Down The Back Stretch

Mac Steele the well known trainer, paid a visit to Charlottetown on Wednesday and took in the races at Upton track. Mac is nicely located at Northam and has quite a string of trotters and pacers under his charge. He is a wonderful conditioner and trainer and his horses always look in the pink when they take the word. For Sampson Grady of Summerside he is training Great Scott, 2:08 1/2. This good trotter was one of the most successful horses on the Maritime-Maine Circuit a few years ago winning practically all his races. He is royally bred and a beautiful individual. His best work to date is a mile in 2:15. Frank J. Ortolan 2:13 1/2. Frank will be remembered as the trotter that holds the track record at Northam of 2:14. He also forced Chestnut Dillon to lower the track trotting record at Montague last year to 2:12 3/4. Bellevue Frank will go close to 2:10 at Northam July 13th. Edith Aubrey 2:15 1/2. This mare showed a lot of class winning at the Exhibition here three years ago. She has been a mile this year in 2:15, last half in 1:06 1/2. Sungleam is a green pacer bred in the purple by Peter Volo out of a full sister to Margaret Dillon 1:58 1/2. She has terrific brush and has been a mile in 2:20, quarter in 3 1/2 seconds.

Cherry Hill Sports Meet

About four hundred people from Cherry Hill and surrounding districts attended the sports held at the former place Thursday night under the auspices of the Women's Institute of that locality.

All the events were well handled and well contested, and the Institute is to be heartily congratulated on the success of their first sports meet.

The events consisted of a five mile running race, five mile bicycle race, one mile running race, 100 yards dash, jockey race, wheel barrow race and tug of war.

The five mile running race was won by Kelt Warren of North River, with John MacEachern, Dan Clark and Alexander MacEachern, of Mt. Stewart, finishing next in order named. The time was 27 minutes.

For other owners Mac is training King Laocia, a green trotter the property of Dr. Frank Bowness. This lad shows well; has been in 2:19 with the half in 1:08. Because 2:12 1/2 that Orin Jardine enhanced his reputation with was on the shelf for a while with a temporary injury, but is again in active training and is being worked slow repeat miles. An unnamed pacer by Colorado L. is owned by Stanley Brown, Richmond. He is a good gaited chap and Mac thinks he will improve considerably. Then again he has a green Aubrey trotter owned by Lloyd Sharpe, Ellerslie, that is doing well for the small amount of training he has received. This week he worked in 2:25. His stable is completed by two colts which answer to the ownership of Edgar Miligan. They are getting their lessons now and will probably be heard from in the future. Mac says the Northam track is ideal for training purposes and corroborates what others say about it namely, that it is the fastest piece of clay in Prince Edward Island.

Edgar Milligan visited the race track Wednesday and had a talk with the boys and in the afternoon was a spectator at Upton Races. He says that Northam will be on the map big July 13th. To accommodate the large number of entries he is building twenty new stalls which will make room for 65 horses with the previous equipment. Edgar said: "We had quite a race up our way last Tuesday when Great Scott 2:08 1/2 driven by Mac's assistant, E. Wadman, Frank J. Ortolan driven by Mac himself and May Cromwell over which I pulled the ribbons, checked up for a workout mile. Mac got off a bit behind so we endeavored to put as much distance as possible between us the first half. However in the last half Ortolan came very strong but we had a lively finish, the three being heads apart in 2:18. I never enjoyed anything so much in my life. My life sport. It was so good we had to have another tilt, the next one being a shade faster, 2:17."

George McDonald, Allston, Mass., who usually pays a visit to his old home in P. E. I., around Exhibition time, will be back again with us this year. He has been witnessing some wonderful displays of speed in his vicinity and sends us the results of a recent matinee in which we notice that Calumet Climatic with McDonald up, won the three year old trot in 2:12 1/4. That the track was mighty fast that day was shown by the performance of Call Money pacing in the 2:15 class when he stepped the second heat in 2:07. The fastest performance of the season to date over a New England half mile track. The above events took

place at Topsfield, Mass., where there are more good trotters in training this year than any other half mile track in Massachusetts.

Dr. Everett Bell and Charles Crossman were visitors to the Charlottetown race track on Wednesday and afterwards took in the races at Upton. Charlie, it will be remembered, was for years assistant trainer with the late lamented Jack Irving. He is the present proprietor of Willowdale track, Cape Traverse, where there are quite a lot of good prospects in training.

Cherry Hill Sports Meet

The events consisted of a five mile running race, five mile bicycle race, one mile running race, 100 yards dash, jockey race, wheel barrow race and tug of war.

The five mile running race was won by Kelt Warren of North River, with John MacEachern, Dan Clark and Alexander MacEachern, of Mt. Stewart, finishing next in order named. The time was 27 minutes.

The five mile bicycle race was won by W. Warren, of Charlottetown; T. Hansen, Charlottetown, second; Peter Kelly, Pisquid, third; D. McAskill, Mt. Stewart, fourth. The other competitors were Howard Douglas, Head of Hillsboro, Ernest Cameron, Head of Hillsboro, and Roy Mitchell, Pisquid. The last three named did not finish on account of accidents to their wheels. The time was 16 minutes.

Howard Douglas won the one mile road race in five minutes and twenty seconds. The others finishing in order named were Clayton Stevenson, North River, Ernest Warren, Cherry Hill, Walter Douglas, Head of Hillsboro, Fulton Coffin, Savage Harbor, Peter Kelly, Pisquid, Dan Jewell, North River, Albin Douglas, Willard Coffin, Cherry Hill, and Francis MacKay, Savage Harbor.

Edison Affleck, of Mt. Stewart, won the 100 yard dash. The others finishing in order named were B. MacDonald, Coffin Douglas, Cecil MacDonald, Vic MacDonald, Harold MacDonald, J. D. Feehan, Arthur Doyle, Oswald MacDonald, and Arthur MacDonald.

The jockey and wheel barrow races caused a lot of fun, these events being won by Lloyd Warren and Harold Coffin respectively.

Four teams competed in the tug of war contest, which created great excitement and amusement. They were from Savage Harbor, Head of Hillsboro, Cherry Hill and Mt. Stewart. It was a very close contest and as darkness came on before the final pull could be made it was decided to defer the decision until the next meet.

The judges were as follows: J. E. Palfrey, W. Henry Coffin, W. N. Douglas, John W. Jay, Lemuel Jay, George E. Warren.

Starter, J. Lester Douglas.

Time Keeper, B. D. Coffin.

Those donating prizes were Messrs. W. L. McLeod, Clark Bros., H. F. Feehan, C. McInnis, McLeod Douglas, merchants of Mt. Stewart, also Lloyd Jay of Pisquid.

After the events were over dancing took place in the school and was enjoyed by a large crowd in attendance. A refreshment saloon and tea tables on the grounds were well patronized.

JOHNNY RISCO TRIMS WALKER

(Canadian Press)
CLEVELAND, Ohio, June 24—Johnny Risko, Cleveland heavyweight, won a decision tonight over Mickey Walker, former middleweight champion in a bloody 12-round fight. Risko weighed 168 1/2 and Walker 171 1/2.

THE TWILIGHT ATHLETIC MEET MONDAY NIGHT

Great List Of Events And Entries—Team Will Be Picked For Mar. Meet At Truro.

Entries have been coming in for this twilight meet in great numbers. Already many of the stars of yesterday's school meet have entered and keen competition in the various events is assured. There are many young athletes now in training and all that is needed to help bring this popular pastime back, is attendance at the various meets, which are being put on this summer.

Monday night's Sports meet the support of all lovers of true amateurism. If this twilight meet is successful it means P. E. Island will be well represented at the Maritime Championships in Truro July first.

Our Island athletes must have outside competition if they are to get anywhere and it is only these trips attending the Maritime Championships and Halifax Herald Ten Mile Road Race that give our boys some needed experiences.

There were no outstanding marks made, the adverse wind and cold weather handicapping the performers considerably. In the intermediate high jump Fitzgerald put on a good show, winning at 5 feet 1-2 inch. The bar at the winning height was above young Fitzgerald's head.

In the senior high, Beer won at 5.2 3-4. It was a nice effort and was half an inch better than Brown's winning leap last year. Brown this year was handicapped by a pulled tendon and did not place.

Cousins, Kensington youngster, won both the senior and intermediate pole vaults, topping the bar at eight feet eight inches. This was over a foot higher than the winning leap last year.

The time for the senior hundred was 10 2-5, three fifths of a second faster than last year. The rest of the records in the senior events were not as good as last year, although the time for the quarter was excellent.

The officials conducted the meet in a most capable manner and many expressions of satisfaction were heard about the handy score cards which enabled spectators to keep easy track of the point winners.

At the conclusion of the events, as shades of night were falling fast, prizes were presented to successful competitors who placed in the first three.

Outstanding among the senior athletes was Ken Beer who took four firsts—in the 100, 220, high and broad jumps. The best of the intermediates, (pupils not having reached seventeen years) was Archer who annexed the three sprints.

Fitzgerald was almost next in brilliance with a first and second but Rattenbury had a first, three seconds and a third in his credit.

The Mounted Police aided materially in controlling the overflow of those who wanted a first hand view of the proceedings, and in doing so blocked the vision of those on the stand.

The announcing of James Leightizer was all that could be desired and was much appreciated by the people on the stands.

As the meet fades into history, all that need be said is that it was a success from every angle.

SCHAAF LOSES TO POREDA

(Canadian Press)
WEST NEW YORK, N. J., June 24—Stanley Poreda, of Jersey City, won the referee's decision over Ernle Schaaf of Boston, stambate of the new heavyweight champion, Jack Sharkey, in a 10-round bout at the west New York Stadium tonight. Poreda weighed 201, Schaaf 208.

West Kent Wins Interscholastic Athletic Meet

Good clean sport was the order of the day at the Abwegut grounds yesterday when the long awaited interscholastic track meet was successfully held. Although the weather was most unseasonably cold, the championships were a great success, a large crowd roaring its approval as each school strove to overwhelm its rivals in the numerous well contested events on the bill of fare.

An unofficial tabulation of the results declared West Kent to be the winner of the meet with sixty one points, Prince of Wales College being a close second with fifty nine. Queen Square School was third with forty five, a great improvement over last year when this school only secured twenty two. The out of town schools were by no means outclassed, the contingents from Kensington, Souris, Summerside, Valleyfield, Vernon, West Royalty, and Alexandra presenting many star athletes who amassed a large share of points. Archer, the Summerside High School Flash, was outstanding among the intermediate sprinters, winning the hundred, furlong and quarter mile dashes in good style although he was pressed closely at the finish by MacDonald from Valleyfield and had to be assisted from the track.

Junior
In this division one record was equalled and two beaten by the youngsters who showed the way to the seniors in this respect. In the 50 yard dash, 8 years and under, F. Whalen, youthful Queen Square flash, lowered the record of eight seconds, (which he held to seven and one fifth seconds, this representing a slice of four fifths of a second off the mark. The 100 yards dash for thirteen year olds was won by Osborne Wood of Alexandra, who clipped two fifths of a second from the old mark of twelve and one fifth seconds. In the fifty yard dash for ten year olds the record of seven seconds was equalled by Billie McInnis of Queen Square.

50 yards dash (9 years and under): 1, J. Whalen, Q. S. S.; 2, James Wood, Summerside; 3, E. Hogan, Q. S. S. Time: 7:1-5 seconds, (new record).

NEW YORK, N. Y., June 24—Joe Jacobs, manager of the former world's heavyweight champion, Max Schmeling, today was indefinitely suspended by the New York State Athletic Commission, both as a manager and second to boxers for his action in protesting against the decision awarding the title to Jack Sharkey Tuesday. Jacobs charged Schmeling had been robbed of the fight by unfair officials named by the commission. His suspension does not affect Schmeling or other boxers in the Jacobs-Billy McCarney stable. Gunboat Smith who refereed the fight was complimented by the commission on his handling of the fight. While condemning Jacobs, Commissioner Muldoon was enthusiastic in his praise of Schmeling, both as a boxer and as a gentleman and said the German was a credit to the ring.

Tonight's Big Wrestling Bout

Irslinger And Stuart Both Confident Of Victory — Good Boxing Prelims.

Everybody is going to the Forum tonight! The return wrestling match between Henry Irslinger and Lloyd Stuart has the fans by the ears and judging by the talk and general around enthusiasm manifested it looks as if tonight will be a gala one in wrestling circles in this city. Ever since Thursday night's bout between these mat stars the fans have been talking and telling those who were not there all about it—and there is plenty to tell. Tonight's contest has every indication of being a more hectic affair, by reason of the fact that both men have agreed to wrestle a finish match, best two out of three falls, with rest periods only between falls. This should make the going fast and furious. In order to give everybody an opportunity to see this match, the Forum officials have cut the price of admission to 50 cents. In addition to the big wrestling card there will be several fast boxing preliminaries. Willie Scantlebury will be third man in the ring.

TENNIS GOLF

FRESH MEADOW COUNTRY CLUB, Fushing N. J., June 24—Alone, a solitary dark horse ran on a wind-swept field of shattered golfing hopes, Olin Dutra, of Brentwood, Calif., filed his way through the hazards of fresh meadow today for a 69, one under par, and a four-stroke lead in the final of the United States open championship.

Seemingly unconcerned by the breezes that played havoc with the rest of the international field, steering clear of the hazards in which dozens of aspirants were buried, the 31 year old Californian upset all predictions with a round that dazzled onlookers and left some of the game's greatest players staggering far in the rear.

Dutra, whether or not he can sustain his spectacular pace, made a "show" of his more famous rival today. He is four good blows in front of "Larrington Leo" Diegel, of Agua Caliente, whose 73 was the best any of the favorites could produce.

He held a five stroke margin over Gene Sarazen, the new British open champion, whose 74 was matched by the ace of the Argentine, Jose Jurado. Trailing by six strokes, Bill Burke, the defending champion, Walter Hagen and Lloyd Gullickson, of Cleveland were bracketed at 75.

Buried in a veritable avalanche of high scoring, by far the worst since this tournament assumed international importance, were the bright hopes and aspirations of many of golf's most conspicuous names and at least a dozen of the players who were among the favorites on the first tee today.

Six of the first 12 in the 1931 United States championship virtually were eliminated at the outset. The runnerup, George Von Elm, barely broke 80, his 79 giving him a terrific handicap to overcome, 10 strokes behind the pace.

MacDonald Smith, just back from his great performance in finishing second to Sarazen in the British open, took exactly 80 blows, as did such stars as Ed Dudley, the western open champion; Johnny Farrell, 1928 open king; Horton Smith, one-time "hair-apparent" from Missouri; and Wiffy Cox, New Yorker who has been consistently up with the big money winners.

Tommy Armour, one of the prime choices, a former holder of both the British and American crowns, blew up completely on the home-waded nine, on which he needed 42 strokes and eliminated himself with a total of 82. The sole Japanese representative Tomekichi Miyamoto, took the same score, including a 10 on the long fifth. A stroke back, at 83, were Willie MacFarlane, another former champion, and young Tom Creavy of Albany, the current P. G. A. titleholder, while the veteran Jim Barnes had an 85 total, made up of rounds of 41 and 42.

Raymond J. McAuliffe, professional of Bridgeburg, Ont., the only Canadian entrant, finished with an 85 total, made up of rounds of 41 and 42.

Falcons ball team will hold practice at the Abwegut grounds today at 3 o'clock. All players are requested to be out.

Now it's the poor relations who are annoyed by the relatives who were formerly rich.
