In the year 1881 an able farsighted merchant the late Mr. L. E. Prowse opened a small shop to the public of Charlottetown on May 1st, 1881. The City grew. The Store grew. 50 years after the opening of the little establishment, it has become one of the largest departmental Stores in the Maritimes. A celebration of 50 years in Business is no ordinary matter; it is an event of rare importance. We celebrate our Golden Jubilee by offering to the public of Prince Edward Island the greatest array of outstanding values in new Spring and Summer Merchandise that we have ever offered.

It was the belief of the Founder of this Store that every effort constant with good business should be made to see that every customer should have complete satisfaction. Founded on this principle of good will and good value it has steadfastly sought during the past fifty years, to maintain the highest standards of quality, and service with prices as low or lower than may consistently be found elsewhere. Time has emphasized the enduring worth of these policies, and it will be the constant aim of this Store to continue them and thus perpetuate the ideals of the Founder.
