the same day to count the pitches. He
sends the following: "The road from South-
port to Vernon River is in a very bad con-
dition, there being 296 pitches from South-
port to O'Neill's half way house. South-
port takes the cake for big sleigh busters,
75 from Southport to Tea Hill. Then comes
Pownal with one hundred to the mile."

A VERY enjoyable concert was given at
Falconwood Thursday evening by some
of the young ladies and gentlemen of the
city. That the entertainment was heartily
appreciated by the inmates was quite
evident and was manifested by some of
them in a very laughable manner. Indeed
the amusement of both the entertained
and the entertainer appeared to be
mutual. Much credit is due to the kind
young people for their successful endeavor
to brighten, even for one evening, the
monotonous existence of over 200 people.

ONE of the finest job printing presses
made in America—a Perfected Prouty No.
4—has been installed in the office of the
Prince Edward Island Magazine. It is
probably the most powerful machine of
its size in this province, and the work
done by it is perfection. Mr. Irwin, the
publisher of the Magazine, has now about
completed the equipment of one of the
most modern job printing plants our
reporter has ever seen. The Prouty press
and a smaller job printing machine will be
run by a gasoline engine, and with alt-
gether new type and the latest appliances
known to the trade it is safe to predict
that the work turned out from the office
of the P. E. Island Magazine will be of
the highest quality.

A MERCHANT at Morell complains of
the exorbitant freight on potatoes, viz.
21c. per 100 lbs. by steamer to Pictou,
also by rail to Sydney. The summer rate

per 100 lbs. Cannot the government
give us a through rate both summer and
winter from all stations on the P. E. I. R.
R. and at such rates as we can operate,
besides this we want the government
steamers to make their berths at Railway
Wharf when they have to run from
Charlottetown to accommodate the whole
Island and not a few individuals.

PYRAMID PILE CURE.
Physicians Recommend It, Druggists
Sell It, Everybody Praises it.

If we could sell one package of Pyramid
Pile Cure to every person in America who
is troubled with piles and who would
gladly give the 50 cents to be rid of it, we
would have about ten million dollars.
The only reason that we don't sell that
many packages this year is that we will
not be able to get ten million to try it.
Just one application will prove its merit
and amply repay the cost of a whole box.
The effect is immediate. Comfort comes
at once and continued treatment will
cure any case no matter how bad.

Pyramid Pile Cure soothes the inflamed
surface the instant it touches it, heals it,
educes the swelling and puts the parts
into a stitute for it. Nothing compares
with it.

We have never heard of a single case
that it failed to cure; we have heard of
thousands that it has cured quickly and
completely.

Here are a couple of letters recently
received.
From Geo. C. Geick, Owe's Mill, Mo.:
"Some time ago I bought a package of
Pyramid Pile Cure for my wife who had
suffered very much. The first trial did
her more good than anything he has ever
tried. It is just what is claimed for it."

From Richard Loan Whipple Ohio:
I have used the Pyramid Pile Cure and
am entirely pleased and satisfied with re-
sults. It does the work and no mistake.
The proprietors of the Pyramid Pile
Cure could publish columns of similar
letters but these are enough to show what
it will do in different cases.

All druggists sell Pyramid Pile Cure or
will get it for you. It is 50 cents per pack-
age made only by the Pyramid Drug
Co., of Marshall, Mich.

or three moments.

**Difficult
Digestion**
That is dyspepsia.
It makes life miserable.
Its sufferers eat not because they
WANT to—but simply because they
MUST.

They complain of a bad taste in the
mouth, a tenderness at the pit of the
stomach, a feeling of puffy fullness,
headache, heartburn and what not.

Hood's Sarsaparilla cured Joseph F. Lamm,
Stungay, Ky., who writes: "I was troubled
with dyspepsia for a number of years and
took medicine that did me no good. I was
advised by friends to try Hood's Sarsaparilla
which I did and it put my bowels in perfect
condition, gave me strength and energy and
made me feel like a new person."
