SMART BLACK COSTUMES.

They are Very Useful and Becoming to the Average Woman.
The smart woman fully recognizes the charm and adaptability of a good black gown, and the accessories now in vogue are simply made for the black toilet. The soft silky fabrics of the moment are most effective in black, and transparencies are easily arranged by means of a white slip.
The smart black skirt worn with a blouse either of tinted lace worn over white or of white taffeta lavishly

WALKING SUIT.

adorned with tinted lace is quite a modish toilet with a loose sack wrap of some description, but preferably in white or the palest putty or biscuit cloth.

The new white coque boas, tipped with black chenille or powdered with black petals, are most fascinating with a black toilet, and the white lace picture hats bordered with wide rims of velvet are ideal with black gowns. Big scarfs in tinted lace are worn over white blouses. The scarf is first drawn tightly around to the back and then draped again to the front to form a loose drapery over the bodice.

There never was such a season for lace, not only on dresses, but on outside wraps, which in many cases are made entirely of it. The manufacturers of today are perfect wonders in copying real Venetian point, renaissance, etc.

The picture shows a walking suit of black trimmed with fancy braid.

HIS TROUBLES NEVER CAME BACK

Ernest Grant took Dodd's Kidney Pills—They Removed the Cause

He had Backache and Urinary Trouble for Twelve Years before he used the Great Kidney Remedy.

MONTREAL, July 24—(Special)—Ernest Grant 257 1/2 Urbain street, this city is among those who never let an opportunity pass to say a good word for Dodd's Kidney Pills. He has his reasons for this, and here they are in his own words:

"I had been troubled with Backache and Kidney Disease for twelve years," says Mr. Grant. "My urine was very dark and high colored. I would lose my rest at night on account of having to rise often to urinate. I could get nothing to help me.

"I tried several remedies, but all failed until I used Dodd's Kidney Pills. When I had taken four boxes, I was able to go to bed and take my rest, my Backache left me and I was cured. It has never come back."

When Dodd's Kidney Pills cure, the disease never comes back. They remove the cause.

WARM WEATHER MILLINERY

Straw Hats Have Taken the Place of Chiffon to a Large Extent.

A great variety of fancy straw hats are to be seen this season, and not so many chiffon hats as heretofore. When these chiffon hats are used, they are exclusively for dressy occasions and are made of tiny ruffings and shirings mixed in with straw or satin braid.

All the hat shapes are larger than ever and if anything flatter. The trimmings are put on in flat fashion, and this is true even of feathers, all grets being the only exception, and of ten they are set in at an angle which takes away a good deal from their height.

A great variety of small flowers, rosebuds, fuchsias, small berries, etc.,

TAILOR MADE HAT.

are being used for trimmings. This is especially the case with tailor made hats, where garlands of these are applied on the brims. Hats made entirely of leaves or flowers are always smart and are trimmed with rosettes of pale colored tulle or satin ribbon.

For country wear with tailor made frocks Paris milliners are inventing all sorts of odd straws. There is a certain amount of smartness noticeable in the biscuit straw and black chiffon bow on a black turban hat with odd tassels and loops of straw at the back. Straws as a rule are rather hard, and the cunning of the Parisian milliner is shown by the fact that she is mixing them with gauging or tucked chiffon, the softening effect of which no one can deny.

The hat in the illustration is a new tailor made model of cream straw trimmed with white silk and rosettes and quill in a dark red shade.

TO THE SUFFERING.

The following testimonial may be read with interest to sufferers from skin eruptions of various kinds:

January, 29th, 1902.
Dear Sirs.—I notice your advt. in a paper about your wonderful eczema cure and I feel it my duty to tell you that I was induced to try it as I had been afflicted with skin trouble in my hands for 14 years. I have tried several doctors and they done me no good. I only used one box of Dr. Clarke's Sure Cure for Eczema. It has made a complete cure. I recommend it to all suffering from skin disease. My hands were so bad that the nails used to come off. You can use my name if you wish.

Yours Truly,
MR. JOHN WOOD,
Peak's Station, P. E. I.

Dr. Clarke's Sure Cure for Catarrh is also one of the best remedies on the market. We are daily in receipt of letters telling how much they have done for the afflicted. Miss Sarah Hill, 412 Front St., Traverse City, Mich., writes: "I have been wonderfully helped by the use of your catarrh cure; send me another dollar's worth."

Peter D. McFadyen, Riverdale, P. E. I., writes: "I am very busy, but just drop a line to say I highly recommend your catarrh cure. It has done grand work for me. I am so much better."

The above preparations, also Dr. Clarke's Little Red Pills, sent by mail; three boxes for \$1.00. Or they may be obtained from your local druggist. Address Canada Chemical Company, Peterborough.

Dr. Clarke's wonderful Little Red Pills are a positive and certain cure for rheumatism, asthma, paralysis, coughs, lame back, indigestion, all stomach and liver troubles, female complaints, even when the diseases have been standing for many years; the most stubborn cases will yield for sale by C. D. Rankin, McDonnell & McKinnon, Geo. B. Hughes, H. A. Ellis, J. G. Jamieson, A. W. Roddin, Johnson & Johnson, Reddin Bros. or sent direct by mail, by addressing: Dr. Clarke Medical Co., Peterborough, Ont., 50 cents per box, or 3 boxes for \$1.00. Dr. Clarke's Sure Cure for Catarrh, and Dr. Clarke's Sure Cure for Eczema, same price \$1.00 will be paid for any case they will not permanently cure.

WILL CALL. EV. MR. BATES.
