Difficult Digestion
That is dyspepsia. It makes life miserable. Its sufferers eat not because they want to, but simply because they must. They know they are irritable and fretful; but they cannot be otherwise. They complain of a bad taste in the mouth, a tenderness at the pit of the stomach, an uneasy feeling of puffiness, headache, heartburn and what not. The effective remedy, proved by permanent cures of thousands of severe cases, is **Hood's Sarsaparilla**. Hood's Pills are the best cathartic.

Castor Oil is one of the most valuable medicines in the materia medica but its nauseous taste renders its administration difficult and unpleasant. By a new process we have succeeded in producing a palatable sweet and effective castor oil. We have named it "Ma's Sweet Castor Oil." Although of recent introduction we are already having a very large sale for it. Mothers find that children take it readily. The price is 15 cents a bottle. It's Hard Enough To Make Dollars

so why be careless in spending them? Why not consider the reputation of the establishment to whom you give your trade? We place before you a record of over forty years fair dealing. Surely this is a safe place to trade. Besides with no rent to pay, there is a good reason for our low prices.

Come, see, compare.
