Scout News and Notices

"The Scout's Promise"

"On my honour, I promise that I will do my best.

- 1. To do my duty to God and the King. 2. To help other people to all I can. 3. To obey the Scout Law.

The Scout Law

The following is the law which every Scout and Rover Scout on joining promises to obey.

- 1. A Scout's honour is to be trusted. 2. A Scout is loyal to the King, his country, his officers, his parents, his employers, and to those under him. 3. A Scout's duty is to be useful and to help others. 4. A Scout is a friend to all, and a brother to every other Scout, no matter to what creed, country or class the other belongs. 5. A Scout is courteous. 6. A Scout is a friend to animals. 7. A Scout obeys orders. 8. A Scout smiles and whistles under all difficulties. 9. A Scout is thrifty. 10. A Scout is clean in thought, word and deed!

For Wolf Cubs there is a simpler promise and law:

- "I promise to do my best, To be loyal and to do my duty to God and the King, And to keep the law of the Wolf Cub Pack, And to do a good turn to somebody every day."

The Cub's Law

"The Cub gives in to the Old Wolf, The Cub does not give in to himself."

"Sixth Charlottetown Troop"

This is the new troop which has been organized in the parish of the Church of the Holy Redeemer.

It will have as its Scoutmaster, Mr. William F. Bradley, and the following energetic troop committee will supervise the activities of the new troop: Rev. Joseph McGree, C.S.S.R., Mr. James Leichtizer, Mr. James Coyle, Mr. William Hennessey.

The first regular meeting of the Troop was held last Thursday night at the Redeemptorist Rectory, Euston Street. Two patrols of seven boys each form the nucleus of the Troop, with James McInnis and Reginald McCarville as Patrol Leaders, and Zeverinus Arsenault and Ivan Walsh as seconds.

Scout William Burnett, one of three scouts that represented P. E. Island at the World Jamboree, has formed a Rover Patrol at Acadia University.

After the meeting a Court of Honour was then held at which plans for the next meeting were drawn up and other matters regarding the welfare of the troop were discussed.

"King's Own" St. Peter's Troop

Last Friday night a "get-together Bean Supper" was held by this Troop. Twenty-four Scouts were present and three guests, Rev. Canon Malone, Mr. George Filler, Mr. R. C. Parent.

The troop wishes to thank Mrs. Cotton, Mrs. Poole, Mrs. Filler and Mrs. Cosh who kindly prepared the supper.

Several scout games were played during the evening.

Cubs

Cubs still continue to come out in large numbers to the meetings and when they cross over the line into Scouts, this Troop will no doubt still continue to be the largest banner of the Province.

Baptist

Eleven Scouts were present for the meeting Monday, Jan. 19th. The first practice for the concert was held.

Snowshoe or Varying Rabbit was the animal studied, and it was learned that this animal is found in all parts of Canada.

Patrol Competition was won by the Wolf Patrol.

St. James Troop

Sixteen scouts were present at the Friday night meeting. Mr. Lawson, an old Rover Scout from B. C., was a visitor.

The Rev. Moorhead Legate gave an interesting talk on the "Carrier Pigeon in the Great War."

He explained how the Carrier Pigeon or Homing Pigeon was used in carrying messages during the Great War.

They are large birds with long wings. They have been used from the earliest times and are now kept in large numbers in various parts of the world.

Their speed is marvellous and the distance through which they can fly without rest seems almost incredible.

Rover Scout

Scout William Burnett, one of three scouts that represented P. E. Island at the World Jamboree, has formed a Rover Patrol at Acadia University.
