The Largest Clothing And Men's Furnishing Store In This Province Closes Down

As the Building now occupied by us is to be replaced by a new modern up-to-date store this means that we are to go out of business for a time at least.

Consequently the entire stock must be disposed of at once.

Plans and specifications for our new store have been prepared by C. B. Chappelle of this City and tenders for construction of same are now called for. The exterior of the building is to be completed by Jan 1st '08 at which time the Contractors take charge of the interior of building and we go out. Everything must be disposed of at less than manufacturers prices. The entire stock of new and up-to-date goods will be placed on sale Friday morning Nov. 8 at nine o'clock sharp. Tremendous crowds are expected. The buying public have never had and may never again have such opportunities of buying such high class goods at sacrificed prices. Owing to the big rush expected the store will depart from its usual custom of keeping open till 8 o'clock and will close instead at 6 o'clock each evening. Saturday excepted.

For "Bitter" Days

Here's the Overcoat for storms, and winds, and cold.

It's the "Manitoba" — a big, roomy, double breasted great coat, that comes almost to the ankles.

It may be worn with lapels either open, or turned in and buttoned close to the throat.

This affords protection for the lungs and throat on cold, windy days.

The collar turns up and covers the ears.
