**DEATH OF WALTER MURPHY**—The death took place in the Prince County Hospital on Thursday of Walter Murphy, at the early age of 20 years, after an illness of short duration. He was the son of Peter J. Murphy, of McNeill's Mills. Much sympathy goes out to the bereaved family in their sad loss. The funeral takes place on Saturday at the Presbyterian Church at Lot 11.—S.

**SLIGHT ACCIDENT**—Mr. Horace Clark, who has charge of Cedar Park Ranch, at Summerside, met with an unfortunate accident on Wednesday evening. He had finished the chores at the ranch and was carrying two pails of milk up to the house when he slipped on the rough ground and broke his ankle. There was no one about so he was obliged to crawl to the house, which was some distance away. Upon his arrival the doctor was sent for and he was taken to the hospital, where it was found his ankle was badly fractured. He was able to return home on Thursday although he will be laid up for some time. Mr. Clark is a brother of Mr. Peter G. Clark and had recently returned from the west.—S.

**PASSING OF NORMAN MONTGOMERY**—Bedque has lost one of its most outstanding citizens in the death on Thursday of Norman Montgomery. Mr. Montgomery was a native of Bedque and had resided there all his life. He was a very successful farmer and a man of very fine Christian qualities and will be much missed by his many friends, not only in Bedque but throughout the Province. There are left to mourn his widow, formerly Miss Brown, of Summerside, two sons, William and Archibald, and two daughters, Miss Sylvia, R. N., and Miss Mary, all of Bedque, to whom much sympathy is expressed. The funeral takes place this afternoon from his late residence to North Bedque Cemetery.

**SUPER AND ENTERTAINMENT**—The ladies of Edith Cavell Lodge, L. O. B. A., Summerside, entertained on Thursday evening at a bean supper in their lodge rooms. **ADDRESS AND PRESENTATION**

On Monday night January 11th, the congregation of the Mount Stewart Presbyterian Church met at the home of the organist, Miss Marion MacKenzie for a social evening and as well to show their appreciation of her work as organist for the past year, and presented her with a well filled purse and address. The address was read by Mr. Albin Douglas, and the presentation made by Mr. Walter Jay, M's MacKenzie although taken by surprise, in a few well chosen words expressed her appreciation of what her friends had done for her.

Misses Margaret Douglas, Jean Jay and Winnifred MacKenzie, were also presented with a New Testament each for General Proficiency at Sunday School for the past year. The remainder of the evening was spent in music and games. A dainty lunch was served by the ladies.

The happy event was then brought to a close by the singing of "Auld Lang Syne" and "God Save The King".

Following is the address: Mount Stewart, January, 11, 1932

Dear Marion: We are gathered here tonight not only for a social hour, but also as a congregation, we wish to express our appreciation of your services as organist in our church, you have always proved faithful, not once during the last year have you been absent from our church services which no doubt meant some sacrifice for you, and we ask you to accept this gift as a token of appreciation from your friends of Mt. Stewart Presbyterian Church.

Signed on behalf of the Congregation.

**ACID stomach**

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. It is responsible for most of the everyday ailments that people suffer; sick headache, sluggishness, nausea, biliousness, gas on the stomach, etc. The quick corrective is an alkali which will neutralize the acid. The best corrective known to medical science is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention. One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. It is harmless and tasteless and its action is quick. You will never rely on crude methods, never continue to suffer when you learn how quickly, how pleasantly this premier method acts. Please let it show you—now. Go to the drug store and get a bottle to try. Take it tonight, and find the simple directions you find in the package. Learn what it means to have a well-alkalinized system. See how much better your general health will be. How seldom you will catch cold.

Be sure that you get the genuine Phillips' Milk of Magnesia that physicians prescribe. It is sold in 30c bottles at drug stores everywhere throughout the Dominion. To keep the teeth white and guard against acid mouth, use Phillips' Dental Magnesia; it is a superior tooth-paste. (Made in Can.)
