This amount with the exception of \$46.10 is the proceeds of the chain letters, for which the trustees feel thankful and desire to ask those securing more than one copy of those chain letters to send them to their friends in other countries. While they are bringing in a small donation they are also spreading the good news that robe work the order is engaged in and soliciting sympathy and co-workers in every county where the Bible is taught and the flag of freedom floats.

The above list of parties sending one dollar each with the chain letter no doubt thought in costs too small. Now, who will be the next? Friend, will it be you? The trustees are informed that Sear's Lodge has fifty dollars for the Home but it is not yet forwarded to the treasurer. The following amounts have been received by the treasurer in aid of the Guaranty Fund: John D. Goss, Summerside, \$500; Lady Roberts and Hamilton Lodges, \$22.35. Total \$522.35.
