"I Avoided an Operation Appendicitis Disappeared"

Mrs. James Wells, Udon, Ont., writes: "I took a severe pain in my right side. It was very bad at times. I tried oils and tablets without gaining any relief. The doctor pronounced it chronic appendicitis. I dreaded an operation and a friend advised Dr. Chase's Kidney-Liver Pills. I used them and not only obtained relief from pain, but I believe it has completely freed me of appendicitis, as it is now over a year since I have had any of the old symptoms."

Dr. Chase's Kidney-Liver Pills. One pill 3 times a day. All dealers or Edmondson, Bates & Co., Ltd., Toronto.

S'ide Crystals Defeat Sackville Six Score 7-2

In what was considered by both teams as one of the cleanest and fastest games played this season the Summerside crystals defeated the Sackville hockey team last night in the Summerside rink by a score of 7-2.

The game was called at 8:15 by referee Weatherbie of Springhill with about three hundred and twenty fans lining the boards. The first period was marked by individual play, not much team work being in evidence and some brilliant rushes by Copp, McAllister and Rennie of the visitors and Dalton, Cahill and Gauthier bringing roars of applause from the fans. Early in the game the Sackville goal became one of the features of the evening and to his remarkable work and coolness is due the fact that the score was not greater. The Crystal forward line was faster and steadier in every way than that of the visitors.

The first score of the evening was made by Dalton who tallied for Summerside eighteen minutes after the starting bell rang. Copp for the visitors replied five minutes later and three minutes later Rogers on a pass from Morris after a brilliant rush tallied the third thus ending the first period. Crystals 2, Sackville 1. In this period there was only one penalty. McAllister receiving two minutes for elbow-checking Rogers.

In the second period the game got away with even greater speed and three minutes after the men had taken the ice McAllister scored again for the visitors with a fast and deceiving wing shot. Taking the puck from the front of the Crystals net. Morris made one of the sensational runs of the evening going through the entire Sackville defence and sagging the nets for the third Crystal tally after ten minutes play. He was followed less than a minute later by Cahill who received the puck at the face-off and made a correct and speedy tally from centre ice. No penalties were handed out in the period which was a splendid exhibition of fast and clean hockey. Crystals 4, Sackville 2.

The third period was just as fast and keen as the previous ones if not more so. Taking the puck on an off-side face off Cahill scored again for the Crystals after five minutes of play. Several minutes later on a pass from Morris at Cahill again sagged the net of the college town boys and eight minutes later Cahill again scored with one of his fast low shots from centre ice. From then on the playing was mostly in the Sackville territory though the visitors made a desperate effort to even the scores. With a few minutes to play Dalton was checked to the boards by Rennie, captain of the Sackville six and both players were put off for three minutes remaining in the pen till the bell rang.

For the visitors Copp, McAllister and Gauthier were the particular stars and received a hearty hand from the local fans. For the Crystals Dalton played an especially fast and good game while Cahill played the best game of his career so far and Gauthier, Graves and Rogers accepted every chance that came their way to put up a stellar brand of big league hockey.

Says Kidneys Clog And Need Flushing

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean, like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulate them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grams of acid and waste, so we can readily understand the vital importance of keeping the kidney active. Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast, each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness. Jad Salts is inexpensive; cannot injure; makes a delightful drink; cleans the blood; drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

New Lamp Burns 94 Per Cent. Air

Beats Electric or Gas. A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 40 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal oil). The inventor, G. A. Johnson, 246 Craig St., W. Montreal, is offering to send a lamp on 10 day's FREE trial or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

New Ray Seen in "A Tailor Made Man"

FAMOUS SCREEN STAR CONQUERS ANOTHER FIELD IN COMEDY DRAMA PICTURE. Charles Ray in "A Tailor Made Man" is the featured attraction at the Prince Edward Theatre this week, a fact for which the cinema-going public should be extremely thankful. For here is a play as refreshing as mountain air and replete with wit and wisdom both wholesome and sophisticated, affording Charles Ray one of the best vehicles of his screen career. Those who are admirers of the whimsical Ray can look forward to a genuine treat; in fact, those who attended the first performance yesterday were in a high state of mirth and excitement throughout.

"A Tailor Made Man" is the first of Mr. Ray's big features for United Artists, and is a screen comedy drama of a higher type. Its humor springs naturally from a combination of logical events, and is happily bereft of slapstickianism. It is Charles Ray's intense humanness, investing the character of John Paul Bart with logical motives and rational impulses raised to a high degree of enthusiasm, plus the sound philosophy of the play, that makes the screen version of "A Tailor Made Man" such a delectable and noteworthy entertainment. The story tells how John Paul Bart extricated himself from the rack of drudgery to a high place in the social and business world.
