

### Croupy Coughs of Children.

The tendency to croup is a foe that all parents have to fight. Croup comes in the night, when the help must be right at hand if it is to be of any use. Adamson's Botanic Cough Balsam is a blessing to all families where there are children subject to attacks of croup or any mean cough. It has a wonderful reputation for its efficacy and fully deserves it.

You cannot tell what night your child may wake up choking to death with croup in such a case what do you do? Send for a doctor and wait an hour or perhaps two hours, while the child is gasping for breath. How much simpler were the true specific for croupy coughs and all throat trouble is right at hand. Indeed no other way is safe with young children in the house.

Adamson's Cough Balsam is a most delicate medicine for children relieving the little throats at once. Its action is soothing and certain. It clears out the phlegm which produces the croupy condition and is a safeguard which no mother who knows about it will dispense with. All coughs and inflammation of the throat or bronchial tubes are cured by Balsam with promptness that surprises. All druggists sell it. 25 cents. The genuine has "W. Kinsman & Co." blow in the bottle.

THE CAUSE OF NERVOUS HEADACHE.

This most distressing and common malady doubtless has its origin in some unbalanced condition of the nervous system. Probably the simplest, safest and most efficient remedy is Polson's Nervine. Twenty drops in sweetened water gives immediate relief, and this treatment should be supplemented by bathing the region of pain with Nervine. To say it acts quickly fails to express the result. Sold everywhere in large 25c. bottles.

### SHIRT WAIST MEN TO BE TOLERATED.

There are signs already that shirt waists for men are to be tolerated, if not encouraged, at informal functions in and near New York in the coming summer. Members of yacht clubs and other out of door amusement associations which give evening entertainments at their club houses welcome the shirt waists as a happy solution of a troublesome problem in dress for these occasions, and the shirt waist is therefore a measure of meeting at least some measure of popularity.

## STORM IN QUEBEC

### Lightning Killed Two Young Men

### A FOUNDRY EXPLODED

### Sawmill Wrecked and Owner Drowned—Bad Railway Washouts.

TWO MEN KILLED BY LIGHTNING.

QUEBEC, June 28.—(Special.)—In the severe storm last night at St. Raymond one young man was killed by lightning and another at Levis.

FOUNDRY WRECKED BY EXPLOSION.

At Terreau and Racine's iron foundry, the flood meeting the molten iron caused an explosion that wrecked the building injuring several men.

RAILWAYS HAVE BAD WASHOUTS.

The railways suffered considerably, the I. C. R., Quebec Central and C. P. R., all experiencing severe washouts.

SAWMILL WRECKED AND OWNER DROWNED.

A saw mill near Dudswell Centre was washed away and the owner, S. Willard drowned, the lumber mills broken and the lumber carried to sea.

Reports of further damage are expected when the returns are all received.

### THE NEWEST IDEA IN MATRIMONY.

Ernest Sill, of Glencoe, Okla., has offered for sale 3,000 tickets on himself as husband. He is selling the tickets at \$5 each, and has already disposed of about five hundred. The tickets are being purchased by young women in the vicinity of Glencoe, who deem the chance an opportunity well worth paying for. Still is a young clerk at Glencoe, and he says in explanation of his plan: "By selling 3,000 chances for \$5 each it will bring to me \$15,000 which is a sufficient sum of money to attract any young woman desirous of marrying."

### WELCOME WORDS TO WOMEN.

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over thirty years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is, of course, regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the most unimaginable cases. It is the only medicine of its kind that is the product of a regularly graduated physician. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to Dr. R. V. Pierce, Buffalo, N. Y., take his advice and be well.

Mrs. R. D. Moffatt, of Lebanon, Warren Co., O., writes: "I drop you a line this morning to let you know that I have received the Medical Adviser, and how very much pleased I am with it. A crisp, new five dollar Bill could not tempt me to part with it."

On receipt of 31 one-cent stamps, to pay cost of customs and mailing only, we will send free to any address a paper-bound copy of Doctor Pierce's great 1000 page book, "The Common Sense Medical Adviser." Or, the same book bound in fine French cloth will be sent for 50 stamps. This is a more handsome and more durable binding. Address World's Dispensary Medical Ass'n, Buffalo, N. Y.
