

THE SUMMERSIDE GUARDIAN

Office—Upstairs Brace Brick Block—J. B. C. Baker, Mgr.

FRED DAVIDSON, and family, Bedeque, leave about the 20th for Winnipeg where they propose locating. They will be greatly missed by their many friends and the public generally.

A large attendance is hoped for at the adjourned meeting of the Summerside Improvement and Tourist Association in the Council Chamber this evening. All interested in the welfare of the town should make it a point to be present.

Mrs. Jas. Smith died April 8th at the home of her daughter, Mrs. Daniel Noonan, Bedeque. Her husband died some years ago. She leaves to know four sons and three daughters. Her funeral was held Monday morning at 7 o'clock and the remains were laid beside those of her late husband in Kinkora.

McGILL results in Practical Chemistry show the following:—Passed with honours: R. A. Donahoe, Rosemeath; W. P. McBride, Central Bedeque; J. W. Arbuckle, Summerside; Geo. C. Reid, B. A., Summerside; R. H. McDonald, North Bedeque; Edwin T. Tanton, St. Eleanors, Pesse; J. P. McGrath, Tignish; William J. P. McMillan, Clermont.

Many citizens will be pleased to know that in the recent examinations at McGill Stewart McArthur stands at the head of the honor list, being equal with A. W. Hunter. Clarence O. McArthur has also passed very creditably in third year medicine. Both these young men are sons of John McArthur of this town. The name of another Summerside boy, Wm. Arbuckle, appears in the honor list in the Chemistry examinations.

A young lad named McDougall had a narrow escape from drowning in the harbor in front of the Railway Station about 4.15 yesterday afternoon. He was running on cakes of ice with some other boys and ventured where the water was too deep to take chances of going through. He went through but luckily had on to some thin ice about him with a firm and determined grip until rescuers went out with a small boat and pulled him out of his perilous position. For several minutes while he was clinging to the ice with only his head showing above water, about one hundred people along the waterfront watched the rescuers who came just in the nick of time, and while the little fellow cried for them to hurry up, that he was not able to hold on much longer. The boy is about nine years of age and the water where he went through was about 5 ft. deep.

S. O. E. Hanover Lodge meets tonight. Every member should attend as the meeting will be an important one.

The firm of Dobson & Manson, proprietors of the Steam Laundry have dissolved partnership. The laundry will henceforth be conducted under the old name by John Dobson. Mr. Manson leaves shortly for Denver, Colorado where he intends to locate. The Summerside people and many of his friends throughout the County will regret to learn of Mr. Manson's departure. He was widely known and extremely popular.—Patriot.

D. K. Currie has resigned from the editorship of The Pioneer and Farmer to accept a position with the Great West Life Assurance Company as special agent for the Province, to take effect on May 1st. The resignation was reluctantly accepted at a meeting of the Directors yesterday. Mr. Currie has been Editor of The Pioneer and Farmer for nearly five years and has given the utmost satisfaction both to the Company and the many patrons of the paper. The relationship between Mr. Currie and the Company has always been of the most cordial kind and his resignation came as a great surprise. It is accounted for however by the fact that the inducements offered him are such that the Company could not in justice to him refuse to accept his resignation. With the Press fraternity Mr. Currie has ever been held in the highest esteem and his retirement will be a distinct loss to newspaperdom. He will be succeeded in the editorial chair by R. H. Campbell, Principal of the Summerside High School. The Guardian wishes Mr. Currie every prosperity in his new work and bespeaks for Mr. Campbell a successful newspaper career.

HER SKIN WAS YELLOW. "I had only to try Dr. Hamilton's Pills to appreciate their merit" writes Miss Annie S. Bryce of Woodstock. "My system was out of order. My blood was weak and thin. I had a nasty, murky complexion. My skin was hard and dry. The first box of Dr. Hamilton's Pills made a complete change. I felt better at once. Healthy color came into my face. In about three weeks I was cured." Dr. Hamilton's Pills effect an easy cure. Try these good pills, 25c. per box, or five boxes for \$1.00, at all dealers.

PROVED IN MOUNT FOREST.

Every doctor in this town tried his best to relieve Mrs. J. Withom of Asthma; none succeeded. "For years," she states, "I was a dreadful sufferer; nothing gave me relief. At times I found it necessary to have all the doors and windows open to get my breath. When in despair I heard of 'Catarhazone,' I used it and now am perfectly cured." This proves beyond doubt that any case of Asthma is curable with Catarhazone. No remedy so pleasant, none so absolutely certain to thoroughly cure; try "Catarhazone" yourself; it's guaranteed.
