Increase In Telegraph Dispatches

(Special to The Guardian)

MONTREAL, Que., April 26—The last several days of business have occasioned more telegraph messages over Canadian National Telegraph wires than for any like period since last August, officials state. The line between Montreal and New York is especially affected. It has been necessary to install five new tickers and the additional activity brought employment to four more telegraph operators in Montreal. Renunciation of the gold standard by the United States and improvement in Canada-United States exchange rates, are given as apparent causes.

SASK. MINISTER BOOMS NEW PORT

REGINA, April 22—(C.P.)—Optimistic over the future of Manitoba's new seaport, Hon. J. A. Merkley, Saskatchewan minister of railways, labor and industries, said sufficient business is in sight to bring 18 ships, possibly more, into Churchill this season.

There also were prospects facilities for handling cattle would be installed, said Mr. Merkley. Bulk of the outgoing cargoes would be grain, he said, and it is expected certain lines of groceries would be brought in through Churchill.

He feared most of the binder twine used in the west would be lost to the port, however, owing to excessive insurance rates on cargoes entering the port at a time when ice was prevalent in the straits. Port charges arranged by the Dominion government were satisfactory and will not exceed minimum rates at other Canadian ports.

IN MEMORIAM

MURDOCK MCLEAN

His host of friends would learn with deep regret that Mr. Murdock MacLean, an aged and highly esteemed resident of North Wiltshire, had passed away on the afternoon of Friday, March 24th.

He had not enjoyed good health for a number of years but until a few days previous to his passing he took an active interest in the business, the community, the church life, as well as the great problems of a troubled world.

Mr. MacLean was the son of Donald MacLean and Anne Morrison, both natives of the Isle of Skye, Scotland, and who were among the pioneer settlers of the province.

He was born at West River eighty years ago and when still a boy came to North Wiltshire qualified to set up business as a merchant tailor. He was successful in this enterprise and after some years he and his brother John entered into partnership and built up a large general mercantile business as the well known firm of MacLean Bros.

The late Mr. MacLean was a man of outstanding character and true worth, admired for his genuine qualities of heart and head. His ready sympathy, his humility of spirit, his reverence for the sacred, his unbounded hospitality, his kindness and christian charity endeared him to those who were privileged to know him. He took a deep interest in all the important questions of the day and contributed liberally to every worthy cause but his special interest which amounted even to a passion was in the church, not his own church only, but any church that he knew was fostering the kingdom of righteousness. He was a Presbyterian and in 1925 became a member of the United Church of Canada.

He was a man of strong faith and undaunted courage and though severely tested proved equal to the trial and when after a brief but happily married life his partner, formerly Bessie MacLeod, daughter of the late Mr. and Mrs. John K. MacLeod of Springton, was taken from him, he kept his family of seven little ones together and reared and educated them for useful citizenship.

He is survived by two brothers, John of North Wiltshire and Archibald in California. Three sisters predeceased him, Margaret, Mrs. John Nicholson, formerly of Dundas; Mary, Mrs. John Nichol-

son, formerly of California, and Catherine, Mrs. Paul MacPhee, formerly of Long Creek.

His sons are Stirling of Charlottetown, Gordon and Morrison at North Wiltshire, Seldon and Lorne, medical doctors, at present located in New York; two daughters, Florence, Mrs. (Rev.) W. J. MacLeod of New Glasgow, and Bessie at present a student at Prince of Wales College.

The members of the family were all present at the funeral which was held from the home on the afternoon of March 28th and was conducted by his pastor, Rev. S. E. Boothroyd, assisted by Rev. W. J. MacLeod. The whole service bore tribute to the passing of a christian life in an atmosphere radiant with the sunshine of eternal hope. The hymns sung were favorites of the departed rendered by the choir of North Wiltshire United Church and Mr. George Beers of Charlottetown sang with great feeling "Peace, Peace, Wonderful Peace," which often cheered the heart of the departed in former years.

The floral tributes were very beautiful and were as follows: Pillow, family; wreath, Florrie and Wilfred; pillow, John MacLean and family; crescent, Commercial Class of Prince of Wales College, Dr. Wendell and Miss Lillian MacKenzie; spray, Mr. and Mrs. L. A. Stewart; spray, St. John's Lodge A. F. and A. M., Charlottetown; wreath, Mr. and Mrs. Stephen Thompson; spray, Mr. and Mrs. James Thompson; wreath, Mr. Bracken Thompson.

The honorary pall-bearers were Roderick MacLeod, Daniel MacLeod, William Cullen, William Coady, Ewen Campbell, L. L. Jenkins. The active pall-bearers were his five sons and his nephew, Daniel MacLean of North Wiltshire.

Interment was at Hartsville Cemetery where the Rev. R. H. Stavert assisted the pastor in the service.

ST. VINCENT DE PAUL LADIES AID MEETING

The closing meeting of St. Vincent De Paul's Ladies Aid for this year was held at Notre Dame Academy on Thursday afternoon, Mrs. J. B. McAulay in the chair. Rev. E. O'Hanley of the Basilica staff Rev. Mother Superior of Notre Dame and Rev. Sister St. Alberta, were present. The following report of the secretary was read and adopted:

THE FORTY-EIGHTH ANNUAL REPORT OF ST. VINCENT DE PAUL SEWING CIRCLE

Another year has rolled away, and St. Vincent De Paul Sewing Circle is still carrying on its work of love and charity. The first meeting for 1933 was held on Jan. 12, Rt. Rev. Mgr. Maurice Macdonald, D. P. presiding. The officers of last year, viz. Hon. president, Mrs. K. J. Ledwell; president, Mrs. J. B. McAulay; vice president, Mrs. F. McKearney and the undersigned secretary, were unanimously re-elected.

After plans were laid for the winter's work, and other business of the day concluded, all repaired to the convent chapel where Benediction of the Most Blessed Sacrament was given by Mr. Maurice, music being rendered by the convent choir in their usual pleasing manner.

At this meeting Mgr. McDonald read one of the earliest reports of the society in existence at the present time; it was the eighth annual and was dated April fourth, 1894 showing that the society is in its forty-eighth year. The late Rev. A. E. Burke was pastor here at that time. The late Mrs. Judge D. O'M. Reddin was the first president and Mother St. Cornelia, who passed to her eternal reward this year, was Superior of Notre Dame.

The ladies met for sewing this year as usual on each Thursday afternoon, with a good average attendance. We were happy to welcome two new members this year, Mrs. Lester Henry and Miss Lucy Coady, also Mrs. J. A. McDonald of Cardigan parish and Mrs. Edmund Murphy of Vernon River, both o'd associates, were with us

again during the winter. Those ladies are all capable energetic workers, and we shall be pleased to have them again next year.

Our Circle has suffered a distinct loss in the removal from our midst of Rt. Rev. Mgr. McDonald our beloved chaplain and treasurer, who has taken up residence as pastor of the nearby parishes of Tracadie and Corran Ban, and under whose fatherly direction we carried on our charitable work for the past eighteen years. We sorely miss his kindly, genial visits to our meetings, where by his wise council he has helped us over many trying circumstances. We would like to place on record our heartfelt appreciation to him for his tireless devotion to our interests during his pastorate in Charlottetown.

We wish to thank Rev. Mother Superior for the use of a commodious well equipped sewing room and also for opening and closing our meetings with a prayer each day, thereby calling down the blessing of God on our work.

Our thanks are also due kind friends for donations of clothing received. The following articles were distributed during the year amongst the needy ones of our city:

ATTEMPT TO FLOAT VESSEL UNSUCCESSFUL

Govt. Patrol Boat Fails To Relieve Stranded Schooner.

BLACK'S HARBOR, N. B., April 26—An attempt by the Government patrol boat Phalarope to float the small, two-masted auxiliary schooner Dorothy K from the reef upon which she was blown last night, was unsuccessful today. Exposed to the full force of wind and wave, the 30-ton schooner is stranded half way between Black's Harbor and her home port, Beaver Harbor.

Unless another attempt to free the schooner at high tide after midnight is successful, it is feared she will be lost as the high mark of today's tide will not be equalled until May 8.

Captain Willard Wadlin and John McNichel, only persons aboard when the Dorothy K struck last night, assisted in the operations today. They were forced to take to a dory and reached shore with difficulty. The Dorothy K, engaged in coastal trade, was enroute to Beaver Harbor when he engine went dead. Heavy weather frustrated an attempt to make port under sail.

ed us to meet all liabilities without any outside help, leaving a satisfactory balance to help finance us into another year.

It is gratifying to feel that we have been able to bring at least a measure of relief to some of our people. It is indeed a privilege to work for God's poor, which in itself is sufficient to keep us united and unselfish as members of St. Vincent De Paul Sewing Circle.

Respectfully submitted, MINNIE MACKENZIE.

April 19, 1933.

At the close of the meeting an enjoyable social hour was spent; afternoon tea was served by the ladies, and the proceedings were brought to a close with Benediction of the Most Blessed Sacrament, given by Father O'Hanley, in the Convent Chapel.

LONDON, April 26—(A.P.)—Sir Henry Alfred McCordie, England's famous bachelor Judge, was found shot dead tonight in his home at Queen's Gate, St. James's. Sir Henry has been ill with influenza. During the last week he was convalescent but he still was suffering from the effects of the illness.

Late today a shot was heard and a number of the household staff rushed into Sir Henry's room, finding him lying on the floor, apparently unconscious and bleeding from a head wound. A revolver was found nearby.
