CHURCH SERVICES

TRINITY UNITED CHURCH

In perusing the reports of the different Conferences that have taken place in different parts of Canada during the past two weeks it is gratifying to learn of the spirit of optimism which prevailed, the progress which has taken place and the enthusiasm with which the leaders are entering upon another year's work, but above all it must have been an inspiration to the delegates to witness the large number of splendid young men who this year in several of the Conferences were ordained to preach the word.

Large congregations greeted Rev. Principal MacKinnon of Pine Hill Divinity Hall, who occupied the pulpit at both services yesterday. In the morning he took as his text 1 Cor. 1-21, "It pleased God by the foolishness of preaching to save them that believe" and in the evening Psalm 20-7, "Some trust in chariots and some in horses but we will remember the name of the Lord, our God."

Dr. MacKinnon's special mission to the city at this time is in support of the appeal of \$50,000 for Pine Hill. This is the first appeal for funds ever made to this Church on behalf of Pine Hill. \$31,000 has already been raised. The Island Presbytery is asked to raise \$5,000 and Trinity Church has set as its objective fifteen hundred dollars. This is not an imposing sum to raise even in this year of acknowledged depression and the Official Board of the Church who have endorsed the appeal believe that it will have the generous support of the congregation.

THE BAPTIST CHURCH

Rev. Horace C. Morgan of Dundas, occupied the pulpit morning and evening yesterday, preaching effective sermons to large congregations on each occasion. The subject of the morning sermon was "The Reality of Faith," the speaker basing his thought on 1 John. 5, 4, "And this is the victory that overcometh the world, even our faith." The primacy of faith, its fundamental influence, its power were clearly and impressively brought out by the speaker. The evening subject was "What we stand for."

A large choir, under Mrs. G. Elliott Full's direction led very graciously in the ministry of song. Mrs. A. C. Vincent, soprano, sang with much feeling "What is Thy Will" (Baltimore) at the evening service.

being the only one on the ballot as Councillor, he was declared, amid applause, to be unanimously nominated.

Mr. MacDonald recently underwent a serious operation in Montreal. He is now enjoying excellent health though still under medical care. In the circumstances, he explained that he would be unable to make a personal canvas, and only allowed his name to go before the convention on that understanding.

Mr. MacKinnon asked to have his name withdrawn from the balloting for Assemblyman.

Scrutinizers were appointed in the persons of Messrs. George Poole and James McIntyre. The balloting for Assemblyman resulted as follows: Mr. MacLeod, 47. Mr. Richards, 3.

On motion of Mr. Richards, in a sportsmanlike speech in which he pledged his full support and co-operation, Mr. MacLeod's nomination was made unanimous.

The result was acclaimed with loud applause.

Mr. MacLeod expressed his sincere appreciation of the honour conferred upon him.

Mr. MacDonald also warmly thanked the convention for his nomination. He was glad to have Mr. MacLeod as his colleague, and expressed his confident determination, with the support and approval of the electors, of carrying the district in the interests of the Conservative party and the Province generally.

The chairman stressed the great importance of organization. Despite his advanced years, he looked forward with enthusiasm to the campaign, in which principles were involved of the utmost importance to the people of this Province. He then called upon the Hon. J. D. Stewart, whose speech on the issues in the coming contest is reported elsewhere in The Guardian.

Hon. Mr. Stewart referred to the splendid attendance and enthusiasm at the meeting, also to the admirable choice of candidates.

During the four years Mr. MacDonald had represented the District as a member of the Legislature under the Conservative Government no man had stood higher in the estimation of the members on both sides of the House. Mr. MacLeod is a new man in politics, but he has an excellent reputation, is thoroughly acquainted with the District, and should make a very satisfactory candidate.

Mr. Stewart also congratulated the chairman upon his vigor and interest in public affairs, and expressed the hope that he would see many more years of active citizenship. His presence at the meeting, Mr. Stewart declared, was an inspiration to all present.

Votes of thanks to the chairman and to Hon. Mr. Stewart for his inspiring address, were passed and the meeting closed with the National Anthem followed by hearty cheers for the candidates.

We will please you—if it's possible.

The Phantom Bell Ringers

A Story of the Auld Kirk, Charlottetown.

(By J. Edward Rendle, reprinted from The Prince Edward Island Magazine of December, 1890.)

(Continued from Page 4)

"Fairy Queen" had been lost in the strait between Pictou, Nova Scotia, and Cariboo, and seven lives had been lost, ladies and three men, being in whom were members of St. James' Church congregation, recalled to the minds of the parties interested the strange events of the morning, the appearance of the women, and the ringing of the bell, which was thought by Capt. Cross to have sounded like a ship's bell. To the above mystery I can offer no satisfactory solution. Life—for the present we are but half alive—is full of the marvellous. That we may understand more of the marvellous capacities latent in ourselves, and of the phenomena which surround us, is the object for which this narrative has been written.
