**Dry Goods Prices VS Furniture Prices**

Said the manager of one of Canada's largest Departmental stores, whose catalogue may be found all over our Province:—"I would say that during the last ten years we have sent to P. E. Island \$50.00 worth of General Dry Goods, CARPETS, clothing etc. to every \$1.00 worth of Furniture." If this Departmental store, sold \$1.00—Worth of Furniture per month in P. E. I. they would in the same period esll \$5,000.00 worth of Dry Goods & c.

Personally we believe that quality considered both Furniture and Dry Goods have been sold in the past at fair prices. Yet any dealer desiring to do so can easily get the names of dozens of families who for years have imported the bulk of their Dry Goods, Carpets, Clothing &c from Toronto.

We show the **LARGEST STOCK** of **FURNITURE** and **CARPETS** ever gathered together in this Province. And we can sell you goods at about the same price as some dealers (who are ignorant of Furniture values) have paid for their goods. This **LARGE STOCK** is open for inspection by the Public and we may add:—

**Its Going to be Sold.**

Good housekeepers are most particular about their mattresses. We have kept this fact in mind in all our purchases. Our \$3.00 cotton top mattress is just as pure and clean as the highest priced one we sell at \$14.50. Other prices between \$3.50, \$4.00, \$4.90, \$5.00, \$5.85, \$6.85, \$11.00, \$12.90. Our patent elastic felt mattress in two parts at \$11.00, is a beauty, and the very essence of comfort.

**GLENALADALE FARM FOR SALE**

This farm, late the residence of John Archibald McDonald, Esq., deceased, is situate on Township No. 35 and 36, and contains 500 acres, of which about 200 acres are under cultivation. It is distant from Charlottetown by road about 12 miles, is quite near to Tracadie railway station, and fronts on the St. Peter's and Mill Cove roads and Bedford or Tracadie Bay. On the premises are a large brick residence, and stables and barn in one building, giving ample accommodation for everything in connection with farm operations. A good carriage road extends from the ground to the lot of the farm. A large silo adjoins the barn. These buildings are all comparatively new and of the best construction. Pure water from a never failing spring is brought to the residence and stable by underground pipes laid by an engineer from Montreal.  
Offers for this valuable property or any part of it will be received at the office of the undersigned, King Street, until further notice. For further particulars apply to
