LETTER OF CONDOLENCE.

To the family of the late Mrs. Annie Johnston and Mrs. John Johnston.

Dear Friends:— We the members of the Ladies' Aid Society of which your mother was an honored member, wish to convey to you our heartfelt sympathy in the very sad bereavement, which God in his infinite wisdom has called on you to endure.

We feel that in extending to you our sincere sympathy that any words of ours would be very poor comfort to console the aching heart caused by the loss of a dear mother, we would therefore commend you to a higher power than ours, knowing that our Heavenly Father is ever ready and willing to sustain and comfort all that look to him under the sorest of bereavements.

We as members of the Aid also

MARSHALL FIELD, JR., INSURER FOR LARGE SUM Possessing, and destined to inherit wealth "beyond the dreams of avarice," surely Captain Marshall Field of Chicago, could say—if any man can—"I don't need life insurance." But young Field, despite his present and prospective millions, has the wisdom to carry life insurance to the amount of \$1,290,000. He is heir to the \$120,000,000 Field Estate and a member of the Chicago Brokerage firm of Marshall Field, Glorie and Ward. In addition to being the heir to the enormous Field fortune, he has considerable wealth in his own name and is an extensive property owner. Last year his mother was insured for \$2,000,000. Mrs. Field has evidently not regretted making this investment, or her son who is an experienced financier, would not be following her example in making a similar one.

—INSTITUTE MEETING.—The Annual Meeting of the Glenmore Women's Institute was held in the school at Cherry Grove on April 10th. Thirteen members and two visitors were present. After the usual business including the payment of all outstanding bills and motion protesting against the sale of Oleo-Margarine in Canada the election of officers and Directors (for the new year) took place by ballot. Mrs. Daniel Longphill and Miss Helen McAulay acted as scrutineers with the following result: President, Mrs. P. Clinton; Vice-Prest., Mrs. Frank McAulay; Secy., Treasurer, Mrs. P. A. McIsaac; Directors, Mrs. L. A. McCormack and Mrs. John Malone. Delegates to Convention in Charlottetown, Mrs. S. J. McAulay and Mrs. P. A. McIsaac; Auditors, Mrs. Philip McCann and Mrs. Joseph P. McDonald. An inspection of the school followed after which some timely suggestions were offered for the better accommodations of the pupils and teacher due to the overcrowding of the school and will be brought to the attention of the ratepayers at an early date. Moved by Mrs. P. Clinton and carried that a vote of thanks be tendered the retiring officers and Directors.

ectors. The vote of thanks was presented by the mover and replied to by the President on behalf of the directors and her self. The National Anthem followed by adjournment to meet at the home of Mrs. S. J. McAulay in May, after which lunch was served and a social time spent.

—ACTIVITY ON THE NORTH SIDE.—The North Side from East Point Lighthouse to St. Peter's presents just now an active appearance, by reason of the vast preparations taking place for the season's lobster catch. Though the 28th (catching day) has passed and gone without getting any rope or traps in the water on account of ice and snow, yet active operations and preparations have gone on apace. The fishermen are all now at the factories getting their gear ready for sea. The cook houses are in operation. The bosses and assistants are on the spot and everything now awaits the disappearance of the Gulf ice and also the snow and ice along shore for many of the traps are yet frozen or covered with snow, as well as the shore and beaches from which the ballast stones must be gotten.

—INSTITUTE MEETING.—The annual meeting of the Cable Head East, W. I. was held on April 22nd. One new member was added to the roll. After the usual routine the members heard the annual financial statement and were much pleased at the result of this year's work. During the year ending March 31st 1924 the gross amount

of \$103.40 was raised in the following manner. Quilt, gift of money, picnic, two card parties, pie social and meals served at School Fair. To this was added the sum of \$123.87 from the preceding year, making a total of \$527.27, which was distributed as follows: Purchase of old building from School Board, \$50.00. Donation in aid of Building Fund, \$256.14 of new school. Charity \$14.00. Gifts and prizes to school children. Purchase of lamps, stove and window shades for new school and expense of picnic, etc. \$171.95. A substantial sum remains to the credit of the Institute to begin the new year. Then followed the election of officers. The following ladies were unanimously elected. President, Mrs. J. A. McDonald, Sr. Vice President, Mrs. J. A. McDonald, Jr. Sec. Treas. Mrs. H. D. MacLellan. Directors Mrs. Robert Lewis, Mrs. Augustine A'Hanley and Mrs. H. D. McKinnon. Auditors, Mrs. H. D. McKinnon and Mrs. P. McCarthy. A vote of thanks was tendered the retiring President, Mrs. Patrick McCarthy for the zealous and efficient manner in which she conducted the business of the Institute for the last year. Mrs. McCarthy responded briefly and suitably. The report of Chief Red Cross Nurse was then read and discussed. The members heard with surprise and concern of the very large percentage of undernourished and underweight children found in the schools that had been visited. They also took seriously the warning of the Doctors and nurses connected with the Red Cross that the children who day

after-day eat only a few bites of cold lunch during the noon hour, not only cannot study properly, but are in great danger of undermining their health. It was resolved that by next Fall the Institute will try to see that one hot dish is provided for those children who cannot go home for lunch. The members then dispersed full of enthusiasm for the incoming year.
