Simmerings Around The Sport Front

By ALAN RANDAL
Canadian Press Staff Writer
NEW YORK, April 12—Chill weather this way for so close to the baseball season opening...

There's a new mark for duckpin bowlers to shoot at... Jack Denton of Baltimore cracked the old world mark of 215 by knocking the tiny mapes for a 222 count last night.

This may be the secret of New York Yankee baseball greatness. The stars refuse to rest on their laurels... Charley Ruffing is experimenting with a new fade-away on a faster curve ball...

Jimmy Braddeck is represented by Maxie Baer the only present-day threat to Joe Louis... 'Marvelous' Maxie, who can still talk a whale of a fight, offered here today to bet \$5,000 even he will give you New in their own right...

Connie Mack, Athletics' manager, says Bill Narel has the finest pair of hands he's ever seen on a young third baseman and that Narel is going far... Veterans baseball men believe Dick Parsons, the catcher D-troit optioned to Toledo for regular work this season, has enough to become a second Bill Dickey...

145 Entries For Marathon

BOSTON, April 12—(AP)—The entry list for next Wednesday's Boston marathon was boosted to 145 today with receipt of late applications of 23 runners, including Walter Hornby, Wilmer Sheridan and Charles Thompson of the Olympic Club of Hamilton, Ont. Hornby has twice finished in the first 10.

C.A.H.A. Makes Grant To Olympic Committee For Other Sport Than Hockey

WINNIPEG, April 12—(CP)—Executive committee of the Canadian Amateur Hockey Association, meeting after conclusion of the Association's Silver Jubilee meeting today, decided to grant \$3,000 to the Canadian Olympic Committee to assist in sending a team representing other sports than hockey to the 1940 Olympic Games.

In addition the C. A. H. A. at the closing session of the three-day meeting assumed full responsibility for financing a Canadian hockey team at the 1940 Olympic Winter Games chosen from within its own organization.

Winners of the impending Allan Cup final between Port Arthur Bear Cats and Montreal Royals will be sent to the Olympic intact with such additions as executive officers may deem advisable.

Explaining the \$3,000 Olympic grant, Dr. W. G. Hardy of Edmonton, C. A. H. A. President, said: "Our financial position is good and we feel this grant should be made toward assisting the financing of an Olympic team representing other sports in the National interest."

Secretary F. H. Marples of Toronto and Registrar-treasurer W. A. Hewitt, Toronto, were re-appointed by the executive committee which decided to hold the next annual meeting in Montreal.

At the final session of the annual meeting today it was decided to provide travelling allowances for 18 men instead of 15 on teams competing in the Allan Cup and Memorial Cup playdowns in view of Tuesday's action in increasing the number of players per club or by teams eligible for these playdowns from 12 to 15.

In addition to transportation allowances the travelling allowance was raised from \$80 to \$100 per day while on trains and from \$20 to \$30 a day in hotels. A special grant of \$500 was voted for each of the four clubs reaching National senior or junior finals.

Baer, Manager Face Law Suit

(By The Associated Press)
BINGHAMTON, N. Y., April 12—Max Baer, former heavyweight boxing champion, and his manager, Anell Hoffman, today were ordered by Supreme Court Justice Riley Heath to appear here April 12 and bring with them records of their business transactions if they want to avoid being held in contempt of court.

Justice Heath acted in a \$20,000 negligence suit brought by Frank E. Macksey of Binghamton. Macksey filed the claim as result of injuries he allegedly suffered in 1935 when a grandstand at Speculator, N.Y., collapsed while he was watching Baer in an exhibition bout.

The fighter and his manager contend they had no part in operation of the grandstand.

Leafs Make Changes For Fourth Game

By JACK CALDER
Canadian Press Staff Writer
TORONTO, April 12—Ebullient Arthur H. Ross, who can and will pronounce on just about anything in hockey, made a couple of pronouncements tonight upon Arthur H. Ross and his immediate future as Manager of Boston Bruins, the National League champions.

The first went: "I am going to bed early tonight and I will sleep now that the Bruins are on the way to the Stanley Cup."

The second: "I am leaving behind my bench duties this season. From now on I will do my job from the front office."

This was the frame of mind of Art. Ross as his great Boston club—the one he has called "the greatest team I have seen in my 37 years of hockey"—stood one game up on Toronto Maple Leafs in the Stanley Cup series.

The general idea seemed to be that he believed the Bruins, after taking two of the first three games in the best-of-seven round, weren't going to cause him much more worry.

Ross would not enlarge on his declaration that he will retire from his bench duties next season. He wouldn't say who might succeed him. He might have said Corney Weidman has been doing a good deal of the active team directing this term and might be first in line for the bench position. But he didn't.

The Maple Leafs were planning ways and means of overcoming last night's faults and filling the gap left by the injury to Harvey Jackson. Playing one of his best games of the season last night, Jackson checked hard by Eddie Shore, just before the Bruins started to pour in goals.

After watching a group of farmhands in action, Manager Conny Smythe decided to replace Jackson with Robert (Red) Heron, a pretty fair sniper from the Syracuse farm team. He benched Pete Langelle, midget rookie centerman, and added to the lineup Don Metz, an amateur until yesterday.

They are slowing down the game and running counter to nearly every principle we laid down in those early days," he said. "Nowadays, just because a rule is new it is thought that it must be good and old rules are sneered at. From what I have heard in this country you people are playing the game more nearly as it should be played."

There were four main principles to the game, as he planned it, designed to eliminate roughness as far as possible. These were: No progress with the ball while it is in a player's possession; horizontal goal shooting; the ball was any man's ball while in play to encourage fast movement; and no bodily contact by checking and crossing.

In the United States, he said, there had been many infringements of these fundamental rules.

Bear Cats Seek Revenge For 1930 Beating

MONTREAL, April 12—The old story of history repeating itself will be unfolded here Friday night when Montreal Royals and Port Arthur Bear Cats start the final series for the Dominion senior amateur hockey championship.

Nine years have passed since Montreal sent a team into the Allan Cup final. It was in 1930, the golden year in local hockey history, that Montreal Amateur Athletic Association's Winged Wheelers marched to the championship.

Last stepping stone in that march was a Port Arthur team, a mighty club that was defending the Allan Cup it had won the previous season. But to the Montrealers it was just another team and the Wheelers won the final series in two straight games, taking the first 6-0 and the second 6-1.

So when the Bear Cats arrive here tomorrow they will not only be seeking the Allan Cup but will also be out to revenge the defeats of 1930. And if they win they will have gained their revenge for today's Royals are the successors of the old Wheelers.

Oshawa Generals Crush Edmonton Roamers 12-4 For Second Straight Win

By DICK SHERIDAN
Canadian Press Staff Writer
TORONTO, April 12—In one of the greatest scoring orgies ever witnessed in championship hockey Oshawa Generals smothered Edmonton Roamers, 12-4 here tonight and all but wiped out the western champions' hopes of winning the Memorial Cup. It was Oshawa's second straight victory and another win in the third game of the best-of-five series here Saturday night will give Generals the cup won by St. Boniface Seals last year.

Picking up where he left off in the first game, Billy Taylor led the eager Oshawa horde in their quest for goals. The brilliant centre, who scored five times in the series opener, marked up four more tonight and aided in five others.

Roamers made a game bid to live up to the advance notices. They matched Generals goal for goal in the first period which ended in a 2-2 tie. But after that the red-clad Generals ran wild, scoring three in the second and seven more in the third. Edmonton's other two goals came in the third.

The nine goals in the third was a fitting climax to the scoring bee, witnessed by a crowd of 7,612. Most of the Generals' tallies in this frame were scored on breakaways as Roamers sent five men up on the attack.

Nick Knott, Jim Drummond and Jud McAtee each picked up a brace of goals for the Generals. Orv. Smith and Gerry Kinsella getting one each to complete the total.

Bob Carse, Paul Steffes, Bruce McKay and Dave Farmer tallied for the Roamers. Both teams changed goalies for the game and Denny McManus, who alternates with Les Colvin in the Oshawa nets, was one of the Generals' stars. Bill Drever replaced Cliff Kilburn in the Roamers' net.

Says New Rules Slowing Down Hoop Game

MONTREAL, Apr. 12—(CP)—New rules being introduced into basketball "are slowing down the game," Dr. James Natismith, Canadian-born clergyman, doctor and physical education instructor who invented the game, said today.

At the same time, he told a gathering of basketball enthusiasts the game, as played in Canada, comes nearer the ideal he had in mind when he originated it at Springfield, Mass., in 1891, than that played at present in the United States.

Dr. Natismith, native of Almonte, Ont., said he didn't like new rules that have been introduced in recent years.

"They are slowing down the game and running counter to nearly every principle we laid down in those early days," he said. "Nowadays, just because a rule is new it is thought that it must be good and old rules are sneered at. From what I have heard in this country you people are playing the game more nearly as it should be played."

There were four main principles to the game, as he planned it, designed to eliminate roughness as far as possible. These were: No progress with the ball while it is in a player's possession; horizontal goal shooting; the ball was any man's ball while in play to encourage fast movement; and no bodily contact by checking and crossing.

In the United States, he said, there had been many infringements of these fundamental rules.

The first round in the second section of the provincial billiard tournament was concluded last night when Ernie Macdonald defeated Clifford MacDonald by a margin of 51 points, the scores being McGee 300, MacDonald 249. The draw for the second round will take place tonight, with the first match on Friday evening.

SNOOKER
Ralph Bevan won his first round match in the second section of the provincial snooker tournament last night when he won from Eddie McInnis two games to one in a close match.

Tonight Bill Lawlor meets Bill Phillips in what promises to be an exciting match. Bill Murley refereed last night's match.

DOUBLE TROUBLE
(By The Canadian Press)
WILLISTON, South Africa—T-ou-ble came in a double dose to a farm boy here this by a scorching fire at his father's farm. His foot was placed in petrol, which caught fire. His condition was reported serious.
