THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a sma community.

Charlottetown has a population of 12,000 and Prince Edward Islandhas 103,000 The Guardian's daily circulation is therefore as 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believes, unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and provinces.

St. John has a population of 40,000 and the Province of New Brunswick 320,000 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

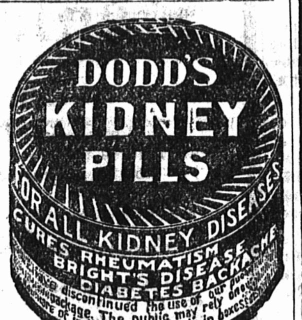
Or again. Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this, that The Guardian covers the field of its circulation three and a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite Journal's endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province.

IMPORTANT

The Charlottetown Guardian is the only Prince Edward Island newspaper that places its circulation figures before the public. Prospective advertisers are invited to call and invesigate the Guardian's circulation statement before placing their advertising elsewhere.



ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal

TO BE DYSPEPTIC IS TO BE MISERABLE

Hopeless, Confused and Depressed in Mind, Forgetful, Irresolute, Drowsy, Languid and Useless.

This disease assumes so many forms that there is scarcely a complaint which it may not resemble in one way or another. Among the most prominent symptoms are constipation, sour stomach, variable appetite, heartburn, water-brash, gas in the stomach and bowels, distress after eating, etc.

BURDOCK BLOOD BITTERS

is a positive cure for dyspepsia, and all diseases of the stomach, liver, bowels or blood. It stimulates secretion of the saliva and gastric juices to facilitate digestion, removes acidity, purifies the blood and tones the entire system to full health and vigor.

Mrs. M. A. McNeil, Brock Village, N.S., writes: "I suffered from dyspepsia, loss of appetite and bad blood. I tried everything I could get but to no purpose; then finally started to use Burdock Blood Bitters. From the first day I felt the good effects of the medicine. I can eat anything now without any ill after effects and am strong and well again."

Price $1.00 per bottle or 6 bottles for $5.00.

GOT A PAIN IN YOUR BACK?

You get a pain in your back, and you wonder what is the matter. You perhaps pay no attention to it. Backache is caused by imperfect action of the kidneys, in fact, is the first sign of kidney trouble to follow.

The kidneys, proper, are composed of a close network of fibrous tissue, interlaced with tiny elastic fibres. Their object is the excretion of the uric acid, and other poisonous matter composing the urine, from the blood.

They are continuously at work to preserve the general health of the body and most people are troubled with some form of kidney trouble, but do not suspect it.

Some of the symptoms are: A feeling of weakness in the small of the back, sharp pains in back, puffiness under the eyes, and swelling of the feet and ankles, urinary troubles such as supressed urination, excessive urination, cloudy, thick or highly colored urine, etc.

Mr. J. L. Whiting, Osnabruck Centre, Ont., writes: "I suffered for two years with kidney trouble. I had terrible pains in my back, hips and legs. I could not sleep and had a poor appetite, I took four boxes of Doan's Kidney Pills, and the pains left me, my appetite returned and I now sleep well. I can recommend Doan's Kidney Pills to anyone suffering from kidney trouble."

Doan's Kidney Pills are 50 cents per box or 3 boxes for $1.25 at all dealers or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

GOOD REASONS FOR ITS SUCCESS.

The majority of catarrh remedies are useless. But one that does cure is "Catarrhozone." It clears the head of all mucous discharge. Putrid matter in the nostrils, phlegm in the throat, and disease germs are completely swept away. The cause of the disease is destroyed, its results are destroyed, and the system so thoroughly cleansed of catarrhal poison that cure is permanent. All types of catarrh, throat and bronchial trouble, colds and coughs are more certainly cured by Catarrhozone than any thing else. Two sizes, 25c and $1 00 at all dealers.

The prettiest and cheapest ever shown in Charlottetown. This is the verdict of everyone who has seen our line of Wall Paper. Don't miss the Opening on Thursday and Friday the 7th and 8th inst. New Spring Goods also shown. M. Trainor & Co. 3-7d4i.

TWO OPEN LETTERS

IMPORTANT TO MARRIED WOMEN

Mrs. Mary Dimmick of Washington Tells How Lydia E. Pinkham's Vegetable Compound Made Her Well.

It is with great pleasure we publish the following letters, as they convincingly prove the claim we have so many times made in our columns that Mrs.

Pinkham, of Lynn, Mass., is fully qualified to give helpful advice to sick women. Read Mrs. Dimmick's letters.

Her first letter:

Dear Mrs. Pinkham:—

"I have been a sufferer for the past eight years with a trouble which first originated from painful periods—the pains were excruciating, with inflammation and ulceration of the female organs. The doctor says I must have an operation or I cannot live. I do not want to submit to an operation if I can possibly avoid it. Please help me."—Mrs. Mary Dimmick, Washington, D.C.

Her second letter:

Dear Mrs. Pinkham:—

"You will remember my condition when I last wrote you, and that the doctor said I must have an operation or I could not live. I received your kind letter and followed your advice very carefully and am now entirely well. As my case was so serious it seems a miracle that I am cured. I know that I owe not only my health but my life to Lydia E. Pinkham's Vegetable Compound and to your advice. I can walk miles without an ache or a pain, and I wish every suffering woman would read this letter and realize what you can do for them."—Mrs. Mary Dimmick 59th and East Capitol Sts., Washington, D.C.

How easy it was for Mrs. Dimmick to write to Mrs. Pinkham at Lynn, Mass., and how little it cost her—a two-cent stamp. Yet how valuable was the reply! As Mrs. Dimmick says—it saved her life.

Mrs. Pinkham has on file thousands of just such letters as the above, and offers ailing women helpful advice.
