RETURNED FROM MONTREAL—Mr. E. A. Hardy, of Conway, returned on Wednesday evening from Montreal, where he had undergone a very serious operation. He was accompanied home by Hon. G. Shelton Sharp. It is pleasing to report that Mr. Hardy is very much improved.—S.

WHIST PARTY—The weekly whist party of the C. M. B. A., at Summerside, was held on Wednesday evening and was quite successful. There were eight tables. The prize winners were: Miss Elizabeth Burke, Miss Evelyn Gallant, Mr. Maxime Peters and Mr. W. A. Gallant.—S.

AIR MAIL FOR SUMMERSIDE—Summerside received her first mail by plane on Thursday. The pilot landed his machine in S. E. Cannon's field and made a good landing. She brought three bags of mail, mostly from the States and Upper Canada. This mail usually comes by the six o'clock train. The Summerside Board of Trade have been agitating for some time for this service.—S.

WELL KNOWN RESIDENT—At his home in Kensington, January, 7, 1932, Reginald Cameron, aged fourteen years. To mourn are left his parents, John and Mrs. Cameron and brothers, William, John, Augustus and Hollis Brenton, and sisters, Mrs. Percy Hatley, Bedeque, Mrs. Bertram J. Trowsdale, and Violet, at home. The funeral was held on Saturday, January, 9, from the home where the service was conducted by Rev. Mr. Loring, assisted by Rev. Mr. Somers and Rev. Mr. Rhoad. The pall bearers were selected from his school mates and were, Earl Rackam, Everett Hughes, Scott Moase, Miller Waite, Eddie McDonald and Frank Brown. The deceased was an obedient, dutiful son, and gave promise of developing into an industrious youth and man. He showed a particular aptitude for caring for poultry, and had been spared he certainly would have chosen this work inclusively.—Y.

ANNUAL MEETING—A very optimistic feeling prevailed at the annual meeting of the Bedeque District, L. O. L., which was held on Tuesday in Berthelie Lodge rooms, Summerside. There was a large representation from the four lodges, comprising the district, namely Berthelie Lodge, Summerside; Trevor Lodge, Lot 16; King Edward Lodge, Bedeque and Borden Lodge. The financial report showed that the funds of the organization were in a very satisfactory condition. The membership committee reported an advancement of over twenty-five members for the district, Summerside lodge making a gain of 100 per cent. in their membership. Excellent addresses were given by Mr. B. I. Rayner, Mr. John Y. Phillips and Mr. Albert Oakes upon the development of the Society. The officers elected for the ensuing year were as follows: District Master, J. J. Mathieson; Deputy Master, George Prizzell; Secretary, Bro. Brooks; Chaplain, Rev. Mr. Aitken; Treasurer, Bro. Inman of Bedeque; Marshal, Bro. Hutchinson; A. P. Wells, Chairman of visiting committee. It was decided to hold the next annual meeting in Summerside.—S.

FIRST RACE OF THE SEASON—The first horse racing of the season was held on Tignish River, January 5th. It was one of the largest attended on this river for a number of years. The miniature differences in speed kept the large and cheerful number of spectators in constant suspense, wondering who was going to win the race. The first class contained five starters, Barney Will Tell, owned and driven by Will Leonard, won in two straight heats. Pussy Foot, owned and driven by Dugald McCarthy, came in second. Lily Aubrey, owned and driven by Prof. Howard Doyle, third. Colorado Soldier, owned by Johnny Ryan and driven by James Christopher, fourth. Lakeside, owned and driven by Hum Gillis, came close to Christopher's wheel. In the second heat Barney Will Tell led the way the whole mile. The first half mile all expected to see Pussy Foot taking second place, but amidst cheers and hurrahs, Lily Aubrey took a terrific burst of speed and passed Pussy Foot, thereby gaining second place and leaving his opponent third. Colorado Soldier came fourth with Lakeside again at the wheel. Several other horses showed speed. Special mention may be made of a beautiful colt owned and driven by Gratton McHugh. The race being over the large purse which had been gathered for the occasion was distributed among the winners. Everyone hopes to have many more such races where we can gaze on so many "beautiful horses" and enjoy the thrill of "Who is going to be the winner?"

IN MEMORIAM

MR. ALLEN MCLEOD

After a brief illness, one of Dingwell's Mills most respected residents, Mr. Allen McLeod, passed peacefully away. Although not in the best of health for the past two years, he was able to assist with the work of the farm, until three weeks previous to his death, he was taken to the P. E. Island Hospital, where he underwent an operation. All that medical skill could do was done for him, but of no avail, and on Sunday evening, December thirteenth, he passed peacefully away.

The late Mr. McLeod was a prominent farmer and carpenter, a man of sterling qualities, always willing to lend a helping hand, a good neighbor and friend to all. He was born at Dingwell's Mills, sixty-two years ago, the son of the late Mr. and Mrs. Murdoch McLeod, and leaves to mourn his loss his wife, formerly Cassie Stewart, one son Harry W., of The Horton Steel Works Ltd., Bridgeburg, Ontario; a daughter-in-law, B. A. McLeod, and his little grand daughter, Elsie McLeod; also one brother, Gideon McLeod, of Boston, Mass.

The service was conducted by the Rev. Mr. Firth, of Dundas, assisted by Rev. Mr. Morgan, also of Dundas. Interment took place in Acorn's Cemetery. The pall bearers were as follows: Messrs. J. McLure, Neil Ross, C. McDonald, Sam Nicholson, Jas. Campbell, Lawrence McDonald.

CHERRY HILL INSTITUTE

The monthly meeting of the Cherry Hill Women's Institute was held at the home of Mrs. Henry Coffin, on Monday evening, January 4th, with an attendance of eleven members and two visitors. The meeting opened by singing the Institute Ode. Roll call was answered with Thoughts and Suggestions for the New Year. Following the reading of minutes and approval of same by the members the reports of the committees were given and new committees were appointed. Unfinished business of previous meeting was taken up and discussed and a guessing contest was put on, realizing the amount of 35 cents. A reading by Mrs. Harold Coffin and a paper, "Making Housework Easy," by Miss Aletha Egan, were greatly enjoyed.

Mrs. William Crawford kindly invited the members to her home for the next meeting. A dainty lunch was served and after the tendering of a hearty vote of thanks to the hostesses, the meeting closed by singing the National Anthem.

Office here is at least as great this season as last. Every conceivable error and omission is to be found in the collection. In some cases the street address has been entirely forgotten, in others, scores of them, the street given is unknown in Montreal.

Giving the wrong street number is the most common mistake but it is surprising how many of the letters plainly inscribed "Montreal" were apparently not intended for this city at all. It would seem that in the excitement of getting Christmas presents and letters despatched a number of people, sane at other times, completely lose their heads.

Investigation indicates that women are more careless than men in addressing mail, particularly in the important matter of placing a return address on the letter or packet.

The majority of the letters piled up at this busy bureau bear no return address. This means that they must be opened and the signatures examined. If a street address is found inside, the letter is sent home addressed to the signature given, which results in strange inscriptions such as—"Honey, 179 Blank avenue, Toronto," on returned mis-sives.

Piles Go Quick Without Salves or Cutting. Thousands of sufferers from itching, bleeding or protruding piles have learned that quick and permanent relief can only be accomplished with an internal medicine. Neither salves nor cutting remove the cause. Bad circulation of the blood in the lower bowel causes piles. The veins are flabby, the bowel walls weak—the parts almost dead. To end Piles an internal medicine must be used to stimulate the circulation, heal and restore the affected parts. Dr. J. S. Leonard was the first to discover a real internal Pile remedy. He called his prescription HEM-ROID, and prescribed it for 1000 patients with the marvelous record of success in 960 cases, and then decided every Pile sufferer should be able to get HEM-ROID tablets from their own druggist with a rigid money back guarantee. Dr. Leonard's HEM-ROID has an almost unbelievable record of success right in this city. So why worry about an external treatment? Hughes Drug Co., Ltd., invites every Pile sufferer to try HEM-ROID with guarantee of money-back if it does not cure their Piles, no matter how stubborn the case?

Periodic Eye Examinations. Are vitally important, whether one's eyes are good or otherwise. Don't wear your glasses for five or ten years, as some do, without re-examination, for in that time serious changes may take place, which if not discovered, may work permanent injury to the most precious sense you possess. Guard your eyes. G. F. HUTCHESON OPTOMETRIST
