PILES

8 Years Torture Ended by Zam-Buk

Mr. George Lee, 35 Steiner St., Toronto, says: "For 8 years I suffered torture from blind, itching piles. During that time I believe almost everything in the line of ointments and salves was used, but in vain. The very first application of Zam-Buk gave me relief from that terrible itching, and a little perseverance with the balm brought about a complete cure. I have not been troubled again and it is now over six months since Zam-Buk was used. If this statement can be used for the benefit of other sufferers from this trouble, you are at liberty to publish it."

Zam-Buk

Is especially recommended for all kinds of skin diseases, eczema, bad legs, piles, ulcers, boils, chapped hands, barbers' rash, festering sores, poisoned wounds, cuts, bruises, burns, sprains etc. Of all druggists and stores, 50c. box or from the Zam-Buk Co., Toronto, postpaid. 3 boxes $1.25.

ARE YOUR JOINTS LAME?

Haven't you a weak spot, a place where cold and inflammation always settles? Whether it is in the neck, side, joints or limbs—the cure is simple—a good rub with Nerviline and then apply Nerviline Porous Plaster. These great rubefaciants invariably cure strain, swelling, weakness and muscular pain. There is no mystery about this. Nerviline is the most penetrating liniment known consequently it gets where the trouble really is. Nerviline Porous Plasters are great healers and draw out congestion. Be sure you get the genuine, substitutes can't do the work.

Of Interest to the Investor of Small Amounts

IS NOVA SCOTIA TELEPHONE CO., STOCK, and for a very good reason too. The par value is small—$10.00 a share.

It is a concern the business of which is bound to increase, because the telephone is daily growing in usefulness; in fact it has become a necessity in every business of any consequence.

This means a larger revenue to the company and a consequent increase in dividends.

WE OWN and offer for sale, 500 shares of this stock, at prices that will yield about 5 3-8 per cent. 8
