WINSLOE METHODIST Church Sunday, Dec. 23rd, Winsloe North, 11 a. m.; Winsloe South, 3 p. m.; Princetown Road, 7 p. m.

NORTH RIVER BAPTIST CHURCH. Owing to conflicting appointments the congregations will please notice the following substituted schedule for Sunday, Dec. 23: North River at 11.00 a.m. Long Creek at 3.00 p.m. Clyde River at 7.00 p.m.

REMAINS ARRIVE.—The body of William P. Shea, who was killed in Michigan, arrived by the mail special last night and was transferred to his home in Glenfinnan. The funeral will leave his father's residence, Glenfinnan, Sunday at 2 p. m. to Fort Augustus Cemetery.

IMPORTANT POSITION.—The many friends of Miss Sadie McGregor, formerly of this city will be pleased to learn that she has been appointed penmanship instructor in the State school in Providence R. I. This school has an enrollment of 1700 pupils. Miss McGregor was selected from a long list of applicants. She is a graduate of the Union Commercial College and was employed on the teaching staff for a number of years.

RETURNS TO NEW YORK.—Mr. George B. Herzig, fur buyer, leaves this morning for New York. Mr. Herzig purchased here through Mr. W. Chester S. McLure a large number of silver fox furs, without doubt the largest purchases ever made in a week's visit. Mr. McLure deserves credit for bringing large buyers like Mr. Herzig to the Province. The highest price paid was \$375. Excellent prices were paid throughout for clear colored skins. Both Mr. McLure and Mr. Herzig were emphatic in telling the people that their skins were very much under prime. Mr. Herzig also strongly supported Mr. McLure with respect to the defect in the brushes of the foxes, a large number of which were brownish and curly, due largely to the fact that foxes are handled too much by the tail. We will be glad to see Mr. Herzig back here again as the money expended here has made a boom in the fox business.

Home-made, but Has No Equal for Coughs

Makes a family supply of really dependable cough medicine. Easily prepared, and gives about \$2.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficulty breathing, or if your cough wakes you during the night with croup and you want quick help try this reliable old home-made cough remedy. Any druggist can supply you with 2 1/2 ounces of Pinex. Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes 16 ounces of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

**Service That Leaves Nothing Undone**

SCORES FOR FIELD CROP COMPETITION

Following are the winners in the standing field crop competition for certified seed potatoes. This score includes the two field inspections as well as the tuber inspection. Owing to the prevalence of scab and mechanical injuries, the tuber inspection had the effect of reducing the score, and in no case are the points as high as were shown for last year's crops:
