Nervous And Almost Crazy With Pains in the Head

CLERGYMAN CERTIFIES TO THIS CURE OF NERVOUS PROSTRATION BY THE USE OF DR. CHASE'S NERVE FOOD.

No ailment is more discouraging than Nervous Prostration. You may feel better for a day or two, only to find the next day that you have lost ground and are worse than ever.

The headaches are worse, languid feelings are terribly depressing. As you lose strength you lose hope and courage and look to the future with fear and trembling.

Dr. Chase's Nerve Food is the great blessing that has ever come to the sufferer from nervous exhaustion. It is not narcotic in its influence. It does not deaden the trembling, irritated nerves, but through the medium of the blood nourishes them back to health as nothing else can.

"This is to certify that I am acquainted with Mrs. A. B. Eisner and believe her statement in regard to Dr. Chase's Nerve Food to be true and correct."—Rev. Arthur A. Whitman.

Some patience is required in the treatment of nervous prostration, but you will not be using Dr. Chase's Nerve Food long before you begin to find your strength and good cheer returning. You will then be encouraged to continue the use of the food cure until cured. 50 cents a box, all dealers or Edmondson, Bates & Company, Limited Toronto.

manac, so that I might read about the Nerve Food. A single box of this treatment convinced me of its value, for I was better. I cannot tell how many boxes I used, but the results were so highly satisfactory that I cannot praise it too much. My health and strength have been restored so that I can do all my own work, and I recommend the Nerve Food to all who suffer from nervous prostration.

"I was very low with nervous prostration and was about discouraged as I could not sleep nights and was almost crazy with the pain in my head. I had tried many doctors, but seemed to get little benefit from his treatment."

"A friend handed me Dr. Chase's Nerve Food. I used it for a few days and the pain in my head disappeared. I am now as well as ever."

I OWE MY HEALTH

To Lydia E. Pinkham's Vegetable Compound.

Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would aches all over and feel so sick that I would not want anyone to talk to me at times.

Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say "Why do you look so young and well?" I owe it all to the Lydia E. Pinkham remedies."

—Mrs. ROBT. SPROLIS, Moore Avenue, Washington Park, Illinois.

We wish every woman who suffers from female troubles, nervousness, backache or the blues could see the letters written by women made well by Lydia E. Pinkham's Vegetable Compound.

If you have any symptom about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.

Anemic People

NEED MORE IRON IN THE BLOOD.

If you are anemic, you need more iron in your blood, and the tell-tale symptoms are a pale face—colorless lips, aching finger nails, poor circulation, and short breath, and more serious diseases are easily contracted when in this condition.

Mr. W. H. Hodges, of Kansas City, Mo., says:—"I suffered from the effects of bad blood, was run-down, dizzy, had headaches and did not feel like working. I had tried Beef Iron and Wine without any help. After taking Vinol four days I noticed an improvement and its continued use built up my blood and my bad feelings disappeared like magic."

The bad effects of poor, deoxygenated blood cannot be overstated, and it is the peptonate of iron and the true cod liver extracts contained in Vinol, together with beef peptone, that enriches the blood, improves the circulation and in this natural manner builds up health and strength. Try it on our guarantee.
