ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal

WHEN You want a Team Get a Good One

The pleasure of a nice drive, largely depends on the rig.

It has always been our motto "To keep the Best." You will not be disappointed at this Livery. Prices satisfactory. Personal attention.
