his theatrical interests here to the Trans-Canada Theatres, Limited and received a cheque for a million dollars, which he deposited in a bank here on December 2, and then mysteriously disappeared, is still missing. No word has been heard from him at his home today, notwithstanding that anxious inquiries had been made through every possible avenue of information. So far as can be learned, no withdrawals from Mr. Small's bank accounts have been recorded since his disappearance. He was reported a wealthy man, and it is feared that he may have been the victim of a holdup. Mr. Small was a large holder in the Trans-Canada Theatres, Limited, and was to have taken an active part in the management thereof.
