As a family medicine Dr. Chase's Kidney-Liver pill is of inestimable value.

RELIABLE DENTISTRY AT THE LOWEST PRICES

PLATES—Our plates are the best made from non-mercurial English rubber, and will not irritate the most sensitive mouth. The teeth look as if they grew there. All our plates have a double suction and will always stay up; they cannot drop down. We pay particular attention to building out sunken cheeks and restoring lost expression.

CROWNS AND BRIDGES—We do this work in all its forms. Our gold crowns and bridges are made from 22 K Gold, and will not tarnish. They are so near an approach to the natural teeth that you do not realize that they are in your mouth.

FILLINGS—Filling teeth properly is saving teeth permanently. Good material with good workmanship means good fillings.

EXTRACTING—Teeth extracted positively without pain by a simple application to the gums. No COCAINE OR INJURIOUS DRUGS USED.

If you want dental work done call and see us. Consultation and Examination Free. Our Prices are the Lowest. We give you a written guarantee to do your work satisfactorily and keep it in repair FREE OF CHARGE for ten years.
