CONVALESCENT SOLDIER'S FUND.—The generous act of the Rotarians in donating a gramophone and a dozen records to the Convalescent Home is greatly appreciated by the officers of the staff and the nursing sisters as well as by the soldiers for whose benefit it was presented. This will greatly relieve the burden upon the fund elsewhere acknowledged in this issue and which, although growing, is not yet sufficiently large to undertake any extensive purchasing. The fund, however, which will be placed in the hands of the Matron, will be used as required for such means of entertainment as the soldier patient may need. For the present, while all the patients are on the first floor one gramophone will suffice and part of the fund on hand will be used in providing additional records while any further donations of this nature will be appreciated.

DEBATING SOCIETY.—The debate held on Monday evening November 18th by St. Dunstan's Senior Debating Society was one which proved most interesting for all present. The subject discussed by the debaters involved many subtle questions concerning two of the most popular forms of Government, the resolution being "Resolved that" from the peoples stand point the Limited Monarchy is a more beneficial form of Government than the Republic. The two leaders, who were most capable for such a task, won the admiration of the Society for the manner in which they treated such an abstruse subject. Mr. M. E. Francis was leader of the pro side while Mr. M. McQuaid was leader of the con side. The resolution was carried. In the absence of Father Poirer Rev. Father McGuigan acted as moderator and his remarks at the close of the debate were most instructive and impressive, a vote of thanks was rendered him after which the meeting adjourned.

LONDON, Nov. 19.—The demobilization of the Canadian army is an enormous undertaking. It includes immediately the returning to Canada of over 50,000 dependents, women and children of Canadian soldiers. Three thousand widows who never saw Canada will draw pensions from the Canadian government. It is optional with them to journey to Canada but other dependents of Canadian soldiers must return as ordered.
