"A FOREIGN AFFAIR" IS FUNNY LOVE AFFAIR

"A Foreign Affair", which arrived today at the Prince Edward Theatre, is a laugh-and-love affair in riotous proportions. Produced by Billy Wilder, the Paramount comedy about life among the American Occupation forces in post-war Berlin is highly original and entertaining.

Starring Jean Arthur, Marlene Dietrich and John Lund, it tells of an over-zealous Congressman (Miss Arthur), who arrives in Berlin with a committee to investigate the status of G. I. morale. Her suspicions aroused by the open fraternizing with frauleins, Jean pretends she is a German girl and learns that the glamorous ex-Nazi night club star, Miss Dietrich, is now under the protection of an American officer.

The shocked committeewoman decides to track the man down and expose him. She is given the assistance of Captain John Fringle (John Lund), assigned to her by Colonel Plummer (Millard Mitchell). The Captain is, of course, the officer she seeks, and he does everything in his power to stymie her investigation, including the waging of a campaign for her love.

Marlene, however, uses a few tricks to break up Jean's romance, the little Washingtonian, wants to break away from Marlene, the singer's Nazi boy friend out of hating. Things happen fast and furiously when the jealous Nazi emerges, all of them satisfactory not only to the Colonel, Jean and Lund — but also to the audience as well.

Backgrounds for the film were actually shot in Berlin and the sight of the bombed-out city is very interesting.

Miss Dietrich, more glamorous than ever, sings three torchy songs as only she can — "Illusions", "The Ruins of Berlin" and "Black Market".

All in all "A Foreign Affair" is definitely a movie to make your affair.

After a four year absence, a welcome visitor to the Island is Mr. George Mallet from Forestburg, Alta. Mr. Mallet is accompanied by his daughter Mrs. Viola Price. Mr. Mallet's former home was in York, P. E. I., where he intends to spend two or three months with his brother Ben, and sisters Mrs. Chappell and Mrs. Vessey. For a few days Mr. Mallet and his daughter visited in Montague with his niece, Mrs. Lorie Wigginton.

*Special Christmas music under the direction of the choir leader, Mr. J. Elmer Dunning, was presented by the choir of St. Andrew's Presbyterian Church, Montague on Sunday evening. Mrs. A. F. Campbell presided at the organ. The members of the choir entered the church through the main door and made a zig-zag picture as they moved towards their respective places in the choir loft, singing, "O Come All Ye Faithful." A duet "O Holy Night" was beautifully rendered by Mrs. F. N. Young and Mr. Dunning. Two anthems sung by the choir were "Credo and Worship" (Lorne) and "What Child is This" (Traditional English tune "Green-sleeves"). For closing the choir sang the lovely Christmas lullaby "Sleep Little Jesus" (Randy). For his Christmas message the Pastor, Rev. P. N. Young, took for his text "The Song of Christmas." The Church was beautifully decorated for the festive season by members of the Young People's Society.

A special meeting of the Montague hockey club was held in the dressing room on Thursday evening with the President, Cecil Beck, presiding. In the absence of the Secretary, Major MacGowan recorded the minutes. Mr. Bryer Llewellyn, representative to the Southern Kings League reported the proceedings of the last meeting at which the case was brought forward. Mr. Llewellyn asked the meeting to make a decision on the question, and the matter was left in the hands of coach D. MacGowan, who decided in favor of playing league games under specified conditions. He also stated that no playoff games, whether Southern Kings or Intermediate would be played there. This decision met with the approval of the players. Following the meeting the players were given a blackboard lecture on the rules of the game by the referee, Mr. Austin Fraser, who attended the course for referees and coaches given at Charlottetown in December. It is now fairly certain that the League will be composed of three teams, and the fans will be glad to have this result for only two teams do not give the spectators the required variation. The schedule is set for Jan. 3rd., but owing to the mild weather, it is expected that the first game will not take place until a later date.

On Wednesday afternoon Mr. John Gay was host to a number of friends in the club room of the Annear and Lowrey Stables in Montague. The A. & L. clubroom members enjoy a coffee hour each afternoon and this has become quite an hour where horses are privately discussed. Those who enjoyed the tasty coffee and pleasant atmosphere of the clubroom were Messrs. W. Garrick, J. Annear, A. Lowrey, Stewart Dewar and J. Storey. On the same afternoon, after enjoying a sleigh ride with one of Mr. Gay's horses, Miss Edith Clay and Miss Shirley MacSwain joined the above group with coffee. Much credit goes to Mr. Gay in the way he keeps the A. & L. Clubroom, and the interest shown to those who like to call at the stable and look over some thirteen horses, six of which are owned by Mr. Gay.

The quick work of Messrs. Maurice Dolron and Lloyd Higginbotham saved some thirty smelt nets from a total loss following the unseasonable rainy weather on Friday night. A few days previous children had been skating on the river, and the fishermen had been setting their nets through the ice, but on Saturday morning there was not one cake of ice in the river to be seen, and most of the nets had gone with the ice. However, Messrs. Dolron and Higginbotham were successful in saving their nets, which otherwise would have been a considerable loss. Even oldersters do not recall such a January 1st. with such spring weather. Indeed many went walking on the seashore and railroad which is most unusual at this date. Unfortunately hockey games and curling scheduled to begin on New Year's Day had to be postponed because of the ice. Several members, however, were present at Charlottetown to play the Scottish curlers on Saturday evening.

On Wednesday, December 29th., the Southern Kings Hockey League held a special meeting at the Armouries with the President, Major John A. MacDonald, presiding. The minutes of the previous meeting were read by the Secretary, Mr. Waldron Lavers, which were adopted. Representatives included Ben MacLure, Bryer Llewellyn, and Ronald MacDonald; Frank MacFarlane, Willie Harris and Silas MacKay; Elmer Jeffery, Walter MacLean, and J. McConnell. The first item on the agenda was a discussion on whether or not League games would be played in Georgetown. The case and admirably presented by Mr. Waldron Lavers, who stressed the fact that they were putting forth every effort to raise sufficient capital to erect a new rink next year and that unless League games were played in Georgetown, this year it would be quite likely that the following of the fans would diminish. Moreover, he said that every effort would be put forth to make conditions in the rink this year as good as possible so that visiting teams would be comfortable. Murray Harbour and

The Swedish ship S. S. Sommen of Helsingborg, Sweden, which arrived at port on Thursday, December 30th., after having discharged a cargo of sugar at Saint John, N. B., commenced loading operations on Friday. The Associated Shippers Incorporated are planning to fit two thousand one hundred bags of seed potatoes on board for Havana, Cuba. The first and possibly the only ship to load here this fall, she is one of the most modern and well equipped to enter our harbour. Only four years old, diesel driven and electrically operated throughout, her engines and superstructure are located at the stern end of the ship, leaving an exceptionally large cargo space, patterned somewhat on the style of our grain-carrying lake boats. Despite inclement weather work has continued for part of each day over the week end and loading is well advanced.

Montague were asked to reconsider their decision, which was forthwith accepted. The representatives of these teams will contact their own members, and the final decision will be given to the President of the League. It is expected that a favorable reply will be forthcoming so that there will remain a three-team loop in the League. It was also suggested that each team provide a responsible goal judge and timer together with a referee and linesman. It was decided that the referees and linesmen should get together before each game as to go over the rules of the game and that there would be agreement in all decisions on the ice. There being no further business the meeting adjourned.

POTENTIAL POWER

The longshoremen of Georgetown met in Kory's Hall on Thursday evening to discuss wages for loading potato boats. At a previous meeting the organization had adopted and forwarded to the ships agents a scale of wages which was 75c per hour and time and a half or \$1.12 per hour for overtime. On Friday the agents submitted to the secretary their wage scale which was 75c per hour for daytime work; 85c per hour at night and \$1.12 per hour for Sundays and holidays. A lengthy discussion on various wage scales took place and motions in support of all were placed before the meeting. At one time during the meeting a straight 85c per hour was adopted, on a standing vote, but later on a motion setting the wages at a vote in which only tax payers were allowed to vote, the first scale of 75c per hour and time and a half or \$1.12 for overtime was adopted by a 24-19 vote.
