Palpitation of the Heart.

One of the first danger signals that announce something wrong with the heart is the irregular beat or violent throbbing. Often there is only a fluttering sensation, or an "all gone" sinking feeling; or again, there may be a most violent beating, with flushings of the skin and visible pulsations of the arteries. The person may experience a smothering sensation, gasp for breath and feel as though about to die. In such cases the action of Milburn's Heart and Nerve Pills in quieting the heart, restoring its normal beat and imparting tone to the nerve centres, is, beyond all question, marvellous. They give such prompt relief that no one need suffer.

Mr. Sylvester Smith, Hampton, N.B. writes:—"I was troubled with palpitation of the heart and tried doctor's medicines, but they only gave me temporary relief. I bought your Heart and Nerve Pills and bought two boxes and before I had used them I was completely cured and would recommend them to all similarly affected."

Price, 50 cents per box, or 3 boxes for \$1.25 at all dealers or mailed direct on receipt by The T. Milburn Co., Limited, Toronto, Ont.
