sooner or later are candidates for glasses. Only an expert optician can tell you just when that day has arrived. A sensible regard for one's eyesight dictates the use of spectacles the moment they are necessary. Show foresight and not hindsight in safeguarding your vision. An examination by us which costs nothing may prevent consequences which later on would be inevitable. We fit everyone exactly.

So Weak, Couldn't Walk

Another Astonishing Case of Female Troubles Cured by **FERROZONE**

"Before taking the first box of Ferrozone, writes Mrs. Annie Jeffry of Sandy Cove, N. S., my condition was deplorable. Though I employed the most skillful medical aid, I grew steadily weaker. In fact, I was in such a low condition that it was impossible for me to walk across the room. My heart was very weak, and I suffered from terrible palpitations, which the doctors said were from troubles peculiar to women. Friends urged me to try Ferrozone, and I bought six boxes. When I had used the third box my condition time v gor and strength returned. The palpitation ceased, my appetite increased; and I got a good rosy color in my cheeks. It would be impossible to speak to highly of Ferrozone. All weak women should use it. I hope many suffering sisters will use Ferrozone, for it will surely cure them."

Dear Sirs,—For some years I have had only partial use of my arm, caused by a sudden strain, I have used every remedy without effect, until I got a sample bottle of MINARD'S LINIMENT. The benefit I received from it caused me to continue its use, and now I am happy to say my arm is completely restored.

MORE TROUBLE

AMONG THE FURNITURE

PEOPLE.

We have leased the brick building formerly used by us as a FURNITURE FACTORY and have to vacate by the first day of Sept. (just three weeks from this date.)

This means that the four or five thousand dollars worth of FURNITURE we have stored there has to be moved—we have no room elsewhere for it—and will therefore put a price on it, that will MOVE it out of our way for good.

We have been moving FURNITURE at a very rapid rate for the last two months—and we know how to do it—The goods referred to above we did not intend to sell at discount prices— but now have no other recourse.

So Out It Goes at Discounts of 20, 25, 30 and 33 1-3 Per cent.
