The C. Y. L. of Summerside and the Regals crossed sticks Thursday night and in this second exhibition game the visiting and home team scored an even 2-2. On account of train delay the game did not begin until late evening, ending shortly after midnight, and which despite the late hour beheld many loyal fans eagerly watching the puck-chasers.

The rink carnival which was postponed on account of inclement weather, is enthusiastically anticipated by young and old.

In the Institute Hall on Friday a very successful play entitled "Mrs. Briggs of The Poultry Yard" was presented by the pupils of Grades VII and VIII under the capable direction of their teacher Miss Mabel Fielding. Several vocal solos by (Rev.) Mrs. Weir and Mr. Roy Grant, piano and violin selections by Messrs. Theodore Gaudet and Stephen Ahearn, and Highland dancing by Miss Marion Wilson, delighted the audience. The Institute sold candy, the proceeds of which went towards the school play. Following is the cast:—

Gleanings From Tryon and Vicinity

The weather looks very spring-like days are getting warmer and longer, snow is rapidly disappearing beneath the withering glance of "Old Sol," also a few spring birds are putting in their appearance. In fact the air smells as if spring were not far distant, as the old residents put it "Looks, as if the backbone of winter is broken"

The writer on Sunday, Feb. 23rd picked up a gold bracelet. Owner may again regain possession by calling at my front door and saying "please" and "thank you".

The slashing gale and blizzard, which struck our Island with such fury on Sunday, Feb. 16th is said by many of the older residents to have been the worst experienced for some time. Very little damage was reported in this district although we believe that many points on the island suffered severely from the destruction of barns and out buildings, many chimneys also having been blown over.

Radio owners in Tryon, and North Tryon adjoining Communities are very indignant over the proposed measures to close down all our small local broadcasting stations and replace them with a large high powered station. There has been a great deal of discussion on the subject here and no one is in favor of the proposition, our three Island stations supply us every whim supplying us with every thing in the way of radio entertainment, so why not leave well enough alone? No immediate action has been taken as yet, but the people are unanimous in voicing our resentment against such an uncalled for proposition.

Friend stork made a call at the home of Mr. and Mrs. George Dawson of north Tryon very recently and presented them with a bouncing baby boy. Congratulations.

Mrs. Wilfred Inman of North Tryon has returned home after spending an enjoyable fortnight' visit with relatives in Summerside, P. E. I.

Her many friends very much regret the serious indisposition of Mrs. Sullivan Clark of Augustine Cove, but hope that she may soon regain her health and strength.

—Mr. John Albert Rogerson of Westmoreland, P. E. I., was a visitor to Tryon on Wednesday of last week.

Mr. and Mrs. George Heffel of Albany were visitors to Tryon on Friday of last week and were the guests of Mrs. Sarah McKenzie.

Mrs. Heath Chrisholm of North Tryon has recently been visiting in Charlottetown with her parents Mr. and Mrs. Carter.

Several fans from this vicinity attended the match in Charlottetown on Friday evening of last week between Charlottetown Abbies and the St. John Beavers which resulted in a score of 4-0 in favor of the St John boys. From Victoria Messrs James MacLeod, Hedley Miller and Norman Boulter were in attendance and from North Tryon Mr. William Cooley.

Mr. and Mrs. Lorne Carruthers of Augustine Cove were recent visitors to the capitol, Charlottetown.

We very much regret the seriousness of little Miss Frances Sherren daughter of Mr. and Mrs. Heber Sherren of Augustine Cove, from pneumonia. We hope that her illness may not be of long duration and that she will speedily regain her usual good health.

Mrs. Bruce Campbell and little son Sheldon of Augustine Cove accompanied by her sister, Miss Lucricia Mathieson of Emerald have returned from a pleasant trip to the Provincial Capitol.

Mr. and Mrs. Elmer Dawson and son Kenneth of Augustine Cove were Sunday visitors to Tryon.

The Misses Diana and Frances Dougherty have returned to town to resume their studies at Prince of Wales College after spending last week end at their home in Victoria P. E. I.

Mr. Ham Leard of North Tryon commenced moving the house (formerly owned by Mr. George Hennesey on Monday, which he plans moving to Tryon Corner where the foundation is already completed. We are very glad that such admirable citizens as Mr. and Mrs. Leard are moving to Tryon.

Mrs. Arthur Howatt and Miss Marion Howatt were visitors to Crapaud on Tuesday—D.

ADDRESS AND PRESENTATION

A very pleasing event took place last Friday night at the manse of St. John's Presbyterian Church, Belfast when six young men representing the Belfast congregation presented their minister, Rev. Thos. A. Rodger, and Mrs. Rodger, with an address accompanied by substantial gifts as a token of their love and appreciation of their services to the community.

The address is as follows:—

We are here representing the congregation of St. John's Presbyterian Church, with just a word to assure, you, Mr. Rodger, of our appreciation for the work done for the church and for us by you as pastor and teacher. For Mrs. Rodger as a most willing helper in all phases of the work, and for the spirit of harmony and goodfellowship which radiates from you and your family throughout the congregation. We would ask you to accept these gifts as a slight token of the love and esteem which is held for you in the hearts of all your people. We sincerely wish for you and your family many years of health and happiness, years filled with loving labor in the Master's vineyard. May we earnestly hope that many of these will be spent among the people of "Old Belfast."

(Signed on behalf of the Congregation).

Noted Evangelists

EVANGELIST, DR. ROBERT F. WHISTON
who has been engaged by the Prince Edward Island Missionary Society of Churches of Christ.

Dr. Robert F. Whiston and Mrs. Whiston, noted Evangelists, will arrive in the City this evening. Dr. Whiston will occupy the pulpit of the Central Christian Church at both services tomorrow.

Dr. Whiston has been engaged by the Board of Prince Edward Island Missionary Society of Churches of Christ, as Island Evangelist and he will begin his work at once. He will hold his first meeting with the Central Christian Church of this City commencing Sunday, March 9th, and continuing for several weeks. After that he will hold special Evangelist meetings with churches in different parts of the Province.

Many of our citizens will remember Dr. Whiston when he was Pastor of the Central Christian Church about twenty-eight years ago, the new brick church on Kent Street was built during his pastorate. He will recieve a very hearty welcome back to the City and Province at this time.

Dr. Whiston is a very forceful and eloquent speaker and the Island Board are exceedingly fortunate in securing his services. He and Mrs. Whiston have been in the Evangelistic field for twenty-four years with much success. He is nationally known as song writer and he and Mrs. Whiston, who is Pianist and Personal Worker, sing solos and duets. He has during the summer months for ten seasons lectured with the Chautauqua System. He also spent fourteen months in France during the Great war.

A very cordial invitation is extended to all to come and hear Dr. Whiston preach at both services tomorrow in his former pulpit. He will be delighted to meet many of the friends of former days and to make new acquaintances. Come and bring your friends.

RUSSEL PANTON, Receiver
CHARLES [illegible]ON, Pine[illegible]

Accompanying the address was handsome set of driving harness a halter, also a purse of money for the mistress of the manse.

Mr. Rodger in thanking the representatives of the congregation for the assurance of their love and sympathy expressed in so tangible a fashion expressed the pleasure that was his in having so loyal a people to minister to, and declared that although this was the first time he had ministered to a country congregation that neither he or his family regretted coming to Prince Edward Island and that country life was infinitely more pleasant and helpful than he could possibly have anticipated.

The serving of refreshments brought a very happy evening to a close.

NORTH RUSTICO AND VICINITY

Mrs. E. C. LePage was a visitor to Charlottetown the latter part of the week.

The many friends of Mrs. John F. Pursey are sorry to learn of her continued illness.

That Car of Yours

BY WILLIAM ULLMAN

Heart-to-Heart Talks With Automobile Owners and Drivers on How to Get the Most Out of Their Cars at the Least Expense.

EVERYTHING IN LINE

Failure to keep the engine bolts tight may result in serious misalignment of the various elements of the drive system.

STILL NEEDS LUBRICANT

That the clutch is a dry-plate type does not mean that no features of the device needs lubrication. The release bearing, one of the hardest working parts of the clutch, requires regular lubrication in the case of many cars. It is well to consult the lubrication chart of the new car to make certain on this point.

MAY INCREASE FRICTION

Oil, the purpose of which is to reduce friction, under some circumstances, actually increases it. This in many cases where a heavier oil is used than is specified for a mechanical part. The oil used sometimes to compensate for wear in various parts of the car actually increases the rate of wear.

CHECK BUSHINGS WEAR

Wobbly steering may be the product of wear in the king-pin bushings. One of the best ways to prevent it is to keep the parts lubricated constantly. Usually the nipples are among the easiest to reach with a grease gun.

DON'T FORGET CARBON

Having the carbon cleaned at regular intevals makes a great deal of difference in performance. In the absence of the old familiar knock, many motorists forget that there is such a thing as carbon.

PART OF LUBRICATION

Motorists who have had to break locks on spare tires know just how effectively rust can seal them. One of the most effective ways of preventing such a thing is to put a drop or two of light machine oil in the lock when lubricating the car and then unlock it several times to allow the oil to penetrate through the mechanism.

RAISE DOOR BUFFERS

Often that annoying rattle in a door can be eliminated simply by raising the buffer. It is adjusted in many of the later cars. In older ones, it can be raised by placing a small piece of rubber behind it.

CLOSE DOORS TIGHTLY

Cars equipped with step lights, as more are these days, require a little more attention on the motorist's part in seeing that doors are tightly closed. Unless they are the lights will burn with consequent drain on the battery.

For Colds and "Flu" Nothing so Good!

You can stop that nasty nasal discharge in an hour by breathing "Catarrhozone." Sneezing, running eyes and itchy nose are promptly corrected. No medicine to take—you simply inhale the soothing fumes of Catarrhozone and get well. That grippy, neuralgic headache passes away. Nose and throat are cleared of offensive discharges. One dollar. Small size, 50c.

Smothering Spells Couldn't Walk Far Gasped For Breath

Mrs. T. W. Roth, Kelowna, B.C., writes:—"For over a year I was troubled with smothering spells, and it was impossible for me to walk, even a short distance, on account of having to gasp for breath.

"A friend told me to try MILBURN'S HEART AND NERVE PILLS which I did, and in a short time I felt much better.

"I can now recommend them to everyone."

Price, 50c. a box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
