—TOMMY MURPHY BUYS TWO WESTERN STARS.—Thomas W. Murphy, the Ploughskeeper, N. Y. reinsman, last week purchased two of the best western trotters in sight for next year's campaign. The first of these is the bay stallion Constantine the Great 2.06 1/4, by Azoff 2. 21 3/4, son of Peter the Great 4. 2.07 1/4; dam Cyncie, by Nutwood 2.18 1/4, the vendors being his breeder, L. P. Sutter, Delavan, 111, and Alva Turner, of Indianapolis, Ind. the latter being the brother of the horse's trainer, Levi Turner, the well-known reinsman of the same Indiana city. Constantine the Great was one of the speed sensations of the fall. He is six years old and eligible to the 2.21 class, having taken his record of 2.06 1/4 against time at the late Lexington meeting. Murphy tried the horse out slightly at the time, and opened negotiations for his purchase. The price has not been officially stated, but it is known to have been large. Constantine the Great is considered one of the fastest and best gated young trotters of extreme speed uncovered in 1918, and there is reason to expect that he will make a Grand Circuit star. The second of Murphy's purchases is the four old filly Ruby Aubrey 2.13 1/4, by Captain Aubrey 2.07 1/4, son of Peter the Great; dam Ruby Panic, by Panic, Jr., 1.73 1/4. She was acquired through her trainer, Charles Hardie of Des Moines, Ia., in whose hands she attracted wide attention in the west the past season, winning ten races without defeat. She showed she could trot a half mile track in 2.10 or better, and was picked by several critics as the most promising filly developed on the trans-Mississippi minors. The price paid is private, but was a very profitable one.—Horse Review.—R.

—MINISTER'S FAREWELL.—The Baptist Church, Summerside was crowded to the door on Sunday evening when the Rev. Mr. Wheeler preached his farewell sermon before he departed for England. He chose for his subject "What Think ye of Christ." At the close of the discourse the Rev. Mr. Wheeler took the opportunity of thanking all those many friends who had extended such exceeding kindness to him. He mentioned that his two years residence Summerside were two of the happiest years which he had spent whilst in the ministry. That though two thousand five hundred miles of ocean would rob between himself and friends in Summerside, his earnest prayers would always be for their spiritual welfare. He left with them as a farewell message the words of St. Peter's Gospel, "and I commend thee unto the Lord," Miss Gwladys Bell rendered two solos "The Better Land," and "Jesus is Calling" while the Rev. Mr. Wheeler at the special request of the members of the congregation sang "The Holy City." His friends wish the Rev. Mr. and Mrs. Wheeler a safe and pleasant voyage and every happiness in their new home, feeling at the same time, that Summerside will lose some of its most valued and honored friends.

—KENSINGTON presented quite a lively appearance on Wednesday morning, there being quite a number of farmers in town disposing of their live hogs; the air resounded with their squeals and groans, while being transferred from sleighs to cars, the buyers, Messrs. Jas. Gillis, D. Moase, John Whitehead and Alden Moase, taking in 150 hogs, for which 21 cents was paid.

—FUNERAL SERVICES.—The funeral of the late Mr. William Walker who passed away in Summerside, on Friday morning took place from the residence of Mr. W. H. Cannon on Sunday afternoon to the People's cemetery. The pallbearers were Messrs. Thos. Carruthers, Henry Walker, David Walker, Bruce Curtis, Wm. Schurman and John Curtis. Rev. Mr. Mitchell officiated. The late Mr. Walker was 80 years of age a man of fine character and very highly respected by all. He spent eighteen years in California and arrived home a year ago to spend the remainder of his days. He is survived by one daughter Miss Carrie Walker, of Nova Scotia and two sons Messrs. KINGSTON, Jamaica March 22—Jamaica is about to issue a new postage stamp. It will represent a value of a penny-halfpenny (three cents), and the governor, Sir Leslie Probyn K.C. M.G. has directed that the design shall be a picture showing the first war contingent from Jamaica embarking to cross to England. This is the contingent which so distinguished itself in the Palestine fighting. It was a unit in General Allenby's victorious army, and was especially praised for its gallantry in a bayonet charge and for its marching powers. The war contingent was recruited while Sir William Henry Manning K.C.M.G., C.B., was governor of Jamaica. It was under him also that, among other extra war-taxes, the internal postage here was raised from one penny (two cents) to a penny-halfpenny. No special issue, however, was made at first, though later a penny-halfpenny stamp was produced with the King's head. The new stamp will probably be ready for use in September this year. "You'd better marry me. Eligible men are scarce." "I suppose I could offer that as an explanation," said the girl reflectively. ARE YOU NERVOUS? ARE YOU PLAYED OUT?
