Have You a Bad Sore?

If so, remember these facts—Zam-Buk is by far the most widely used balm in Canada! Why has it become so popular? Because it heals sores, cures skin diseases, and does what is claimed for it. Why not let it heal your sore?

Remember that Zam-Buk is altogether different to the ordinary ointments. Most of these consist of animal fats. Zam-Buk contains no trace of any animal fat, or any mineral matter. It is absolutely herbal.

Remember that Zam-Buk is at the same time healing, soothing, and antiseptic. Kills poison instantly and all harmful germs. It is suitable alike for recent injuries and diseases and for chronic sores, ulcers, etc. Test how different and superior Zam-Buk really is. All drug stores and stores at 50c. box. Use also Zam-Buk Soap. Relieves sunburn and prevents freckles. Best for baby's bath. 25c. tablet.

EELS PLENTIFUL. Messrs Clark Jay and Douglass, Mt. Stewart, made another big haul of eels Friday night. They estimate the catch at two tons. This is four tons that lark Bros have shipped to New York within the last week.

COMPLIMENTARY SEEDS. Through the kindness of Mr. A. J. Clark, Supt. Experimental Farm, the Women's Institute Branch have been enabled to distribute to the school teachers in the districts where Women's Institutes are now organized some packages of seeds for the purpose of encouraging the school children in the study of school gardening.

WINNER OF PONY. It was announced at the Prince Edward Theatre on Wednesday night, when the "Ticket of Leave Man" was presented that Mr. Patrick Flynn, Jr., Dorchester Street, was the winner of the pony offered in the Pony Contest promoted by the Charlottetown Hospital. Mr. Flynn had only one chance in the contest and won the Pony on a one cent ticket.

TICKET OF LEAVE MAN A SUCCESS

At the Prince Edward Theatre on Wednesday night a large crowd was present to witness the presentation of that popular English drama "The Ticket of Leave Man," by local talent. It was produced under the direction of Mr. Frank Oliver and proved to be one of the most successful amateur productions staged in Charlottetown for some time.

It was portrayal of a splendid detective story in which a "Ticket of Leave Man" who was sent to prison on a false charge, after losing every situation he applied for in seven months; proves that a "Ticket of Leave Man" can be an honest man; and saves his first employer from robbery. The acting of the different parts which were well placed was excellently done, especially the juvenile role of Sammy Willoughby, which was taken in "professional" style by Master W. Whitlock. All the members of the cast and the other workers who were instrumental in making the show such a success are to be heartily congratulated. A good sum was realized for the Charlottetown Hospital, which the concert was in aid of.

The following was the cast of characters: Robert Brierly, sees life—and pays for it, Frank Oliver.
James Dalton, alias Downey, the Tiger, Cortland Hopkiss.
Melfer Moss, his partner, W. C. Whitlock.
Hawshaw, the Detective, Parker Hooper.

Mr. Gibson, a Broker in the City, Mr. A. Rivers.
Malthy, proprietor of the Bellvue Gardens, Cornelius Blanchard.
Sammy Willoughby, fond of smoking pipes, Master W. Whitlock.
Green Jones, a Typical Dude, Dr. T. E. Robins.

Arthur Bruce, Guest at the Gardens, Mrs. Rubenstein Mr. Ivan Hughes.
May Edwards, a Street Singer, Miss Lucy Blanchard.
Emily St. Evremont, late of the Chorus, Miss Lillian McLeod.
Mrs. Willoughby, a London Landlady, Mrs. S. C. Moore.

A GROWING INSTITUTE. Mrs. Dunbrack who was accompanied by Miss Macdonald of the Women's Institute meeting at New Haven on the afternoon of the 28th instant reports that this Institute is doing exceptionally good work. There is only a membership of nine, but during the past year these ladies have laid a new floor in the school house, supplied new shades to the windows, kalsomined the walls, have ordered a drinking fountain, which will be in place in a few days, and gave to the St. Vincent and Mt. Herbert Orphanages the sum of \$3 each at Xmas time, and are now raising funds for the purpose of putting new tops on the desks and building a fence around the school house. A well attended meeting was held at which Miss Macdonald gave some excellent information in the art of millinery, which was enjoyed by all present, and after further work was discussed, Mrs. John Devereaux entertained the Sunshiners before they left for Charlottetown.

THE KING'S BIRTHDAY.—Owing to the very unfavorable weather on Wednesday the holiday passed off very quietly in Charlottetown. Many of the scores remaining open all morning. The automobile parade was the one feature of interest and many citizens strolled out notwithstanding the rain to watch it pass. There were between twenty and thirty cars and these carefully driven, paraded the principal streets for over an hour. The opening automobile show was certainly a success and great things are looked forward to in future parades of this kind where cars can be decorated and made to look very handsome. Before breaking up the parade was photographed by Mr. Bayer and others. Quite a large number in the afternoon went to the Driving Park to see the horse races, which however, had to be called off owing to the rain.

SUCCESSFUL COMPANY.—The Sovereign Silver Black Fox Co., Ltd., has been most fortunate this season. No sick foxes, large litters from foxes now in ranch. Get a Bigger and Better Crop with Unmixed Fertilizers

How About a Good Big Potato Crop?

There is a mint of money in potatoes for the men who plant intelligently and use modern methods in farming.

The Charlottetown markets are offering from 50c to 55c per bushel and all over the Dominion there are corresponding high prices. And these prices won't be lower for some months.

To secure the biggest possible crop, the ground will have to be fertilized—and none but our UNMIXED fertilizers will give absolute satisfaction.

These fertilizers supply the ground with the very elements of nutrition that are required, and can be supplied in combinations to suit every crop, and the varying needs of every square inch of soil under cultivation.

Result of Fertilizer Tests on Potatoes
A farmer at Glenfinnan secured a profit of \$40.50 per acre solely by using our Unmixed fertilizers.
Another farmer at Little Harbor had a profit of \$54.40 per acre clear gain over the unfertilized fields.
A man at Trilby tried two fields side by side. The field fertilized with Unmixed fertilizers showed a clear gain of \$44.75 per acre over the unfertilized fields.
