 In 1906 the first Presbyterian pastor in this province, Rev. Peter Gordon, was settled over the congregation of Covehead and St. Peter's.  THE Y. M. C. A. Summer Camp for Charlottetown, Pictou and nearby places may be held near this city next year. The experience of those who attended the Summer Camp this year is that there were perhaps too large a number. But all enjoyed themselves greatly and the Charlottetown boys who have returned speak most highly of their outing.  
 A CITIZEN of Charlottetown visited New Glasgow a few days ago in pursuit of the game trout that are so plentiful in that vicinity. It was his privilege to be the guest of Hamilton Blinn, who with Ed. Lyman of New York City, made some good catches. They made some trips to the fishing grounds and in a few hours caught 72 beautiful trout which were photographed and made a beautiful picture. The citizen was delighted with his trip and was surprised at the exceptionally good and wise judgment of Mr. Blinn, in knowing where the trout were and the hours to catch them. New Glasgow is a beautiful spot for the tourist to go, if he wants a good day's fishing, and the chances are that he will come back well paid for his little expenses.

MOORE & McLEOD

ROOSEVELT TO TOUR CANADA

WINNIPEG Aug. 1.—A special from Victoria (B. C.) says: "At a banquet to Washington newspaper correspondents, George H. Haru announced he had been informed by President Roosevelt that when his term of office had expired he would make a trip from one end of Canada to the other on a rail way whose name modestly forbids me to mention."

"Make Hay While The Sun Shines."  
 There is a lesson in the work of the thrifty farmer. He knows that the brief sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by all druggists.
