Oshawa Wins Memorial Cup For Second Year

Schoolboy Rowe Looks Good In Opener

By Charles Edwards
Canadian Press Staff Writer

WINNIPEG, April 22—(CP)—Oshawa Generals tonight became the first club to win the Canadian Junior Hockey Championship and the Memorial Cup two successive years when they defeated Kenora Thistles, Western Champions, 3-2 to take the best-of-five national final three games to one.

Veterans of three consecutive Dominion Junior title series Generals staged off a gallant, desperate bid by the fighting Thistles. Oshawa won the first game last Tuesday 1-0, took the second Thursday 4-1 but lost the third Saturday 4-3.

Tonight their class overcame the greater aggressiveness of the Thistles who came out of a Northwest Ontario town to win the Western Championship for the first time.

The first period of the bitter closing battle was scoreless. Kenora took the lead in the second but held it for little more than a minute. Generals went ahead early in the third but the battling Thistles got the equalizer with less than 10 minutes to go.

Danfels shot two Oshawa goals. Bud Hellyer and Sawyer getting the others.

Pinkie Melnyk and Milford were the Kenora marksmen with Melnyk setting up the play for Dick's third period counter. The game was clean and only one penalty was called before the third period. Each team drew four penalties.

A BOY and his C.C.M.

EVERY boy who has a C.C.M. Bicycle regards it as even more than his "personal transportation"—it is his prize possession and invariably he and his C.C.M. are inseparable.

He knows of the extreme accuracy with which all of the fast-moving parts of his C.C.M. are built—the C.C.M. Coaster Brake—the C.C.M. Hanger—the C.C.M. Front Hub.

Not only does the proud C.C.M. owner know these facts but he enjoys the results of them. He enjoys the C.C.M. smooth, easy-running qualities which conserve his energy and give him the maximum of speed and distance for his pedalling effort.

He enjoys the trouble-free service which his C.C.M. gives because it is always on-the-job ready for an easy-riding trip to anywhere.

He enjoys the lasting new appearance of his C.C.M. resulting from the several coats of baked-on enamel and the thick Chromium-plate over C.C.M. 20-year nickel.

When you come to buy a bicycle remember all of these qualities which make a boy and his C.C.M. inseparable and choose a C.C.M. for yourself.

C.C.M. bicycles are made in a variety of models from the "special" illustrated to stouter models such as the reinforced "C.C.M. Delivery" and on the lighter side—the trim light-weight road racer and the "C.C.M. Professional Flyer", as used by many of the 6-day bike racing stars.

Ask your nearest C.C.M. dealer to show you these C.C.M. models so that you may be sure to select the one best suited to your needs.
