The End Is Near!!

Only 11 Days Left and We Must Close Our Doors

Before October 25th we must sell every article in the Entire Store.

Less than two weeks remain to sell out everything in the store. Every article marked for immediate clearance.

Everything—from cellar to roof—wall to wall—all must go. Every article sacrificed that remains within the four bare walls.

Prices are lower than prices have ever been on good clothing and furnishings before in this section of the country.

The Harvest to be reaped is too important to forget.

Therefore we would suggest you make immediate plans to attend this FINAL CLOSE OUT. Its Final, Positive and Complete.

BRINGING UP FATHER

F-M. Stationary Diesel Engines

For isolated power plants where electric power is not available, and for standby service, Fairbanks-Morse Diesel Engines have proven thoroughly dependable and remarkably low in power, operation and maintenance costs. In mine, mill, grain elevator, railway yard, town and city light, power and pumping plants, in countless instances they are giving entire satisfaction using cheap low grade fuel oils. They are made on the 2 cycle principle in a wide range of sizes from 25 to 1,200 H.P.

In the service of industry

Yale Hoists and Trucks

For practically every job of lifting and moving material—raw, in process or completed—there's a Yale Unit that will do the work quickly, easily and safely. There are many Yale Hoists both hand and electric powered, Yale overhead trolleys carry big loads quietly and easily, and Yale Electric Trucks and Trailers are quick to transfer material. Yale margins of safety are unusual, and Yale controls are simple, safe and easy to operate. Let us study your material moving problems—in many cases our engineers have made real savings with Yale equipment.

Norton Grinding Wheels

For quickly removing metal, for cutting off, for producing a high finish on any material, for any service where grinding wheels can be used, you will find a Norton Wheel that will cut quicker, or produce a higher finish, or turn out more pieces at a lower cost. Norton Wheels are carried in stock at all branches and at your service are men who have made a study of removing metal by grinding. They will tell you the right wheel to produce the most work at the lowest cost.

Automotive Supplies

In our Automotive Departments we carry large and varied stocks of supplies, replacement parts and garage equipment. Garages, Repair Shops and owners of Bus and Truck fleets are assured of an excellent service in parts and supplies, such as Spark Plugs, Chains, Fire Extinguishers, Wrench Sets, Brake Linings, Pistons, Rings, Gaskets, Bearings, Ignition and Battery Cable, Gaskets, Carburetors, Alemite Fittings, etc., as well as complete equipment for repairs and maintenance, including Cranes, Tire Changers, Presses, Spraying Outfits, Hoists, Test Stands, Air Compressors, etc.

Transmission Equipment

To ensure the steady and economical flow of power from drive to machine, proper shafting, hangers, bearings, pulleys and belts are essential, and here you will find Graton & Knight Leather and Dick's Balata Belting, Fairbanks Wood Pulleys, Barry Steel Split Pulleys, Hyatt Roller Bearings, as well as the numerous appliances necessary for the transmission of power.

atoes for the Cuban market. Another large steamer is expected today. All these boats are carrying potatoes for the Harris Abattoir Co., to the Cuban market. Mr. G. H. Buntain of Charlottetown, is in charge of the loading. Two schooners, one from Richibucto, Captain Watson and one from Miramichi, Captain Anderson, are at Read's Wharf with lumber for Messrs. Schurman and Co.—S.

—DEATH OF MRS. WILLIAM ADAMS—There passed away suddenly at her home in Miscouche, Mrs. William Adams, at the age of 59 years. The deceased was a life-long resident of Miscouche, her maiden name being Miss Laura Campbell. She was very highly thought of in the district and was an untiring worker of the United Church at Lot 16. Mrs. Adams was president of the W. M. S., leader in the Sunday School and other church activities. She will be very much missed by her fellow church workers. Her husband only is left to mourn, there being no family, and to whom sincere sympathy is expressed. The funeral was held from her home to the United Church at Lot 16 on Saturday afternoon, Rev. Mr. Aitken officiating, and was very largely attended. There were many beautiful floral tributes. The pall bearers were Messrs. W. H. McGregor, Major T. H. E. En-

man, J. G. McLean, Percy Miller and Edward Lockhart all of Lot 16 and T. M. Linkletter, of Summerside. Interment was in the burial ground at Lot 16.—S.
