I'm a better man than you — and I'll prove it!

Our contempt for the Japanese has got us into a lot of trouble. They have set out to do a certain job, and up to now they've done it according to schedule. Their present drive means that every man in the field, in the navy, in the air force, is doing his utmost — and every civilian at home backing their men to the limit.

Krauts draw boos Instead of cheers From hockey crowds

MIDLAND, Ont., March 27—(CP)—To the amazement of a lot of people, Milt Schmidt, Porky Dumart and Bobby Bauer are being booed whenever they step onto the ice for Ottawa R.C.A.F. Flyers in the Allan Cup hockey playdowns. The sentiment among the crowd which roars against the famed Kraut line of Boston Bruins seems to be that it's all their fault that the amateurs against whom they play are not as good. And as the list of victories scored by the Flyers mounts, the boos grow louder.
