Special Representative, Charlottetown

In Memoriam

MR. GEORGE DUNSFORD

Many in South Melville and vicinity were surprised and saddened when they heard that Mr. George Dunsford had passed away on Saturday, Nov. 12.

He leaves to mourn his widow, formerly Janie Irene MacDonald of Cayard, also four sons and four daughters namely, Fred of Cornwall, George, of Hampton, Harry and Joseph of South Melville, Janie, Mrs. Lorne Ferguson, of Hampton, Phoebe, Mrs. Daniel MacKinnon, Lynn, Mass., Fannie, Mrs. James Stewart, Peabody, Mass., and Mary, Mrs. Louis Costello, Leonard, Sask.; also three sisters and one brother, namely, Mrs. Sarah Bell, Charlottetown, Mrs. Frank MacKenna, Albany, Mrs. Mary Jane Finley, Arlington, Mass., and Mr. Isaac Dunsford, Arlington, Mass.; also many grandchildren and great grand-

EARNSCLIFFE W. I.

The funeral services at the house and St. John's Church were held on Monday, Nov. 14, and were conducted by Rev. Mr. Mitchell of St. John's Church, Craignaud, assisted by Rev. A. C. MacPhail of Hampton United Church. The large number of relatives and friends in attendance testified to the high esteem in which the late Mr. Dunsford was held.

The ninth annual meeting of the Earncliffe Women's Institute was held at the home of Mrs. Frank Gleason, with an attendance of nine members and four visitors. Meeting opened by repeating creed, followed by roll call, which was answered by paying membership fees. Minutes of last annual and regular meetings were read and adopted. It was decided to get books for school library, also soap dish and dustpan for school. Moved and seconded that we put \$25.00 in the bank. The secretary's report showed a balance of \$35.40.

BONSHAW W. I.

The 12th annual meeting of the Bonshaw Women's Institute was held on November 18th at the home of Mrs. Elmer Crosby, with an attendance of twelve members present. Meeting opened in usual form with the President presiding. Roll Call was responded to by dues, and by each member bringing something for "Grab Bag". The minutes of the last annual and last regular meetings were read by the Secretary, approved and signed by the President. A very interesting report of the year's work was given by the retiring President, Mrs. Nell Ferguson. The sick committee reported having visited two sick persons in district and taking fruit. School committee reported having visited school and found it to be in need of a drinking fountain. It was decided to leave matter of buying one till next night of meeting. The Secretary gave an itemized report of the year's work and of the finances for the year ending November, 1938. Considerable discussion took place concerning having a Doctor come to the District to practice. It was decided that the Institute should do everything in its power towards getting a Doctor.

The following is the result of the election of officers for the coming year. President, Mrs. Nell Ferguson. Vice-President, Mrs. Frank Gleason. Secretary, Miss Mary McInnis. Directors: Miss Laura Young, Mrs. Dan McIsaac and Mrs. Ray Mutch. Auditors: Miss Laura Young and Mrs. J. W. MacKinnon. Mrs. George Praught invited the members to her home for the December meeting. Roll Call to be answered by exchange of Christmas gifts. Meeting closed by singing National Anthem and a delicious lunch was served.

Institute Anniversary

On Monday, November 1st, the members of the Pleasant Valley W. I. with their husbands gathered at the home of Mr. and Mrs. Fred Somers to celebrate the fifteenth anniversary of the organization of their Institute.

A very enjoyable evening was spent in music, contests, and speeches. Mr. Thomas Wigmore was appointed chairman and the following program was carried out. Remarks by the chairman. History of the Institute by Mrs. Hugh F. McKay.

Reading, Mrs. Thos. Wigmore. Duet, Rita and Lila Somers (entertainment). Contest, Miss Marion Stevenson. Reading, Mrs. James E. Somers. Contest, Miss Elizabeth R. McKay.

Violin Solo, Miss Hattie Farish. Violin Solo, Mrs. James T. Somers. Solo, Mrs. Wm. Morrison.

Remarks by several of the gentlemen. A delicious lunch was served by the members assisted by the hostesses. A vote of thanks was tendered the host and hostess. After bouncing Mrs. Somers all were in singing. For They Are Jolly Good Fellows.

Following is the history of the Pleasant Valley W. I. On November 1, 1923, fourteen women of the District met at the school house to organize an Institute. The Secretary explained the work and the following officers were appointed:

President, Mrs. Hugh F. McKay. Vice-President, Mrs. John B. MacDowell. Secy-Treasurer, Miss Marion Andrews. Directors: Mrs. James MacSwain, Mrs. (Rev.) O. H. Peters and Mrs. John Weeks.

Auditors: Mrs. John MacDowell, and Miss M. J. MacDowell. It was decided to hold our meetings on the second Monday of each month and the first regular meeting was held in the school on Nov. 12th. At this meeting School and Sick Committees were appointed: Mrs. John B. MacDowell and Mrs. Malcolm MacDowell for the first School Committee and Mrs. Jas. MacSwain and Mrs. William Buchanan our first Sick Committee; Mrs. (Rev.) O. H. Peters and Mrs. Hugh F. McKay for our first Program Committee. The first Roll Call was answered with Labor Saving Suggestions.

After fifteen years of organization, we note with thankfulness that all our first officers are still living and helping in the Institute work with the exception of a few who have moved. Our membership increased from fourteen members to twenty-four the first year. Now, after all the years of joy and sometimes sadness, we still have a membership of twenty-four. We also have had some valued members pass on to Higher Service. A number of our members have been married and gone to other districts and so, through them, our work is extended to larger fields.

Our Institute has done a great work for the district we represent. Those who remember the condition our school house was in when we first began our work will realize what we have done in decorating, painting, installing fountain, stove, blinds, book-case, flag, and various articles from time to time. We also have our annual Christmas Tree and treat for the children at school closing which in our school days was only a dream.

Not only have we worked for our school but we have been privileged to have a share in helping out in the building of the Provincial Sanatorium, in Hospital and Red Cross collections and in making quilts and boxes for the Orphanage.

Each year we have raised our funds in many ways by Social Evenings, Ice Cream Socials and making Autograph Quilts and other means. Our meetings have been a great benefit to our community where and discuss the topics of the day. There is still work undone that may have a part in helping in the years to come. And may we as a body of women whose motto is "For Home and Country" have a share in the making of Peace on our land and abolishing War for all time.

It is for us of this generation to perform our duties so peace will reign in our land forever. (Patriot Please Copy)

BIRTHDATE UP MELBOURNE (CP)—Australia's birthrate for the last year was the highest since 1931 and infant mortality lowest yet recorded.

President, Mrs. Nell Salmon. Vice-President, Mrs. Geddie MacLeod. Secy-Treasurer, Myrtle Crosby, (re-elected). Directors and Buying Committee, Mrs. John MacPhail and Mrs. S. Beaton. Auditors: Mrs. A. B. MacLeod, Mrs. Edwin Boyce.

The following new committees were appointed: School, Mrs. George Carson and Mrs. Nell Ferguson. Sick, Mrs. Dan Darrach and Mrs. Elmer Crosby. Entertainment, Mrs. Ed. Boyce and Miss Mildred Crosby.

A letter re Christmas Seals was read by the Secretary. It was decided to send \$5.00 to T. B. League. Next meeting to be held at the home of Mrs. S. Beaton, on Wednesday evening, December 14th. Roll Call, exchange of gifts.

On motion a hearty vote of thanks was extended to retiring officers. At close of meeting, a dainty lunch was served by hostesses.

Burn Hen's Toes For Fast Meals

MANILIA, Dec. 1.—(CP)—Talk about the Irish, have a look at the superstitions of the barrio housewives of the Philippine Islands as told by Maximo Ramos in the Philippine Magazine.

The housewife never slaps meat, for meat that has been slapped is sure to get its revenge by giving the eater a stomach-ache.

If upon opening a cocoon, she finds the shell only partially covered with meat or the water (milk) too little, she throws it all away—to avoid complete baldness!

If, while cooking, she finds sparks on the black bottom of the pot, she is sure that plenty of fish is coming into her kitchen—or else unwelcome visitors to her home! If the fire roars or the cat paws its face, she had best prepare for unexpected callers are on the way.

To hasten her cooking, she burns chicken toes in the fire, for can't the chicken scratch fast? The woman of the house does not sing or lie down near the stove; if she did, and were unfortunately widowed, she would get a very old man for her second husband.

Though it is a rare occurrence, it sometimes happens that a person in the house has to go out while the household is at the table. So that the nourishment in the food will not go out with him—and that the unmarried young men and women who are eating will not be so accused as to remain unmarried throughout their lives—the family turns around every food receptacle on the table! Dealers in china should be glad that the barrio people are superstitious; if they break a dish by accident, they break another dish to "make it a pair" for if this is not done, a member of the family will presently die, to serve as a partner to the broken dish.

WOMAN'S APPLAUSE AWAKENS MEMBERS

CANBERRA, Dec. 1.—(CP)—A grey-haired woman sat in the gallery of the Australian House of Representatives, drinking in every word of an uninspiring debate.

Members hurried from the Chamber to catch the afternoon train, and the few who remained dozed as an opposition member criticized the absent minister for defence who had been sent in Melbourne on departmental business.

The woman leaned over the railing enthralled, with hands clasped. The minister should not be engaged in mimic warfare in one of the cities, the speaker went on. He should be engaged in peaceful negotiation on the floor of the House.

The tense silence as the speaker paused was shattered as the woman clapped enthusiastic applause. Sleepers awakened and a dozen heads, including that of the speaker, turned with one accord to the gallery.

The cause of all the trouble tried to disguise herself as an unoccupied chair, but she remained subdued in her seat until the House rose. Use Minards for colds.

T. C. A. PLANES RUSHES SERUM AIR EXPRESS SAVES A LIFE

LETHBRIDGE, Alta., Dec. 2.—When Mrs. Dick Toomer of Meagher, Alta., was brought to Lethbridge recently suffering from pneumonia, her physician, Dr. D. B. Fowler, found that her case required a special serum. There was none available in Lethbridge. At 10 o'clock next morning it was in the hands of Dr. Fowler. Through the agency of the T.C.A. and the Canadian National Express, Mrs. Toomer's life was saved.

The new air service will prove a real boon to medical service," said Dr. Fowler. "In this case it was a live-saver and we surely appreciate it."

CARGO OF HOGS FIRST SHIP TO HIT BERMUDA

When Juan Bermudez, 16th-century voyager, was crossing to the West Indies with a cargo of hogs, one dark night he hit a group of islands with a bang. He managed to get his ship off and make a landing to discover the Bermuda Islands. It was only a cursory survey, however, and it took Sir George Somers, shipwrecked with his band of the islands in 1609, to turn his misfortune to account by founding a settlement.

The reputation of the Bermudas as a sub-tropical playground has overshadowed their more serious claims to fame. In the town of St. George, approximately the site of Somers' shipwreck, the oldest law-making body within the British Empire—the Mother of Parliaments in London excepted—came into being as a result of Sir George Somers' shipwreck.

In shape the Bermudas take the form of a crescent, and Hamilton and St. George's are the principal towns on the crescent. A weekly service from Halifax and Boston of "Lady" liners of the Canadian National Steamships during the winter months permits a full day and night stop-over in Bermuda, while en route to various ports in the British West Indies.

UNITED STATES GETS TURNIPS FROM CANADA

With the approach of cold weather comes an increase in the consumption of turnips in the United States. A mild winter is reflected in a decrease in imports while a cold winter finds greater quantities entering principally from Canada, according to the Agricultural Department of the Canadian National Railways. Prince Edward Island and Ontario are the chief sources to supply while New York, Boston and Chicago are the principal markets. There is a very limited domestic production of turnips.

ATTENTION

POULTRY PRODUCERS

Don't let yesterday's fancies scare you away from today's facts.

The Big Demand for Poultry is on TOP GRADES

(Grade special Milkfed, Grade "A" Milkfed, Grade "B" Milkfed)

To be assured of securing highest prices, finish your Poultry and sell on Grade Regardless of Market prices finished country makes more money for the Producer Unfinished Poultry depresses the Market on all Grades.
