With the Crop Report forms which are sent annually to correspondents in every district in the Province, the Department of Agriculture has sent out blanks to be filled in for the purpose of comparing the number of horses, sheep, cattle and pigs kept this year with that kept last year. An attempt is also being made, through the assistance of the ten H. R. s, to get at the actual number of live stock and farms were mailed a second time to those whose returns have not yet reached the office. As the schools seem to be the one means through which these figures can be obtained, it is hoped that the teachers will heartily co-operate with the Department.

A fine new and substantial steel bridge has been erected over the stream at Crosby's Mills, Bonshaw. It is in one span and the work has been most creditably performed under the supervision of Inspector McKinnon. The new bridge will afford every convenience and accommodation for travellers, and is another addition to the permanent bridges being introduced by the Government, which are proving so successful and economical in the maintenance of the public roads and bridges of the Province.

On the 24th July ult., in the Presbyterian Church, Giroux, Manitoba, which was a mass of potted and cut plants, the marriage was solemnized of J. Henderson Lawson, station agent of that place, and Miss Jennie, eldest daughter of A. A. Hasted. At 4 o'clock, the bride, leaning on the arm of her father, entered the church, while a wedding serenade was very sweetly rendered by Miss Lawson, sister of the groom. The bride looked her best which is not saying a little, in a dainty dress of cream silk, and wearing a very elaborate gold watch and chain the gift of the groom. She was attended by her sister Miss Mary Hasted, whose dress was cream cologne and who wore a very nice gold shirtdress waist set, also the gift of the groom. J. H. McInnis P. E. I. was best man, and Rev. Mr. McFarlane, Winnipeg, officiated.

After the ceremony the party, numbering about one hundred and twenty five repaired to an adjoining hall, which was fitted up for the occasion and sat down to dinner tables supplied with the good things of the West, and calculated to satisfy the most fastidious. The following morning the happy young couple left on a bridal trip through western Canada and will be at home to their many friends on Aug. 15. The presents from their friends included some very substantial ones, which have to be seen to be admired and speak volumes above their intrinsic value. Mr. Lawson referred to above is a son of D. A. Lawson Esq. Hunter River, P. E. I. and is another of our successful Islanders abroad.
