**TUESDAY.**  
**RESIGNED POSITION.**—Mr. William J. Brown, for the past seven years a member of the staff of Messrs. Reddin Bros., Charlottetown, has resigned his position, and severed his connection with the firm on Saturday last.

**GIFT OF CHARITY.**—Mr. J. R. Dinnis, the well-known fox man of Charlottetown, has very generously presented to Mr. Gypsy Simon Smith one hundred-dollar share in his fox company as a contribution towards the work of evangelisation. Mr. Dinnis is to be commended upon this act of generosity, one of many such from the proceeds of his magnificent fox business.

**HOSPITAL FOR FOXES.**—Dr. J. S. Croken, Veterinarian, who has lately removed to Charlottetown, is establishing a hospital for the treatment of foxes and other fur-bearing animals. The hospital will be within 20 minutes walk of the centre of the City and will be perfectly equipped in every way. The intention is to treat sick foxes for ranches or fox owners who have not the facilities in their own ranches. It will fill a long felt want and should prove a very remunerative investment.

**SUPREME COURT.**—The Easter Term of the Supreme Court for Queen's County opens at the Court House, Charlottetown, this morning at eleven o'clock. The docket is a small one. Up to yesterday there were only two cases docketed: in re George A. B. McDonald, and Patrick Foley v. Elijah H. Raynor. The first-named matter is an application for a writ of certiorari in respect of a prohibition prosecution brought against the applicant, for whom Mr. J. J. Johnston, K. C., appears. In the other matter a motion is being made in regard to a case heard at the February term of the Court in King's County. The plaintiff sought to recover on a promissory note alleged to have arisen out of some fox transactions. The jury found for the plaintiff in the sum of \$3,068.75, which judgment is now to be brought under review. Mr. Stewart, K. C., appears for the plaintiff and Mr. Saunders for the defendant.

Although not unexpected, the announcement of the death of Mr. George E. Auld of this City, which occurred yesterday afternoon in the Royal Victoria Hospital, Montreal, came as a shock of surprise and sorrow to citizens, almost all of whom knew him and esteemed him highly. Only two weeks ago he had gone to Montreal for special treatment, confident in the hope that his restoration to health was but a matter of a few days or a few weeks. This hope was shared with equal confidence by his many friends but it was otherwise willed; his condition became more alarming shortly after reaching Montreal, and under the best medical skill and the loving care of his wife, who accompanied him, he sank gradually till the end came. A telegram received on Saturday partially prepared his friends for the sad event which was announced by telegram yesterday afternoon.

The late Mr. Auld was a splendid type of the successful business man and the ideal citizen. He began business in Charlottetown when quite a young man, in partnership with his brother, Mr. James Auld, under the firm name of Auld Brothers. The firm handled produce, making a specialty of eggs, and their business prospered until it became one of the largest mercantile concerns in the province. Although the business has continued under the name of Auld Brothers, he deceased was the sole proprietor for the last twenty years or so, his brother having retired, owing to ill health in his family, and since residing in Colorado.

As a citizen the late Mr. Auld was public spirited, charitable and always ready to help in every thing that made for the progress of the city or the welfare of its people. In his death the commercial, civic and social life of Charlottetown has suffered a distinct loss.

He leaves to mourn his wife, formerly Miss Margaret Crabbe, daughter of the late Mr. William Crabbe, Charlottetown, one daughter, Miss Marion, at home, and three sons, Clyde, a student in McGill College and who was with his father during his illness and death; Ernest and Edgar at home, including several other brothers. His former partner, Mr. James Auld, who was with him during the last few days, and two sisters, Mrs. Fraser of Bedouque and Mrs. Simmonds of Freetown.

**INDISPOSED.**—His many friends will regret to learn that Mr. Richard Grant, Charlottetown, is ill and will not be able to be about his business duties for a short time.

**IMPROVING.**—Mr. Albert Wilson, Charlottetown, who was recently operated upon for appendicitis in the City Hospital, is improving and making satisfactory progress towards recovery.

**POLICE COURT.**—At the Police Court in Charlottetown yesterday the Prohibition case against John McKenna, vendor, was adjourned for a week. Charles McQuillan, charged with malicious injury to property, was remanded until May 11th, the principal witness being unable to appear owing to injuries received.

The funeral of the late Mrs. Maurice Devenney late of Philadelphia, took place to Kelly's Cross Church on Saturday morning, 25th April at 10 o'clock, when a High Mass of Requiem was celebrated by the pastor Rev. Dr. Curran. The pall bearers were Messrs. Neil Cameron, Alex. Cairns, Oswald Kelly, W. T. Woods, J. E. Trainor, and G. E. Kelly, the funeral undertaker being Mr. M. Kennedy, Bradalbane. The late Mrs. Devenney was a daughter of Mr. and Mrs. Pierce Kelly, Stanchel, and was only in her 34th year. She and her husband were visitors to her home here only once or five years ago, and then apparently was in the bloom of health. About a month ago she underwent an operation in the hospital in her home city Philadelphia, and for two weeks afterwards appeared to be doing nicely, but on Monday morning the 20th April at 3.30 she passed away, although the early part of the night she had written three or four letters, and had a pleasant chat in the hospital with her husband until 11 o'clock. But such is the uncertainty of this life, and the slim hold poor mortals have of it. The deceased had friends by the hundreds both in her native and her adopted homes, young and old loved her, her good nature and generous traits of character making her a favorite of those who had the pleasure of associating intimately with her. She came to mourn, her disconsolate husband, who accompanied the remains to the island, her parents and four brothers and four sisters, to all of whom is extended sincere sympathy.

**NEW HOPE FOR SUFFERERS FROM PARALYSIS**

There are cases of paralysis that cannot be cured. But that is far different from saying that every case of paralysis is incurable. There is absolute proof that many forms of this disease are curable. Of these cases that cannot be cured many can be so benefited that the formerly hopeless sufferer will once more find life worth living.

Attention is called to the remarkable cures that have been effected in cases of partial paralysis, and other severe nervous disorders, by the use of Dr. Williams' Pink Pills for Pale People. Some of these cures are so wonderful as to challenge belief, but in every case the statements have been carefully verified, and may be investigated by anyone interested. In this connection the case of Miss B. Millehan, of St. John, N. B., is worthy of the most careful attention. Miss Millehan says: "Some three years ago I was taken seriously ill with diphtheria. The doctor brought me safely through this dreaded trouble, and I was assumed to be well. But two weeks later I took a relapse, my throat and limbs becoming paralyzed. I could neither speak nor walk. I was under the best of medical care, and after a few weeks was able to sit up in bed but my throat was still completely paralyzed and I could only utter unintelligible sounds. I was treated by three of St. John's best physicians for this trouble and my case was given up as hopeless. A friend asked me to try Dr. Williams' Pink Pills, but I had spent so much on medicine without help that I thought it would be only a further waste of money. However, I felt myself growing daily weaker and weaker, and I decided as a last chance that I would try the Pills. By the time I had taken a half dozen boxes I could walk across the floor, something doctors had told me could never happen again. I still continued taking the pills, my speech returned, and I felt myself in perfect health. My friends thought my restoration nothing short of a miracle, and I think myself that I have to thank Dr. Williams' Pink Pills that I am living today, and I feel confident they can do quite as much for others as they did for me."

Dr. Williams' Pink Pills effect cures in cases of this kind because they make new rich red blood which feeds and strengthens the nerves, and tones up the whole system. If you are in need of a medicine give these pills a trial. We are confident you will not be disappointed. Sold by medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Rev.ville, Ont.

B., Box 94, 1895-4-16M1900.

**Both A Bread Flour And A Pastry Flour**

"A woman always wants a reason, but never gives one". So we are going to tell you just why "Beaver" Flour is a bread flour and a pastry flour—as good for one as for the other—and best for both.

Ontario Fall Wheat is the most nutritious wheat in the world—rich in flesh and strength building qualities and with a full rich flavor and splendid pastry making qualities.

Manitoba Spring Wheat has more strength than Ontario Fall Wheat—but is not so good for pastry.

Naturally, the perfect flour is the one that combines the good qualities of both Ontario and Manitoba wheat. This is exactly what "Beaver" Flour does. It is a blend of Ontario Fall Wheat and Western Spring Wheat. It contains exact quantities of each.

"Beaver" Flour has the real home made flavor that a Western Wheat flour lacks—it makes deliciously light, tasty Cakes, Pies and Fancy Pastry.

**Order "Beaver" Flour**

for your next baking day. Put it to the test. Try it for both Bread and Pastry—and see for yourself the convenience and economy of using a true blended Flour. Dealers—Write us for prices on Feed, Coarse Grains and Cereals.
