

ABBIES LOSE TO WESTVILLE 7 TO 2--GAME TODAY

WESTVILLE DEFEATED ABBIES YESTERDAY

By Score of 7 to 2 in First of a Series of Games for the Maritime Championship—McEachern and Francis Score for Islanders.

(Canadian Press) NEW GLASGOW, N.S., Sept. 28.—The Westville baseball team, champions of Nova Scotia, defeated the Abegweits, winners of the P. E. I. Island League at Westville this afternoon by the score of seven to two. This was the first of a series of games to determine the Maritime championship, the two teams playing in Charlottetown in the second game this afternoon, and if a third is necessary it also will be played at the Island capital.

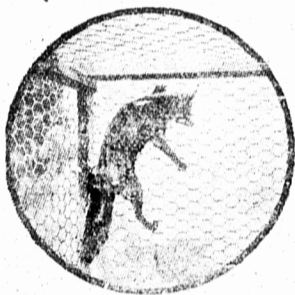

In today's game the Nova Scotian champions had it over their opponents in all departments, out batting and outfielding them. Both managers elected to send south-pawed bats to the mound in order to secure a win and thereby secure a jump on the short series. In this successful as Alex Marshall had a big margin over McQuaid in the box sending eleven of the Islanders, McQuaid and Francis; Marsh-batsmen back to the bench on all and McMillan, Umpires, Camp-strikes, while all they were able to secure off his delivery was six scattered hits. McQuaid on the other hand only had one strikeout and allowed seven hits, four of which came in the sixth inning and accounted for three of the Westville

Bibs and More Bibs For Princess Mary's Sons

LONDON, Sept. 28.—Masters George and Gerald Lascelles, sons of Princess Mary, have more bibs probably than any other boys in the world.

Not only their mother cannot resist buying nice new bibs whenever she sees them, but the boys' grand-mother, Queen Mary, also has a liking in the same direction. She buys the boys a bib every time she visits a charity bazaar or a shop where such articles are displayed.

Queen Mary buys the plainer, more serviceable bibs, which "will stand a lot of washing." But Princess Mary is always willing to sacrifice something practical for color. The Princess always buys bibs with animals, fancy figures, or embroidered amusing legends and verses and bright tapes to tie them around the waist.

SPORTING COMMENT

By ("TEC")

Today is the day—Throughout the length and breadth of the City and other points on the Island the chief topic of conversation in sport-dom's rank and file is the Abegweit-Westville Championship baseball play-off for the Nova Scotia-Prince Edward Island title and the right to play the New Brunswick Champions for Maritime honors.

As is mentioned above, TODAY IS THE DAY at the Abegweit grounds, that famous old athletic field where champions two-score and ten have been crowned and regowned in their different lines of field and track endeavor.

As the years go by the crowning continues and the grounds patronized and fostered, so much so that the name Abegweit is now known far and wide, not only in Canada, but the United States as well. And as usual today will mark an epic in Maritime baseball circles when the Abegweits and Nova Scotia champions meet in the second clash in the race for the title. To all appearances this afternoon's contest will be one of the hardest fought and exciting fixtures ever played on a local diamond, and with fine weather prevailing, thousands no doubt will view this long looked for battle.

ALL HAIL TO OUR BUSINESS MEN

The Abegweit management and local athletic fraternity as well as high in their praises of the splendid co-operation of our merchants and other places of business for the splendid consideration shown in the closing of all stores at 3 o'clock in order to give employees an opportunity of witnessing today's tilt. His Worship Mayor Miller has also proclaimed this afternoon from 3 o'clock a civic holiday. This in itself is surely a great tribute to baseball in this city and a high compliment to the efforts of the Abegweit management. It further goes to prove that Charlottetown business men are enthusiastically behind any movement in the interests of clean amateur sport.

WESTVILLE 7; ABEGWEITS 2

Westville ball tossers have drawn first blood. Not wishing to take away any of the glory from the Nova Scotia champions, it may be said notwithstanding that on their home diamond they have been rarely defeated, taking into camp nearly all of the leading ball aggregations in the Maritimes. It was the consensus of opinion among local ball followers that our boys would lose on the mainland, but the unanimous opinion is that with the locals working smooth in today's fixture they have an even chance of annexing a win, perhaps, bring the bacon to the Island.

Should the Abegweits take this afternoon's game it will be necessary to play the third and deciding nine innings tomorrow morning or afternoon.

Seats are on sale at a number of stores in the City and those wishing to avoid the expected rush would do well to secure the postboards early.

There will be a cordon of police placed around the grounds today to ensure a straight gate admission. "Fence jumpers" will be at a premium today.

FOOTBALL

It may be out of order, especially at this time when the whole city is talking baseball, to say a word in favor of the "pigskin" pastime, football, but the season is here and lustily calling to the local gridiron teams which made the game so popular last year. The sound of boot against leather is in the offing and organization should begin at once.

No doubt a City League meeting will be called one of these nights to discuss the Abegweits, and the different teams to get into action as quickly as possible so that a schedule of games can be arranged for the competition of the three clubs.

Last year there was no Trophy offered to play for, possibly some one will be good enough to come forward this year and donate a suitable Trophy.

What could be better sport than a good game of football on a nice Autumn like Saturday afternoon at the beautiful Victoria Park. So let us have a good big attendance at the meeting and get things in ship shape for the opening of the old gridiron contest this fall. At 7 o'clock at the Y. M. C. A. Thursday evening, be here please.

ANOTHER MILLION DOLLARS

Already the ballyhoo bird is singing its seductive and siren song. Tunney and Dempsey are to be rematched. The ensemble is too good a one to let get by. They look like a "natural," and astute Tex Rickard is already plotting to bring them together again. The margin of difference wasn't so great the other night that it can't be accomplished. Don't think Dempsey can't come back. That's all idle chatter. At least he can come back and fight. Corbett came back and fought his way back to a pulp. He just missed. Fitzsimmons fought his way back to a battle with Jeffries, and knocked him cuckoo for eight rounds till he broke his hands. For a 10 or 12 or 15-round bout Dempsey could come back in a month's time and give Tunney a much better battle as he would be hardened up from the last encounter. Dempsey is only 31 and right in his prime.

POPULAR CHAMPIONS

St. Louis Cardinals tucked away their first National League championship when they defeated New York by 6 to 4, after Cincinnati had lost the first game of a double-header in Philadelphia. It was the first championship won by a St. Louis club since the original Browns of the old American Association won in 1888.

The triumph of the Cardinals is firmly cornering the elusive pennant found popular favor with metropolitan fans, as well as enthusiasts throughout the east, whose sympathies have leaned towards St. Louis in its quest for its initial banner.

When the game was over the new standard-bearers of the National circuit were hailed with cheers, but they smiled silently and slipped across the field to the clubhouse, shaking hands and slapping each other on the back. With the exception of Pitcher Grover Alexander, outfielder Billy Southworth and Coach Klufer, being on a major league championship team was a new experience for the St. Louis players.

Championship Game Of Baseball Today

WESTVILLE VS. ABEGWEIT At the Abegweit grounds this afternoon at 3.30 the Westville and Abegweit baseball teams will clash in the second tilt of the play off games to decide the winners to meet the Champions of the New Brunswick League.

In the first game at Westville yesterday the Westville players secured a good verdict over the Abegweits. This of course does not say that the Abegweits will be unable

to turn the tables on their home diamond. The net result of the game was a 7-2 score, this is not by any means a walk over in a baseball battle and the Abegweits have just the same chance of making the score read in the opposite direction in the game this afternoon as the Westville players had yesterday.

At any rate it will make the Abegweits play a harder game and Westville will have the disadvantages to contend with, so that the game should be a close one no matter who wins. We would all like to see the try, now is our chance.

Abbies pull through to a victory. It will be great should the football season get under way to a good start, in order to do this an enthusiastic meeting should be held first means, then the different teams to get into action as quickly as possible so that a schedule of games can be arranged for the competition of the three clubs.
