**Is "Royal Household" Really the Best Flour?**

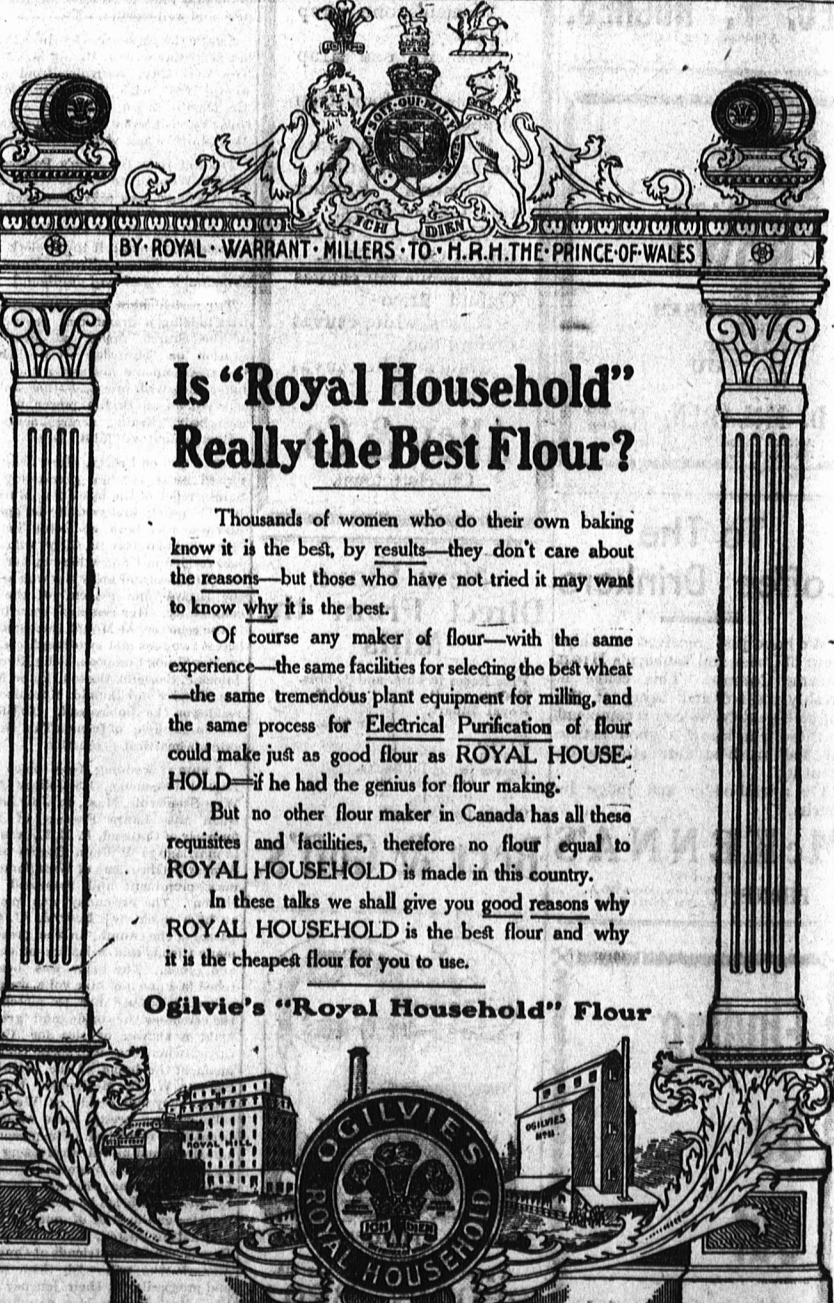

Thousands of women who do their own baking know it is the best, by results—they don't care about the reasons—but those who have not tried it may want to know why it is the best.

Of course any maker of flour—with the same experience—the same facilities for selecting the best wheat—the same tremendous plant equipment for milling, and the same process for Electrical Purification of flour could make just as good flour as ROYAL HOUSEHOLD—if he had the genius for flour making.

But no other flour maker in Canada has all these requisites and facilities, therefore no flour equal to ROYAL HOUSEHOLD is made in this country.

In these talks we shall give you good reasons why ROYAL HOUSEHOLD is the best flour and why it is the cheapest flour for you to use.
