measure of the slugging Fencebusters. Their way to the finals had been over a hard route. A maze of protests and counter-protests wound up yesterday over Yarmouth-Gateways in a sudden death game at Middleton. Previously, Gateways had been awarded the semi-final series and had played two games of the final against Springhill, but a ruling of President C. C. Gillespie of the M. P. B. A. U. of C. sent Gateways back into the semi-finals, and they lost to Halifax.

## Close Finishes At Port Elgin Races

PORT ELGIN, N. B., Sept. 27.—(C.P.)—Before a large gallery the horse races at Westmorland Agricultural Society's annual fair here today were closely contested, although the entries were smaller than usual at this yearly event. Sparkle, owned by Frank Adams, Halifax, won the Free-For-All, while Kelley, owned by John Ferguson, Oxford, N. S. captured the 230 class.

Following is the summary:  
FREE-FOR-ALL  
Sparkle, Frank Adams, Halifax ..... 2 1 1 1  
Baretta Aubrey, Alfred Wortman, Shediac ..... 1 3 4 4  
Rose Waltz, Frank

## FINE CAR LOT OF DAIRY COWS FOR NFL'D.

What is possibly the best car lot of mature dairy cows ever to leave the Province is going forward today for Grand Falls, Newfoundland, in charge of Mr. E. Powley, representing the Anglo-Newfoundland Development Co. Mr. Powley has been here for the past three days making a selection in co-operation with Mr. W. R. Shaw, Live-stock Superintendent, and Mr. H. J. Kennedy, Southport.

The cows comprising the shipment were selected at various points throughout the Province and had to reach a high standard of dairy excellence, as regards both type and production qualities.

They are chiefly of the Ayrshire breed, with a few Holsteins and Guernseys making up the remainder. They are intended for the large farm operated by the Anglo-Newfoundland Development Co. With material of this kind being selected for this particular market, entire satisfaction should be assured the purchasers.

Island farmers may find a good lesson in noting the class of cattle which this company requires, and fully realize that it pays to breed and develop the very best class of dairy cows, which under almost any conditions find a ready market. Breeders here wish Mr. Powley and his company every success with this excellent shipment, and trust to maintain the business connections in Grand Falls.
