Admiral Dewey 2,4 3-4

sire of Commodore Ledyard 34,709

He enjoys the rare distinction of having the fastest combined speed inheritance of any stallion yet foaled. He inherits the blood of the king and queen of the trotting turf having by him five and ten eight crosses of Ham-bro. In 1903 when Ledyard was developed into the horse of commanding size with grand bone and splendid speed, will weigh today 1975 lbs. Eleven foals were the result of his first year in the stud, here, six of which started in the Futurity race last fall. "Avena Bell" led the house of commanding size with grand bone and splendid speed. They were equally successful in the show ring-winning 1st, 2nd and 3rd prize their respective classes. This record has never been equalled by any stallion ever reported into Canada. The above record proves beyond a doubt, his ability to transmit speed.
There is no better bred stallion in Canada today than Commodore Ledyard.
He will make the season of 1908 at the Park Stables, Queen and Kenton Sts.
For terms and particulars apply to owner, 177 Water St.

McLeod the strip of land at the east end of the town near the cemetery as a site on which to place the building recently presented to the town by the Government and which is to be used as a contagious hospital.
-The death occurred about ten o'clock last night of Angus McDonald, an aged and most respected resident of North Bedouque, in his 90th year. Further particulars will appear tomorrow. The funeral will take place at 2 o'clock tomorrow, Wednesday, morning from his late residence, North Bedouque to St. Paul's Church, Summerside, where High Mass will be celebrated.

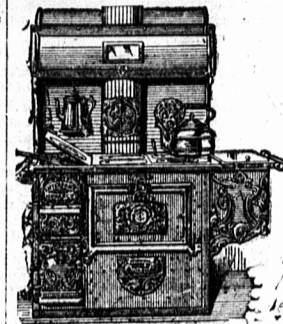

WE WISH TO ANNOUNCE

The arrival of another shipment of elegant whitewear of all kinds. Beautiful skirts, dainty gowns, corset covers, drawers and a really handsome assortment of ladies' dainty white waists in a great variety of styles.
The prices on these are most moderate indeed, you will be surprised to find what a pretty and stylish waist you can get here for \$1.50. We have others much cheaper and much dearer of course, but for a good all round waist our lines at \$1.50 cannot be beaten.
An extended description will be given later, in the meantime call and examine these newest and prettiest designs.

M. TRAINOR & CO.

The Store That Saves You Money

More Enterprise Monarch Steel Ranges

were sold in 1907 than in any previous year, and the sales continue to grow. Why?

Because its strong points are:

**ECONOMY IN FUEL,
EASE OF OPERATION,
DURABILITY.**

and the possession of every modern improvement that has proved of value in actual use.
Price as shown, with hot closet and tank. \$48.00 which places this high grade range within the reach of all.

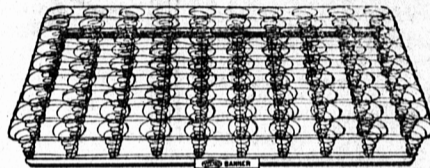

We invite anyone interested to carefully inspect and compare it at any of the following agencies on P. E. I.:

Spiral Springs vs. Woven Wire

A woven wire bed cannot be comfortable, and, at the same time, hold its shape. If the wires are hard enough to prevent the mattress from "sagging" like a hammock, the bed is too hard to be restful. If the wires are soft enough to be easy and springy, they will soon stretch out of shape.

"Banner" Spring Bed

won't sag—won't stretch—won't pull out of shape—won't lose its springiness. First of all, because the spirals are made of steel, which is oil tempered like a sword blade. This steel never loses its springiness. Then the full size "BANNER" is made up of roof of these steel spirals supported on metal strips, and connected by patented coil steel rope.

The "BANNER" Spring Bed will outwear a dozen woven wire springs, and insure you against uncomfortable, sagging beds for a lifetime.

Woven Wire Beds, that cost \$3 or \$4 will last only a few years at the most—and pull out of shape so quickly that they are really never comfortable.
The "BANNER" costs \$3—lasts a lifetime and gives a lifetime of service and satisfaction.
Surely you can see the economy of the "BANNER" at \$3! Look for this trademark whenever you buy. 11

BOILER WORK

Realizing the necessity of having a first class man as foreman for boiler work, we have secured Mr. David Cooper, who holds a technical certificate for boiler construction from the Technical College, Glasgow. He also had charge of the boiler work of the Grange-mouth and Greenock Dockyard Co., of Grange-mouth, Scotland. He has a wide experience in the building and repairing of Marine and stationary Boilers. When in need of repairs of a new boiler write or call us up by telephone. We will give your work our immediate attention.

ARE YOU SUBJECT TO COLDS?

Then don't load your stomach with cough syrups. Send healing medication through the nostrils—send it into the passages that are subject to colds and catarrhs. Easy to do this with Catarrozone, which cures a cold in ten minutes. Even to the lungs goes the healing vapor of Catarrozone—all through the bronchial tubes, nostrils and air passages—everywhere a trace of disease remains will Catarrozone follow. You'll not have colds, nor will you suffer from sniffles, bronchitis or throat trouble if Catarrozone is used. Get it today. 25 cts. and \$1.00 at all dealers.
