The local trapper Mr. Elmer "Slim" Hatch is once again putting his trap lines and as usual, due to his exceptional skill in the fine art of trapping, he is harvesting quite a good number of mink and muskrat pelts. Mr. Hatch did not set for foxes in the early part of the trapping season but any day now will see him bringing in fine fox pelts. With the possible exception of fox pelts we understand the current market is very good for mink and muskrat.

Notices have been posted in the town calling for anyone wishing to tender to operate the skating rink for the coming season. During the past few winters the rink has catered to capacity crowds due to a large extent to the interest taken in hockey since the formation of the Southern Kings Hockey League. We note that meetings in connection with organizing hockey for the coming winter have been held in Montague and no doubt club officials here will be calling on members and interested fans together, in the near future to discuss plans for this season.
